Loyal Daughters One Hundred Years At Mississippi University For Women 1884 1984:

Loyal Daughters Bridget Smith Pieschel, Stephen Robert Pieschel, 1984 **Southern Women at the Millennium** Melissa Walker, Jeanette R. Dunn, Joe P. Dunn, 2003
Annotation Contents Introduction The Past as Prologue Perspectives on Southern Women by Joe P. Dunn Spheres of Economic Activity among Southern Women in the Twentieth Century An Introduction to the Future by Jacqueline Jones Stealth in the Political Arsenal of Southern Women A Retrospective for the Millennium by Sarah Wilkerson Freeman Working in the Shadows Southern Women and Civil Rights by Barbara A. Woods Separate but Equal Case Law and the Higher Education of Women in the Twenty first Century South by Amy Thompson McCandless The Changing Character of Farm Life Rural Southern Women by Melissa Walker Other Southern Women and the Voices of the Fathers On Twentieth Century Writing by Women in the U S South by Anne Goodwyn Jones Southern Women and Religion by Nancy Hardesty Conclusion by Carol Bleser *Mississippi Women* Martha H. Swain, Elizabeth Anne Payne, Marjorie Julian Spruill, 2003
Some of the women are well known others were prominent in their time but have since faded into obscurity and a few have never received the attention they deserve BOOK JACKET

Daughters Of Canaan Margaret Ripley Wolfe, 2021-12-14
From *Gone with the Wind* to *Designing Women* images of southern females that emerge from fiction and film tend to obscure the diversity of American women from below the Mason Dixon line In a work that deftly lays bare a myriad of myths and stereotypes while presenting true stories of ambition grit and endurance Margaret Ripley Wolfe offers the first professional historical synthesis of southern women s experiences across the centuries In telling their story she considers many ordinary lives those of Native American African American and white women from the Tidewater region and Appalachia to the Mississippi Delta to the Gulf Coastal Plain women whose varied economic and social circumstances resist simple explanations Wolfe examines critical eras outstanding personalities and groups wives mothers pioneers soldiers suffragists politicians and civil rights activists and the impact of the passage of time and the pressure of historical forces on the region s females The historical southern woman argues Wolfe has operated under a number of handicaps bearing the full weight of southern history mythology and legend Added to these have been the limitations of being female in a patriarchal society and the constraining images of the southern belle and her mentor the southern lady In addition the specter of race has haunted all southern women Gender is a common denominator but according to Wolfe it does not transcend race class point of view or a host of other factors Intrigued by the imagery as well as the irony of biblical stories and southern history Wolfe titles her work *Daughters of Canaan* Canaan symbolizes promise and for activist women in particular the South has been about promise as much as fulfillment General readers and students of southern and women s history will be drawn to Wolfe s engrossing chronicle **Confessions of a Southern Beauty Queen** Julie Hines Mabus, 2022-04-29
In the late 1960s Patsy Channing a stunningly beautiful young woman was suspended from the venerable Mississippi State College for Women for breach of conduct The resulting scandal reached all the way to the

Columbus courthouse and the press ate it up But Patsy s story starts long before that living with a preoccupied and troubled mother in Memphis Tennessee As Patsy grows up she buries the memories of her unspeakable childhood trauma and is determined to have a normal life Music becomes her ticket out and a vehicle for the one thing she covets most a chance to be crowned Miss America In Confessions of a Southern Beauty Queen Julie Hines Mabus provides a peek into that world a world struggling through the civil rights movement reeling from the death of JFK and cutting loose with the musical innovations from Memphis and Detroit Patsy develops a close friendship with a guitarist at Stax Recording Studio giving her firsthand exposure to the early Memphis Soul Sound created by such greats as Otis Redding Isaac Hayes and Sam Dave Confessions of a Southern Beauty Queen opens and closes with the end of Patsy s time at Mississippi State College for Women on that fateful spring morning in 1968 when she entered the Columbus courthouse Patsy s story marked with tragedy and triumph mirrors that of a growing and evolving South where change never comes easy

The University of Mississippi: A Sesquicentennial History Sansing, David G.,1999 [The Mississippi Encyclopedia](#) Ted Ownby,Charles Reagan Wilson,Ann J. Abadie,Odie Lindsey,James G. Thomas Jr.,2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The Mississippi Encyclopedia also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing

Reawakening the Public Research University Renée Beville Flower,Brent M. Haddad,2014-03-28 A core institution in the human endeavor the public research university is in transition As U S public universities adapt to a multi decadal decline in public funding they risk losing their essential character as a generator evaluator and archivist of ideas and as a wellspring of tomorrow s intellectual economic and political leaders This book explores the core interdependent and coevolving structures of the research university its physical domain buildings libraries classrooms administration governance and funding and intellectual structures curricula and degree programs It searches the U S history of the public research university to identify its essential

qualities and generates recommendations that identify the crucial roles of university administration state government and federal government

Women Scientists in America Margaret W. Rossiter, 1998-09-29 Winner of the Pfizer Award for Outstanding Book in the History of Science Margaret Rossiter's widely hailed *Women Scientists in America* Struggles and Strategies to 1940 marked the beginning of a pioneering effort to interpret the history of American women scientists That effort continues in this provocative sequel that covers the crucial years of World War II and beyond Rossiter begins by showing how the acute labor shortage brought on by the war seemed to hold out new hope for women professionals especially in the sciences But the public posture of welcoming women into the scientific professions masked a deep seated opposition to change Rossiter proves that despite frustrating obstacles created by the patriarchal structure and values of universities government and industry women scientists made genuine contributions to their fields grew in professional stature and laid the foundation for the breakthroughs that followed 1972

Lee Smith, Annie Dillard, and the Hollins Group Louisiana State University Press, 1999-09 This work examines the history of Hollins College which by the 1950s had set itself up as a school with a significant women's writing programme It examines the influence of the mentors in the 1960s and the writers themselves such as Lee Smith and Annie Dillard

Resources in Education, 1986

Institutions of Higher Education Linda Sparks, 1990-01-24 This bibliography brings together in one comprehensive volume citations of books dissertations theses and ERIC microfiche relating to the history of specific institutions of higher education worldwide All types of postsecondary institutions two years colleges liberal arts colleges seminaries specialized institutions and universities are included Entries include the following elements when available author editor title place of publication publisher publication date and number of pages Citations from 85 countries are included Entries are by country dependency and territory The United States has been further divided by state Names of institutions are in English References are in the language in which they were written The majority of the citations should be available in a library somewhere in the United States Obscure sources that may be difficult to obtain have been included because they are often the only citation All editions of a title as well as older works are included because of their potential value to a researcher The book should be a part of all college university and large public library collections College of Education faculty members specializing in higher or comparative education will find much of value here

Making Haste Slowly David G. Sansing, 2011-09-05 A comprehensive history that reveals the intrusion of culture and politics into higher education in Mississippi

Golden Days Mississippi University for Women Southern Women's Institute, 2009 Fond recollections from students who attended America's first public college for women from 1926 to 1957

Adventures Abroad Sandra L. Singer, 2003-04-30 In the period between the Civil War and World War I German universities provided North American women with opportunities in graduate and professional training that were not readily available to them at home This training allowed women to compete to a greater degree with men in increasingly professionalized fields In return for such opportunities these women played a key

role in opening up German universities to all women Many devoted the rest of their lives to creating better research and graduate opportunities for other women forever changing the course of higher education in North America This study provides accounts of the incredible barriers encountered by these first women students in Europe It documents their perseverance and hard won triumphs and includes as well the stories of the progressive men who mentored them and fought for their rights to higher education Never before has documentation of so many North American students at German speaking universities been included in one volume This collection of stories from women across disciplines makes it possible to assess the truly remarkable nature of their combined contributions to higher education and research in North America and Europe *Women Studies Abstracts* ,1986 *The North Carolina Historical Review* ,1993 **The United States South**
Valeria Gennaro Lerda,Tjebbe A. Westendorp,1991 Academe ,1984 The Cumulative Book Index ,1985 A world list of books in the English language
