Vethanayagam,2015-12-29 I was raised in a city with one of the most beautiful and natural beaches I was struck by the beauty of the ocean and the way its waves pushed and pulled along the shoreline always departing but never failing to return And I witnessed how every time the ocean withdrew from the shoreline it left shells behind It happened every single time These shells could have originated from anywhere on the planet But the ocean carried those shells to that particular place where we could pick them up When we get broken we keep trying without giving up just as the ocean refuses to stop

coming Every failure teaches us some lessons Every withdrawal leaves us with some blessings We are never left empty handed as we are getting our share of seashells We collect the shells that are meant for us When we start reaching for love from within and explore our inner potential we bring our awareness into focus and discover our available abundance When our attention is placed within ourselves we do not need an outside source to make us happy to make us heal or to make us who we are meant to be      Living a Life You Love Joyce Meyer,2018-04-03 You may say that you love your family your spouse your church or the Lord You may also express love for more temporal things like a good cup of coffee your home or a nice dinner at your favorite restaurant But it is rarer to truly say I love my life It s common to be more frustrated with life than at peace with it because the daily grind wears you down Responsibilities and burdens become heavy and rob you of the happiness you re meant to have as a child of God But you can be hopeful learn to rise above your challenges and be filled with wonder at what God might do every day Written by 1 New York Times bestselling author Joyce Meyer who has gone from heartache to happiness through Christ this book is the key to shifting your perspective so that you may also relish every moment and every part of life You will learn how to love life fully in spite of your obstacles and experience the happiness that is promised to you Joyce will explain Why you can t love life unless love is the central theme of it Why your attitude affects your life more than any outside circumstances How the love help and kindness you give away will come back to you immeasurably How to look to the future and keep your joy And so much more God has already blessed you with a life to love and it s time to start LIVING A LIFE YOU LOVE      **Teachings on Love** Thich Nhat Hanh,2002-12-09 Thich Nhat Hanh s timeless meditations on love family and friendship with step by step practices for cultivating intimacy in your relationships Weaving together traditional stories personal experiences and a deep understanding of the Buddha s way of mindful living Thich Nhat Hanh provides step by step practices that foster understanding and intimacy in any relationship and extend our love even to those that cause us pain Teachings on Love is a treasure trove of guidance for couples co workers or friends who wish to nourish the gift and strength of their relationships and deal creatively with their weaknesses and difficulties We all yearn to experience a love that is deeper and more joyful Teachings on Love provides a time tested path that anyone can follow to nurture the deepest love in ourselves and others      **Know.
