Bruning, **World War II in the Pacific** Stanley Sandler, 2003-12-16 Stanley Sandler one of America s most respected and best known military historians has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II Extending far beyond battles and hardware the coverage ranges from high policy making grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions aircraft armor artillery psychological warfare warships and the home fronts covering the interactions of each topic along the way *Pacific Island Nations* Luella Sue Christopher, 1990 *The Campaigns of the Pacific War* United States Strategic Bombing Survey, 1946 **The Pacific War Uncensored** Harold Guard, John Tring, 2011-10-20 A WWII reporter s dangerous adventures in Singapore Malaya Java and more Harold Guard became a war correspondent by chance after he d been invalided out of the navy following a submarine accident Thereafter working for United Press he gained a front row seat to many of the most dramatic battles and events of the century In March 1942 Guard arrived in Australia having narrowly escaped from Japanese forces invading Singapore and Java His dispatches from that disastrous front prompted one observer to comment on the crisis days when everybody except Harold Guard was trying to hush up the real situation At the time he was acclaimed by the Australian press as one of the top four newspapermen covering the war in the Pacific Over the next three years Guard was to have many more adventures reporting on the Pacific War including firsthand experience flying with the US Air Force on twenty two bombing missions camping with Allied forces in the deadly jungles of New Guinea and taking part in attacks from amphibious landing craft on enemy occupied territory He also traveled into the undeveloped areas of Australia s northern territories to report on the construction of air bases being built in preparation for defending the country against the advancing Japanese What made Harold Guard s achievements even more remarkable was that he was disabled and had to walk with a stiff right leg due to his navy injury Despite this he often reported from perilous situations at the front line which gained him considerable notoriety within the newspaper world Guard endeavored to give honest accounts and this often brought him into conflict with the military censors In this book the full story of Guard s experiences and observations during the Pacific War have been reconstructed with the help of his dispatches private correspondence telegrams and audio accounts No longer subject to censorship the starkly honest perceptions of how the Allies nearly failed and at last finally won the war can now be told **B-24 Liberator Units of the Pacific War** Robert F Dorr, 2012-12-20 Ever present in the Pacific

from Pearl Harbor to VJ Day the B 24 Liberator proved to be the staple heavy bomber of the campaign From its ignominious beginnings in the Allied rout in the Philippines and the Dutch East Indies this illustrated volume explores how the bomber weathered the Japanese storm with a handful of bomb groups which played a crucial role in checking the enemy's progress firstly in New Guinea and then actively participating in the island hopping campaign through the south west Pacific **Asia Pacific Defense Forum** ,2004 **United States Army in WWII - the Pacific - Seizure of the Gilberts and Marshalls** Philip A. Crowl,Edmund G. Love,2014-08-15 Includes 4 tables 3 charts 27 maps and 90 illustrations Seizure of the Gilberts and Marshalls deals with amphibious warfare as waged by American forces against the Japanese held atolls of the Central Pacific during World War II The atoll operations described in this volume were amphibious from beginning to end They were not simple seaborne hit and run raids of the Dieppe type The objective was to secure the atolls as steppingstones to the next advance The islands were relatively small permitting continual naval and air support of the ground operations Some outstanding examples of the co ordination of fire support by artillery naval gunfire and air are found in this book The advantages of simple plans and the disadvantages of the more complicated will stand out for the careful reader The story of the capture of these atolls of Micronesia offers some of the best examples of combined operations that are available in the annals of modern war Ground sea and air components were always present and the effectiveness with which they were combined and co ordinated accounts in large measure for the rapid success enjoyed in these instances by American arms From the point of view of strategy the significance of this volume lies in the fact that it tells the story of the beginnings of the drive across the Central Pacific toward the Japanese homeland This concept of defeating Japan by pushing directly westward from Hawaii through the island bases of the mid Pacific was traditional in American strategic thinking but had never been put to test and was seriously challenged in some quarters As is shown here the test was first made in the campaigns against the Gilberts and Marshalls the outcome was successful and the experience gained was of inestimable value in planning for the subsequent conduct of the war in the Pacific **War in the Pacific: Strategy and Command** , CMH Pub 5 1 United States Army in World War 2 Analyzes organization and logistics as well as strategy and command covering the coming of World War 2 Japanese policy and American strategy before Pearl Harbor Japanese victories in the first six months of the war first efforts in New Guinea and the Solomon Islands to stem the Japanese tide and the limited offensive in the summer of 1943 **The Army Air Forces in World War II: The Pacific, Guadalcanal to Saipan, August 1942 to July 1944** ,1948 **The Army Air Forces in World War II, Volume Four: The Pacific, Guadalcanal to Saipan, August 1942 to July 1944** , **The United States strategic bombing surveys European War Pacific War.** , [Air War in the Pacific: The Journal of General George Kenney, Commander of the Fifth U.S. Air Force](#) George C.
