**Loving Feelings** Gail Gaymer Martin, 2005-10-01 When Todd Bronski realized an eight year old boy had stolen his laptop he was set to call the police But then Jenni Anderson little Cory s aunt came to apologize and well she was lovely Jenni was grateful that Todd had decided to leave the police out of it and help teach Cory a better way The man was handsome intelligent kind and caring with Cory Todd awakened feelings she hadn t experienced in years But Jenni wasn t looking for a man She had way too much on her plate Besides Todd had agreed to be her new business partner and she wasn t about to mix business with pleasure Those Loving Feelings John R. Gunn, 2013-01-17 This marriage enrichment book explores how

God in the Song of Solomon instills in his human creatures the passion to create within the marital bond a life of joy and commitment The author structures his inspiring applications to take readers verse by verse through this classic love poem from the Old Testament Each chapter candidly interprets the verses and enables couples to apply these to their own marriages *Love and Intimate Relationships* Norman M. **Psychotherapy** Robert Langs, 2006-06-23 Feelings of love between patients and their therapists have been an endless source of confusion for those involved An essential reading for all counselling and psychotherapy students and practitioners this text offers fresh perspectives and advice on how best to deal with expressions of love and sexual desires in the course of therapy

Love and Hate David Mann, 2013-11-12 Love and hate seem to be the dominant emotions that make the world go round and are a central theme in psychotherapy *Love and Hate* seeks to answer some important questions about these all consuming passions Many patients seeking psychotherapy feel unlovable or full of rage and hate What is it that interferes with the capacity to experience love This book explores the origins of love and hate from infancy and how they develop through the life cycle It brings together contemporary views about clinical practice on how psychotherapists and analysts work with and think about love and hate in the transference and countertransference and explores how different schools of thought deal with the subject David Mann together with an impressive array of international contributors represent a broad spectrum of psychoanalytic perspectives including Kleinian Jungian Independent Group and Lacanian psychotherapists psychoanalysts and analytical psychologists With emphasis on clinical illustration throughout the writers show how different

psychoanalytic schools think about and clinically work with the experience and passions of love and hate It will be invaluable to practitioners and students of psychotherapy psychoanalysis analytical psychology and counselling **Recovering Love** J Richard Cookerly, 2001-08 Recovering Love is the first self help guide to focus on ways for couples to work together to defeat codependent behaviors without ending their relationships Dr Cookerly describes the differences between authentic mate love and codependency and how codependency inhibits intimacy sexual fulfillment and the growth of healthy love Readers will discover how to defeat the special problems of codependency through loving teamwork Recovering Love explores techniques couples can use to escape the destructive victim rescuer persecutor triangle with self love and teamlove Case examples show how couples are using Dr Cookerly's CoRecovery love knowledge to put an end to codependency factors that prevent them from succeeding at love Included are eight major ways people demonstrate love and their benefits to health self esteem and relationships Couples will discover how to avoid codependency by learning the skills of real emotional intimacy For parents Dr Cookerly provides specific techniques for breaking the generational chain setting children free to lead non codependent loving lives Recovering Love gives new hope to codependent couples everywhere and serves as an authoritative source of innovative ideas and strategies for the professionals who treat them *Act Justly, Love Tenderly* Neafsey, John, 2016-10-13 Inspired by the words of the prophet Michah to act justly love tenderly and walk humbly before God the author describes how we realize our vocation to holiness as it is expressed throughout the various stages of life *New light on love, courtship, and marriage* Sydney Mill, 1894 *Romantic Love in Cultural Contexts* Victor Karandashev, 2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature

Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations

**Catching The Rhythm of Love** Neil Clark Warren,

**Love and Work** Mieke Polderman,2014-09-01 Is there interaction between love and work If so in what ways does it appear The main incentive for this research is the notable increase of American and Dutch people who wish to spend more and more of their time working and who feel useless and

robbed of their identity when separated from their jobs It seems that work is considered more fulfilling and satisfying than love which can be undermined by failing relationships tension depression violence addiction crime or angry and unmanageable children Whereas Proust described love in a milieu where most of the work was done by servants and artists Freud was convinced that love and work were the two main pillars of society This view has been echoed by psychologists sociologists philosophers and novelists However a new phenomenon is that men and women share love and work Finding the right balance between the two is a hot topic in how to books newspaper and magazine articles but the underlying connections have received little if any scrutiny In fact it may well be a mission impossible since as the Frankfurt School asserted the capitalist powers in search of profit urge politicians to lure men women and children onto the work floor by telling them work is a duty that not only will provide disposable income but also happiness and fulfillment in life Hence people internalize this message without asking themselves why continuous consumption is more important than giving and receiving love which they crave but seldom find Although focusing on middle class people between the ages of twenty five and forty who are travelling the highway of life have paid jobs a relationship of at least three years and children this study should be of interest to everyone **The Psychology of Love** Robert J.
