

What Is Loving-Kindness Meditation?

Loving-kindness meditation was developed by Jon Kabat-Zinn and was incorporated into his Buddhist tradition based mindfulness-based stress reduction (MBSR) program. It is a form of meditation with many different techniques and approaches. One method works by shifting focus from oneself and onto other people, which may lead to decreased anxiety and depression. Other techniques move focus inwards and emphasize loving-kindness towards oneself. Whether the focus is on others or oneself, this meditation practice improves mindfulness and compassion.

A Scripture Account of the Faith and Practice of Christians: Consisting of Large and Numerous Collections of Pertinent Texts of Scripture, Upon the Sundry Articles of Revealed Religion ... By the Reverend Hugh Gaston ,1763 *Reasonable Service* Kwete Quaynor,2012-08-17 Many of our praise and worship services have been reduced to mere social gatherings Several people now visit various Houses of God and yet never get to access the very Presence of God Unfortunately in several other settings praise and worship have been reduced to ordinary prologues to other sessions within gatherings or sheer stopgaps in the event of some delays and challenges It is about time we worshipped God in Spirit and in Truth by doing the

right things in order to attract His pleasure and blessings rather than His wrath and curses which we so often do when we dishonor Him How many times have we not deliberately or mechanically offered abominable sacrifices to God We sometimes inadvertently burn strange incense before God and feel our sacrifices must be acceptable simply on account of their quantum or quality but if God could Himself acknowledge that the praise songs of His people were harmonious and that their sacrifices were fat and their services solemn and yet reject them all then what we render to God must certainly transcend our nominal readings on our man made selfgratifying gauges and emotional feelings We must guard against neglecting our call to do the right things as regards the praise and worship we offer to God for the consequences thereof could be dire
