# Lucans Pharsalia Or The Civill Warres Of

**Jamie A. Gianoutsos**

## **Lucan's Pharsalia Or The Civil Wars Of:**

**Lucan's Pharsalia** Lucan, 1626      Lucan's Pharsalia, 1626      Thomas May, Lucan's Pharsalia (1627) Emma Buckley, Edward Paleit, 2020-11-27 Lauded after his death as champion of the English Commonwealth but also derided as a most servile wit and mercenary pen the poet dramatist and historian Thomas May c 1595 1650 produced the first full translation into English of Lucan's *Bellum Civile* shortly before a ruinous civil war engulfed his own country Lucan whose epic had lamented the Roman Republic's doomed struggle to preserve liberty and inevitable enslavement to the Caesars and who was forced to commit suicide at the behest of the emperor Nero was a figure of fascination in early modern Europe May's accomplished rendition of his challenging poem marked an important moment in the history of its English reception This is a modernized edition of the first complete 1627 edition of the translation It includes prefatory materials dedications and May's own historical notes on the text Besides an introduction contextualising May's life and work and the key features of his translation it offers a full commentary to the text highlighting how May responded to contemporary editions and commentaries on Lucan and explaining points of literary political philosophical interest There is also a detailed glossary and bibliography and a set of textual notes enumerating the chief differences between the 1627 edition and the others produced in May's lifetime This volume aims not just to provide an accessible path into the dense sometimes provocative poem May shapes from Lucan but also a broader appreciation of the translator's literary merits and the role his work plays in the history of the English reception of Roman literature and culture      Lucan's Pharsalia Lucan, 1635      **Lucan's Pharsalia** Lucan, 1626      **Early Modern Catholics, Royalists, and Cosmopolitans** Brian C. Lockey, 2016-03-09 Early Modern Catholics Royalists and Cosmopolitans considers how the marginalized perspective of 16th century English Catholic exiles and 17th century English royalist exiles helped to generate a form of cosmopolitanism that was rooted in contemporary religious and national identities but also transcended those identities Author Brian C Lockey argues that English discourses of nationhood were in conversation with two opposing cosmopolitan perspectives one that sought to cultivate and sustain the emerging English nationalism and imperialism and another that challenged English nationhood from the perspective of those Englishmen who viewed the kingdom as one province within the larger transnational Christian commonwealth Lockey illustrates how the latter cosmopolitan perspective produced within two communities of exiled English subjects separated in time by half a century influenced fiction writers such as Sir Philip Sidney Edmund Spenser Anthony Munday Sir John Harington John Milton and Aphra Behn Ultimately he shows that early modern cosmopolitans critiqued the emerging discourse of English nationhood from a traditional religious and political perspective even as their writings eventually gave rise to later secular Enlightenment forms of cosmopolitanism      **Structures of Epic Poetry** Christiane Reitz, Simone Finkmann, 2019-12-16 This compendium 4 vols studies the continuity flexibility and variation of structural elements in epic narratives It provides an overview of the structural patterns of epic poetry by means of a standardized stringent terminology

Both diachronic developments and changes within individual epics are scrutinized in order to provide a comprehensive structural approach and a key to intra and intertextual characteristics of ancient epic poetry *Encyclopedia of Literary Translation Into English: A-L* O. Classe, 2000 *A Catalogue of Rare, Curious and Valuable Old Books on Sale* by --- Alfred Russell Smith, 1882 *A catalogue of rare, curious and valuable old books on sale* by Alfred Russell Smith Alfred Russell Smith, 1880 **Catalogue of Autographs, Etc** Dobell, P. J. & A. E., booksellers, London, 1925 *Catalogue of the library Dulwich coll*, 1880 *Catalogue of the Library of Alleyn's College of God's Gift at Dulwich* Dulwich College, 1880 **Women and Race in Early Modern Texts** Joyce Green MacDonald, 2002-05-30 Joyce Green MacDonald discusses the links between women's racial sexual and civic identities in early modern texts She examines the scarcity of African women in English plays of the sixteenth and seventeenth centuries the racial identity of the women in the drama and also that of the women who watched and sometimes wrote the plays The coverage also includes texts from the late fourteenth to the early eighteenth centuries by among others Shakespeare Jonson Davenant the Countess of Pembroke and Aphra Behn MacDonald articulates many of her discussions of early modern women's races through a comparative method using insights drawn from critical race theory women's history and contemporary disputes over canonicity multiculturalism and Afrocentrism Seeing women as identified by their race and social standing as well as by their sex this book will add depth and dimension to discussions of women's writing and of gender in Renaissance literature **Reading the Roman Republic in Early Modern England** Freyja Cox Jensen, 2012-08-03 Placing the reading of history in its cultural and educational context and examining the processes by which ideas about ancient Rome circulated this study provides the first assessment of the significance of Roman history broadly conceived in early modern England **Catalogue of the Christie Collection** University of Manchester. Library (1904-1972). Christie Collection, Charles William Edward Leigh, 1915 *Catalogue of a Library* Peter Hastie, 1877 **A Miscellaneous Collection of Catalogues of Second-hand Books on Sale with James Braidwood** James Braidwood (Bookseller in Edinburgh.), 1852 **The Rule of Manhood** Jamie A. Gianoutsos, 2020-12-10 Through stories of lustful and incestuous rulers of republican revolution and of unnatural crimes against family seventeenth century Englishmen imagined the problem of tyranny through the prism of classical history This fuelled debates over the practices of their own kings the necessity of revolution and the character of English republican thought The Rule of Manhood explores the dynamic and complex languages of tyranny and masculinity that arose through these classical stories and their imaginative appropriation Discerning the neglected connection between concepts of power and masculinity in early Stuart England Jamie A. Gianoutsos shows both how stories of ancient tyranny were deployed in the dialogue around monarchy and rule between 1603 and 1660 and the extent to which these shaped English classical republican thought Drawing on extensive research in contemporary printed texts Gianoutsos persuasively weaves together the histories of politics and manhood to make a bold claim that the fundamental purpose of English republicanism was not liberty or virtue but the realisation of manhood for its
