emotions This discourse was developed by theologians philosophers and moralists like Augustine Aquinas Erasmus Descartes Jacob Cats John Locke and Jean Jacques Rousseau by Romantic educationalists like Friedrich Fr bel and Ellen Key and by scientists like Charles Darwin and William James who emphasized the biological instead of the moral fundament of children s emotions The story of children s emotions is told in the context of cultural movements like the Renaissance Humanism the Reformation the Enlightenment Romanticism and the starting Age of Child Science Children s Emotions in Europe 1500 1900 crucially highlights the continuous co existence of regulation oriented and child oriented educational views on children s emotions
