Loves Sweet Fire:

Love's Sweet Fire Elaine Elliott,1984-01-01 **Naming Thy Name** Elaine Scarry,2016-11-29 A fascinating case for the identity of Shakespeare's beautiful young man SHAKESPEARE'S SONNETS ARE indisputably the most enigmatic and enduring love poems written in English They also may be the most often argued over sequence of love poems in any language But what is it that continues to elude us While it is in part the spellbinding incantations the hide and seek of sound and meaning it is also the mystery of the noble youth to whom Shakespeare makes a promise the promise that the youth will survive in the breath and speech and minds of all those who read these sonnets How can such promises be fulfilled if no name is actually given Elaine Scarry asks This book is the answer Naming Thy Name lays bare William Shakespeare's devotion to a beloved whom he not only names but names repeatedly in the microtexture of the sonnets in their architecture and in their deep fabric immortalizing a love affair By naming his name Scarry enables us to hear clearly for the very first time a lover's call and the beloved's response Here over the course of many poems are two poets in conversation in love speaking and listening writing and writing back In a true work of alchemy Scarry one of America's most innovative and passionate thinkers brilliantly synthesizes textual analysis literary criticism and historiography in pursuit of the haunting call and recall of Shakespeare's verse and that of his now at last named beloved friend **Love's Rite** R. Vanita,2005-10-20 This

is the first book to examine the same sex weddings and same sex couple suicides reported in India over the last two decades Ruth Vanita examines these cases in the context of a wide variety of same sex unions from Fourteenth century narratives about co wives who miraculously produce a child together to Nineteenth century depictions of ritualized unions between women to marriages between gay men and lesbians arranged over the internet Examining the changing legal literary religious and social Indian and Euro American traditions within which same sex unions are embedded she brings a fresh perspective to the gay marriage debate suggesting that same sex marriage dwells not at the margins but at the heart of culture Love's Rites by Ruth Vanita is a finalist for a Lambda Literary Award **The Works of William Shakespeare:**

A Passion for Poetry Maril Ozanne Garrison,2013-06 A PASSION FOR POETRY Why poetry Why has this ancient craft existed throughout time continuing even into our fast paced age of moderncy and technology Perhaps two reasons 1 The human condition still demands we ask who we are what we are and why we are and 2 space is limited in this form of writing requiring the poet reduce his thoughts into a quick read format Puns pundits quotes poetry and prose capsule 90% of everything the human race believes to be important and true Poets are avatars who define the nature and meaning of our roles They reduce the fabric of our existence to the simplest ingredients of mind soul bones sinew and desire It is the forum

Love's labour's lost William Shakespeare,1893 **Letters of Catherine Benincasa** Of Siena Saint Catherine,2022-05-28 In *Letters of Catherine Benincasa* Saint Catherine of Siena offers a profound glimpse into the spiritual and socio political climate of 14th century Italy This collection of letters characterized by its direct poignant prose and heartfelt fervor traverses themes of faith reform and the moral duties of individuals within the Church and society Catherine's ability to articulate complex theological concepts in accessible language marks her as a significant figure in mystical literature inviting readers into her intimate dialogue with God while addressing urgent issues such as papal authority and the need for ecclesiastical reform Saint Catherine of Siena a layperson from a modest background was instrumental in advocating for the return of the Papacy to Rome and addressing the moral decay within the Church's hierarchy Her intense mysticism and reformist zeal were likely shaped by her early religious experiences and her commitments to serving the

marginalized As one of the few women to be declared a Doctor of the Church her insights reflect a blend of spiritual vision and acute political awareness underscoring her historical significance This book is a must read for those intrigued by the intersection of spirituality and activism Catherine s letters resonate with timeless lessons on compassion courage and the pursuit of holiness making them essential for anyone seeking inspiration in their own spiritual journey or understanding the challenges of faith in times of turmoil *J.
