Blavatsky, Mabel Collins, 2014-03 This Is A New Release Of The Original 1889 Edition **Lucifer** ,1889 Lucifer ,1888-09 *The Masks of Lucifer* David Morris, 1992 This book examines ufology and belief in extra terrestrials as a cultural phenomenon The author examines how 19th century occultism particularly theosophy has been revitalized under the guise of scientific speculation and captured the popular imagination Unexplained or mysterious phenomenon such as UFOs alien visitors crop circles and the evidence for the astronaut gods theory are habitually interpreted by those who claim to have witnessed them in scientific terms a fact that the author believes can be explained partly by tensions and anxieties within society caused by political social and technological change The Theosophist ,1926 **Unholy Sensations** Joshua Paddison, 2025 The true story of the first California cult scandal In 1891 a suffragist and social reformer named Alzire Chevallier launched a moral crusade to destroy Fountaingrove a utopian spiritualist community in northern California Chevallier accused the colony s leader the poet and prophet Thomas Lake Harris of perverting the teachings of the Bible to promote a new sexology that was worse than Mormonism She insisted that Harris used magical powers of hypnosis to take sexual and financial advantage of his followers turning them into a spiritual harem that practiced free love and other gross immoralities Media reports emphasized the presence of Japanese immigrant men at Fountaingrove raising racialized specters of miscegenation and moral contamination The international scandal full of the sorts of salacious details prized by newspaper editors at the dawn of the era of yellow journalism would last more than a decade establishing Harris as the prototype for a new type of public menace the California cult leader **Unholy Sensations** takes a close up look at the Fountaingrove scandal to examine religion gender sexuality and race in the Gilded Age from a fresh perspective By chronicling the life stories of the people swept up in the scandal **Unholy Sensations** reveals connections and tensions between a wide variety of nineteenth century religious and social groups including suffragists and spiritualists Christian Scientists and Theosophists journalists and politicians and Protestant ministers and urban reformers Together these disparate groups helped spark California s first cult scare demonizing Harris as the first but far from the last dangerous California cult leader By showing that the term cult has always been a marker of race sexuality and religion **Unholy Sensations** reveals the limits of American freedom and the centrality of religion to the policing of whiteness family and nation **Lucifer** H. P. Blavatsky, Annie Besant, 2014-03 This Is A New Release Of The Original 1890 Edition **Victorians Against the Gallows** James Gregory, 2011-11-30 By the time that Queen Victoria ascended the throne in 1837 the list of crimes liable to attract the death penalty had effectively been reduced to murder Yet despite this the gallows remained a source of controversy in Victorian Britain and there was a growing unease in liberal quarters surrounding the question of capital punishment Unease was expressed in various forms including efforts at outright abolition Focusing in part on the activities of the Society for the Abolition of Capital Punishment

James Gregory here examines abolitionist strategies leaders and personnel He locates the gallows question in an imperial context and explores the ways in which debates about the gallows and abolition featured in literature from poetry to novels of purpose and popular romances of the underworld He places the abolitionist movement within the wider Victorian worlds of philanthropy religious orthodoxy and social morality in a study which will be essential reading for students and researchers of Victorian history **HPB** S.
