

A romantic couple is shown from the chest up, embracing and looking down at each other. The woman has long blonde hair and is wearing a light blue shirt. The man has dark hair and is wearing a dark jacket. They are standing in front of a blurred background of Parisian architecture, including a church with a blue dome and a red-roofed building. The scene is bathed in the warm, golden light of a sunset or sunrise.

Love Lasts Forever... Vikrant Khanna,2014-06 So you think your love can last forever Get married Eighteen year old Ronit falls madly in love with Aisha the moment he meets her at his graduation day from a naval college He believes he has found his perfect soul mate and come what may his love for her will last forever Seven years later he gets married to her Big mistake A week later he completely hates her and believes she has turned into a devil But his perception about love and life change when he hears the poignant love story of Shekhar his Captain on a ship that later gets hijacked by the pirates of Somalia As they are left fighting for their lives they confront if love truly can last forever Or does it get too late **Vampire Secrets** Melinda Harris,2012-01-05 I d never really given much thought as to the precise moment that I d fall in love with the person that I would one day give up my humanity for or to the myth about vampires being real and if someone had told me then that I d not only discover the truth but that I would fall completely and undeniably in love with a vampire I would have told them that they were crazy Vampires are some urban legend that people use to explain things that otherwise have no rational explanation but Lucian is a vampire and he is very real and everything that I could ever want or need and so much more Lucian is so completely in love with me that he would die for me or kill for me if it was needed and that scares me a little Unfortunately for us he carries with him a deep dark secret that he s been hiding from everyone for years A secret that could very well destroy us both Vampires from Lucian s past are hunting him and now that he has devoted his immortal life to me they have finally found him and will stop at nothing to punish him for his past crimes I love Lucian more than I thought someone was capable of loving another person But then there s Matt who is a vampire spy and has come here to find Lucian and create even more problems for us than we can handle Matt is the most forth coming vampire that I ve ever met and maybe that s what draws me to him but whatever Matt s charm is it has captured me we share a connection that Lucian and I don t and every time that Matt is near me it is becoming impossible for me to resist him any longer I ve finally admitted to myself that I m in love with him and then there is my best friend Josh who is a human and whom I ve also fallen in love with recently so now I m caught in the middle of this mess and soon I ll have to choose between them In the meantime I m caught in the middle of a mess with Lucian and a vampire named Michael from his past out for revenge who will stop at nothing to hurt Lucian including turning my friend Jill into a vampire and her hatred for me could easily end up getting me killed Now I

can only hope that Lucian can find me before my captor has a chance to replace my life with an immortal one full of darkness and blood I don't know if I'll be able to choose between the two vampires and the human who are competing for my heart and if I'll survive what has happened to me or if I'm doomed to spend forever as a vampire with the evil vampire who came back from the past looking to destroy Lucian's new life Follow my story and see who will survive the events that unfold in Vampire Secrets a story of what happens when a vampire who has a dark past to hide a vampire with another motive and a human who is just trying to stay alive fall in love with a human girl who has everything to live for and possibly everything to lose including friends family love and possibly the ultimate sacrifice that a human can give my soul **Beyond Price** J. David Velleman, 2015-10-08

In nine lively essays bioethicist J. David Velleman challenges the prevailing consensus about assisted suicide and reproductive technology articulating an original approach to the ethics of creating and ending human lives He argues that assistance in dying is appropriate only at the point where talk of suicide is not and he raises moral objections to anonymous donor conception In their place Velleman champions a morality of valuing personhood over happiness in making end of life decisions and respecting the personhood of future children in making decisions about procreation These controversial views are defended with philosophical rigor while remaining accessible to the general reader Written over Velleman's 30 years of undergraduate teaching in bioethics the essays have never before been collected and made available to a non academic audience They will open new lines of debate on issues of intense public interest **All the Little Pink**
