her to the Continent with them King Richard has been captured while on Crusade and Alix is among the nobles whose lives

memorable pictures of child workers ever made Traveling around the United States while working for the National Child  
Labor Committee he photographed children in textile mills coal mines and factories from Vermont and Massachusetts to  
Georgia Tennessee and Missouri Using his camera as a tool of social activism Hine had a major influence on the development  
of documentary photography But many of his pictures transcend their original purpose Concentrating on these photographs  
Alexander Nemerov reveals the special eeriness of Hine s beautiful and disturbing work as never before Richly illustrated the  
book also includes arresting contemporary photographs by Jason Francisco of the places Hine documented Soulmaker is a  
striking new meditation on Hine s photographs It explores how Hine s children lived in time even how they might continue to  
live for all time Thinking about what the mill would be like after he was gone after the children were gone Hine intuited what  
lives and dies in the second a photograph is made His photographs seek the beauty fragility and terror of moments on earth
