Lucretia Mott Friend Of Justice:

Lucretia Mott Kem Knapp Sawyer, 1991 A biography of the pioneer for equal rights for women who also worked on the Underground Railroad and detested the oppression of Blacks and women **Women Who Changed the World** Candice Goucher, 2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences Learning how women changed the world will change the ways the world looks at the past Women Who Changed the World Their Lives Challenges and Accomplishments through History features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today's tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman's life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women People of Purpose Arnold B. Cheyney, 1998 Educational resource for teachers parents and kids

Educating for Critical Democratic Literacy Kathryn M. Obenchain, Julie L. Pennington, 2015-03-27 Educating for Critical Democratic Literacy educates pre and in service elementary school teachers in teaching four key civics concepts through social studies and literacy integration Written together by both literacy and social studies experts it is based on a conceptual revision of the notions of civic education and critical literacy called Critical Democratic Literacy CDL The authors' dual expertise allows them to effectively detail the applications of their knowledge for teachers from lesson conception to implementation to assessment Part I explains the theory and basic principles of CDL and provides background information on the role of democracy in education Part II consists of four sample lessons designed using the National Council for the Social Studies NCSS C3 Framework and the Common Core State Standards for English Language Arts CSS ELA standards Part III includes a primer explaining the four civic concepts that frame the book Fully aligned to both the CCSS ELA and NCSS C3 Framework this timely resource provides future and current teachers with specific lessons and tools as well as the skills to develop their own rigorous integrated units of study Faith and Feminism Helen LaKelly Hunt, 2007-11-01 Why do so many women of faith have such a strong aversion to feminism And why do so many feminists have an ardent mistrust of religion These questions are at the heart of Helen LaKelly Hunt's illuminating look at the alliance between spiritual conviction and social action Intelligent and heartfelt Faith and Feminism offers a perceptive look at the lives of five spirited and spiritual women of history women who combined their undying faith with feminist beliefs and who made the world a better place by

doing so St Teresa of vila a woman whose bravery in confronting her shadows gave her the strength to connect with the world and live a life of divine action Lucretia Mott a Quaker minister who rose from her quiet upbringing to become a passionate speaker and activist working tirelessly on behalf of justice and peace Sojourner Truth a Christian slave who spoke out with unwavering courage to claim her God given rightful place as an African American and a woman Emily Dickinson an extraordinary poet who touched the world with her ability to capture and transform the experience of suffering Dorothy Day a radical journalist who lived a life of voluntary poverty as a way of expressing her passion for the Christian faith and care for those in need A remarkable book that focuses on the idea that spirituality and feminism are really different expressions of the same impulse to make life more whole Faith and Feminism offers a powerful catalyst for reflecting on our sense of self and for living and loving according to our deepest values

Restorative Justice and Family Violence Joan Pennell, 2025-09-25 By engaging families in taking charge of their affairs restorative justice can reverse family violence But the expansion of restorative programming into family violence is stymied by fears of setting family members at risk and heightening agency liability if harm results How does this anthology counter these fears In response it provides two decades of studies documenting successes of a restorative approach with gendered and intergenerational violence It offers feminist frameworks to explain how these successes are achieved And finally the author turns to cultural and religious messages from her own upbringing as a Quaker Religious Society of Friends to explain why a restorative approach makes lasting and just peace in homes The aim is to encourage others to identify such principles in their own backgrounds to safely and confidently expand the use of restorative programming to safeguard children and adults in the home

A Simple Justice Melanie Beals Goan, 2020-11-12 When the Declaration of Independence was signed by a group of wealthy white men in 1776 poor white men African Americans and women quickly discovered that the unalienable rights it promised were not truly for all The Nineteenth Amendment eventually gave women the right to vote in 1920 but the change was not welcomed by people of all genders in politically and religiously conservative Kentucky As a result the suffrage movement in the Commonwealth involved a tangled web of stakeholders entrenched interest groups unyielding constitutional barriers and activists with competing strategies In A Simple Justice Melanie Beals Goan offers a new and deeper understanding of the women s suffrage movement in Kentucky by following the people who labored long and hard to see the battle won Women s suffrage was not simply a question of whether women could and should vote it carried more serious implications for white supremacy and for the balance of federal and state powers especially in a border state Shocking racial hostility surfaced even as activists attempted to make America more equitable Goan looks beyond iconic women such as Susan B Anthony and Elizabeth Cady Stanton to reveal figures whose names have been lost to history Laura Clay and Madeline McDowell Breckinridge led the Kentucky movement but they did not do it alone This timely study introduces readers to individuals across the Bluegrass State who did their part to move the nation closer to achieving its founding ideals

Resources in Education ,1992 **Radical Friend** Nancy A. Hewitt,2018-03-19 A pillar of radical activism in nineteenth century America Amy Kirby Post 1802 89 participated in a wide range of movements and labored tirelessly to orchestrate ties between issues causes and activists A conductor on the Underground Railroad co organizer of the 1848 Rochester Woman s Rights Convention and a key figure in progressive Quaker antislavery feminist and spiritualist communities Post sustained movements locally regionally and nationally over many decades But more than simply telling the story of her role as a local leader or a bridge between local and national arenas of activism Nancy A Hewitt argues that Post s radical vision offers a critical perspective on current conceptualizations of social activism in the nineteenth century While some individual radicals in this period have received contemporary attention most notably William Lloyd Garrison Frederick Douglass and Lucretia Mott all of whom were friends of Post the existence of an extensive network of radical activists bound together across eight decades by ties of family friendship and faith has been largely ignored In this in depth biography of Post Hewitt demonstrates a vibrant radical tradition of social justice that sought to transform the nation *Reframing the House* Jennifer Marie Buck,2016-06-02 Reframing the House continues the conversation of global theology as the future of the church Jennifer Buck tells how women s voices from Africa Asia and Latin America serve as a critique of Evangelical theology of the church in the West Three voices are highlights here from the Majority world Mercy Oduyoye a Ghanaian feminist theologian as representative of Africa Kwok Pui lan a Chinese feminist theologian as representative of Asia and Maria Pilar Aquino a Mexican feminist theologian representative of the Americas Working with these women along with Quaker political and feminist voices this work presents a constructive global ecclesiology exploring areas such as salvation sin peacemaking and more **To Be Welcomed as Christ** Nicholas Scott-Blakely,2022-02-22 Mainstream American evangelicalism is facing an identity crisis Many wonder whether or not evangelical communities can become safe spaces that better enable people to enjoy love and know God and all that God cares about This book in honor of Dennis Okholm s decades of leadership in the academy and the church commends the ways in which he has attempted to help his own communities flourish His goal of filling the pews with theologically and biblically literate Christians is a much needed example of steadiness and wisdom to an otherwise turbulent reality facing those who wish to maintain some association with the evangelical label The emphases that appear in the contributions to this book represent Okholm s passion for the life of the church his desire for evangelicalism to be a more hospitable home for all within its fold and in relation to other communities

and his desire for friendship and community to have a more prominent role in theological and biblical reflection To Be Welcomed as Christ offers an example for engaging one's own community and the communities of others with the hospitality of Christ
