Love Poetry Vee Bdosa, 2003-08 Many people experience love on a daily basis but often ignore and fail to acknowledge it Many of Vee Bdosa's poems originated from requests by people on the Internet to write them a poem The resulting poetry received as gifts and read by husbands wives boyfriends and at weddings and even at a funeral Love Poetry takes you from a baby's laugh and smile to a girl's first kiss From first kiss to marriage to the failing of love and the tragedy of divorce and being alone From the loneliness of older adults and their final breath to the one great love Love Poetry explores love's every facet

Of Love and Silence Vasile Munteanu, 2018-11-29 The book is a meditation on the idea of Love There is a long arduous ideational search that the main character undertakes which takes him from the depths of the subconscious to the heights of heaven in order to find the true purpose of Love He is aided in this search by a rather shadowy figure that seems to be someone he has been in love with for a very long time He will eventually reach the conclusion that Love when all is said and done is really Love of the higher Self

look the other way as the abuse occurs and cover for the harm doers with no accountability Documentary filmmaker and survivor of child sexual abuse and adult rape Aishah Shahidah Simmons invites diasporic Black people to join her in transformative storytelling that envisions a world that ends child sexual abuse without relying on the criminal justice system Love WITH Accountability features compelling writings by child sexual abuse survivors advocates and Simmons s mother who underscores the detrimental impact of parents caregivers not believing their children when they disclose their sexual abuse This collection explores disrupting the inhumane epidemic of child sexual abuse humanely **Love Cures** Laine E. Doggett,2015-11-09 What is love Popular culture bombards us with notions of the intoxicating capacities of love or of beguiling women who can bewitch or heal to the point that it is easy to believe that such images are timeless and universal Not so argues Laine Doggett in Love Cures Aspects of love that are expressed in popular music such as love is a drug sexual healing and love potion number nine trace deep roots to Old French romance of the high Middle Ages A young woman heals a poisoned knight A mother prepares a love potion for a daughter who will marry a stranger in a faraway land How can readers interpret such events In contrast to scholars who have dismissed these women as fantasy figures or labeled them witches Doggett looks at them in the light of medical and magical practices of the high Middle Ages Love Cures argues that these practitioners as represented in romance have shaped modern notions of love Love Cures seeks to engage scholars of love marriage and magic in disciplines as diverse as literature history anthropology and philosophy Seraphic Love Likha Caral,2023-05-07 The brain has a unique function It was December the journey of icy morning peering slowly moving dusky lights from clouds As I said the brain has a unique function my brain pressures me for mounting on the theme of Love this winter Love is one thing that inspired the greatest of poets and playwrights like Rumi Pablo Neruda John Keats Emily Bronte Shakespeare Oscar Wilde Robert Burns etc Their writing is the reflection of their composition of words and the content they offer to readers Therefore I choose this theme as a capsule for my co author as we know love is a basic human need though it complicates emotion at the same time but love is a hard to define emotion like the painting of Picasso a brilliant and wonderful art tell us one thing about love as he quotes Love is the greatest refreshment in life it is a feeling which all humankind experienced in life I define love as a universal language that will never lose its significance or beauty Love suits each and every person differently whether love is between lovers friends family or nature it is an overwhelming emotion that can be experienced in many ways The concept of love has a variety of feelings emotions and behaviours It is a desire to love and care other in a hard wired and deep hearted Love is an unimaginable and also it can never be summarized by an action neither it can ever be expressed by words **Jewels of 'The Imitation', a selection of passages by P. Fitzgerald** Percy Hetherington Fitzgerald,1896 **A Hidden Wholeness** Parker J. Palmer,2022-08-24 In A Hidden Wholeness Parker Palmer reveals the same compassionate intelligence and informed heart that shaped his best selling books Let Your Life Speak and The Courage to Teach Here he speaks to our yearning to live undivided lives lives that are congruent with our inner truth in a

world filled with the forces of fragmentation Mapping an inner journey that we take in solitude and in the company of others Palmer describes a form of community that fits the limits of our active lives Defining a circle of trust as a space between us that honors the soul he shows how people in settings ranging from friendship to organizational life can support each other on the journey toward living divided no more This paperback edition includes two new and useful features Circles of Trust is a videos containing interviews with Parker J Palmer and footage from retreats he facilitated for the Center for Courage Renewal www.CourageRenewal.org Bringing the Book to Life by Caryl Hurtig Casbon and Sally Z Hare is a reader s and leader s guide to exploring the themes in A Hidden Wholeness The videos illuminates and illustrates the principles and practices behind circles of trust The guide includes questions that connect the videos to the book offering a conversation with the author as well as an engagement with the text Together these features give readers new ways to internalize the themes of A Hidden Wholeness and share with others this approach to sustaining identity and integrity in all the venues of our lives Inspired by Palmer s writing and speaking and challenged by the conditions of twenty first century life people across the country from many walks of life have been coming together in circles of trust to reclaim their integrity and help foster wholeness in their workplaces and their world For over a decade the principles and practices in this book have been proven on the ground by parents and educators clergy and politicians community organizers and corporate executives physicians and attorneys and many others who seek to rejoin soul and role in their private and public lives A Hidden Wholeness weaves together four themes that its author has pursued for forty years the shape of an integral life the meaning of community teaching and learning for transformation and nonviolent social change The hundreds of thousands of people who know Parker Palmer s books will be glad to find the journey continued *The Power of Silence* Colum Kenny,2018-03-21 This book demonstrates that silence is eloquent powerful beautiful and even dangerous It surrounds and permeates our daily lives Drawing on a wide range of cross cultural literary and historical sources the author explores the uses and abuses of silence He explains how silence is not associated with solitude alone but has a much broader value within society The main themes of *The Power of Silence* are positive and negative uses of silence and the various ways in which silence has been understood culturally socially and spiritually The book s objectives are to equip people with a better appreciation of the value of silence and to enable them to explore its benefits and uses more easily for themselves *A History of New York, from the Beginning of the World to the End of the Dutch Dynasty* Diedrich Knickerbocker,2024-08-25 Reprint of the original first published in 1840 **Believing the Impossible Before Breakfast** Osho,2024-05-03 Tao is the name for that which cannot be named a name for the nameless just like god or dhamma or truth or logos These are not really names but human helplessness We have to call it something we have to address it Tao is one of the most beautiful names given to the unknown because it is utterly meaningless God has become very meaningful hence it has lost significance **Where There Is Love, There Is God** Mother Teresa,2010-08-10 Mother Teresa s relationship with God and her commitment to those she served the poorest of the

poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God s will This book is in some way a sequel to Mother Teresa Come Be My Light in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa s teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa s life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God s heart and hands in the world of today She was called to be a missionary of charity a carrier of God s love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God s love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters

MOTHER TERESA 1910 1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life s work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003
