Album 2 Lucas Samaras, 2017-03-30 Lucas Samaras wants to leave a record of his life and art for posterity The astounding 700 pictures that compose this book have all been digitally altered and feature the artist at various stages of his life and in different moods poses states of undress They range from images of a fresh faced innocent looking boy to pictures of a bearded sinister older man Presiding over this autobiographical album ostensibly a family album for it begins with some photographs of Samaras Greek family are thirty four larger scale photos of the artist as he looks today Samaras seems to find himself endlessly fascinating indeed he is as in love with his image as Narcissus was absorbed in himself as though no one else existed Unlike that mythological figure Samaras hasn't yet drowned in his image but death haunts his consciousness Old age is catastrophe he told me last time we spoke His photos are unique in the annals of self portraiture only Francis Bacon's come close to them in traumatic intensity and self distorting suffering
