**Love** Steven Curtis Lance, 2009-01-01 Through a thousand nights of love into a thousand days of poetry love came to me wearing its thousand faces and thrillingly whispering words into my heart I wanted to remember them and to share them with you so I wrote them all down with the uttermost care as my uttermost offering by love and for love with all of my heart Those words were these poems which are this book of a thousand nights of love into a thousand days of poetry written down with the uttermost care to remember and to share And even and especially when it might not seem so all these words in all their thousand ways share as their source and destination love wearing its thousand faces and thrillingly whispering words these words into your heart through mine I made this book for you and it is yours now It had to be called LOVE because it is Take it Love Steven Dear Love Matthew Brna, 2003 Matthew s poetry is a symphonic loving ballet of metaphor composed with gracefully stern and romantic precision His glorious romantic nature truly renders readers unto an exquisitely speechless loving reverie *the ministry of song* frances ridley havergal, 1874 A Detailed Explication of T. S. Eliot's The Love Song of J. Alfred Prufrock Harry Eiss, 2022-03-22 Do I dare disturb the universe This is a question recognized by people around the world If typed into the internet hundreds of examples appear Many know that it comes from one of the best known poems of the previous century T S Eliot s The Love Song of J Alfred Prufrock What many do not know is that Eliot dramatically shifted his views at the height of his fame for writing such dark poetry as this and The Waste Land becoming a sincere devoted Christian While his poetry is famous because it expresses the loss of a spiritual center in European civilization a careful reading of it reveals that he was struggling with his Christianity from the beginning not rejecting it but

trying to make it fit into the contemporary world If the reader works through Eliot s love song for all of the esoteric meanings as he demands it quickly becomes evident that he intended it as a struggle between agape amour and eros Beginning it with a quote from Dante forces that into place Though the protestant forms of Christianity have changed their views on these the Roman Catholic holds fast Eliot references Michelangelo in the poem bringing in the great painter of the ceiling of the Sistine Chapel Most immediately recognize his name and work but do not realize how he expressed a similar personal struggle between the desires of the flesh and the spirit Both of them admired Dante s Divine Comedy and its inclusion of amour as a means to salvation Dante s work is generally seen as the greatest literature ever to come out of Italy This book is an expanded revision of Seeking God in the Works of T S Eliot and Michelangelo It explores how T S Eliot struggled with the highest meanings of existence in his poetry and his own life and perhaps managed to express what has become known as a modernist and post modernist view of what Rudolph Otto designated the mysterium tremendum the experience of a mystical awe the experience of God

**STEP CLOSER, I WANT TO LOVE YOU** Yan Huo Man Cheng,2023-11-23 Often we meet the person we want to live with for the rest of our lives before we have learnt how to love In order to realise her dream of music a young girl Rebecca Murray who came to the city to work hard was cheated for renting an apartment and became acquainted with her landlord Victor Lloyd The opening plot of the novel is very attractive sleeping Rebecca met lothario into the room and drunken lothario was pulled down the stairs sleeping in the hallway it looks very funny The two people also know each other since then In the following days they live together as landlord and tenant and love begins to sprout Rebecca a cheerful girl is not pessimistic and depressed after being cheated out of all her money Instead she works part time to earn money and studies music in her spare time in order to get closer to her music dream Rebecca is a girl who doesn t pursue money and dares to love and hate She is not moved by rich man after receiving an unknown slap she knows how to fight back and how to protect herself in the bar hidden drugs incident in order to protect the bar and innocent people she takes the initiative to admit guilt All of these show that Rebecca is a kind hearted girl In the face of the harsh requirements of Victor Lloyd family s daughter in law she does not feel inferior and does not retreat but is self improvement She ultimately stands on the hall of music
