Whose Blues? Adam Gussow, 2020-09-28 Mamie Smith's pathbreaking 1920 recording of Crazy Blues set the pop music world on fire inaugurating a new African American market for race records Not long after such records also brought black blues performance to an expanding international audience A century later the mainstream blues world has transformed into a multicultural and transnational melting pot taking the music far beyond the black southern world of its origins But not everybody is happy about that If there's No black No white Just the blues as one familiar meme suggests why do some blues people hear such pronouncements as an aggressive attempt at cultural appropriation and an erasure of traumatic histories that lie deep in the heart of the music Then again if blues is black music as some performers and critics insist what should we make of the vibrant global blues scene with its all comers mix of nationalities and ethnicities In *Whose Blues* award winning blues scholar and performer Adam Gussow confronts these challenging questions head on Using blues literature and history as a cultural anchor Gussow defines interprets and makes sense of the blues for the new millennium Drawing on the blues tradition's major writers including W C Handy Langston Hughes Zora Neale Hurston and Amiri Baraka and grounded in his first person knowledge of the blues performance scene Gussow's thought provoking book kickstarts a long overdue conversation **Lucille Ball FAQ** Barry Monush, James Sheridan, 2011-06-01 Applause Books Although countless books and articles have been written about Lucille Ball most people know only the surface details of her personal life and some basic facts about her popular television series *Lucille Ball FAQ* takes us beyond the Lucy character to give readers information that might not be common knowledge about one of the world's most beloved entertainers It can be read straight through but the FAQ format also invites readers to pick it up and dig in at any point Background information and anecdotes are provided in such categories as People Lucy found funny Lucy at home her various residences throughout the years Movie television radio theater projects that never materialized Lucy's off camera romantic attachments James Sheridan and Barry Monush go beyond the well known facts making this an indispensable book for all Lucille Ball fans **The Christian Leader**, 1926

And he must do it fast before Lord Vernon finds her But the gentleman in question is in hiding and no one knows where Only

Annie's Girl Maureen Coppinger,2011-03-04 The shocking but ultimately uplifting life story of an Irish woman who endured 13 years of cruelty and injustice in an orphanage Maureen Coppinger s earliest memory is of watching the woman

she believed to be her mother walk away and abandon her to the care of the nuns at one of Ireland's notorious industrial schools. She was just three years old. She remained in the orphanage until the age of 16, subjected to cruelty and neglect and starved of love and affection. It was an environment from which no one emerged unscathed. Throughout these tormented years, Maureen dreamed only of escape, and when she was contacted again by her mammy, she believed all her dreams were about to come true. Life in the outside world brought its own challenges, however, and Maureen was thrown into turmoil when she discovered that the truth about her past was more murky than she had ever realised. *Annie's Girl* stands apart as a poignant testimony to the resilience of the human heart. This touching and evocative memoir is the incredible story of an illegitimate industrial school survivor's profound struggle to overcome a shame-filled past and solve the mystery of her origins. Maureen Coppingier emigrated to Canada in 1955 where she married and raised three sons. She worked as a school secretary for 25 years before retiring in 1994 and now spends her leisure time as a volunteer for the Galway Association.

Going Topless Megan McAndrew, 2007-11-01 Sibling rivalry has crossed many an ocean. When Constance Wright arrives at her family's summerhouse on the Mediterranean island of Santerre for her father Ross's memorial, she hopes that boyfriend Jim, the New York investment banker on her arm, will boost her status in the family. Between her ravishing sister Isabelle, her ageless French stepmother Odette, and her English stepsisters, former model Lucy and famous artist Jane, there's a lot of competition for attention, not to mention double beds. Now it's time to sink or swim. What she hadn't counted on is the attraction Jim develops for one of the other women in the house, and the affinity she feels for the mysterious writer who moves in next door. As liaisons shift and tension soars, Constance finds that she's not the only one in the house whose love life is in turmoil. Complicating matters is the discovery of a Swiss bank account that Ross left behind. Now the women of this eclectic family are about to learn more than they ever wanted to know about each other, their father, and themselves. **Our Young People**, 1922 **Lola Flores** David Perlstein, 2022-03-30 The hottest female nightclub star in 1930s Havana guards two secrets. Days before the 1929 Wall Street crash, 19-year-old pianist Albert Sobel fakes drowning in New York's East River. As Lola Torres, she rides the Havana Special to Key West, only to be assaulted by the train's conductor. In politically unstable Havana, a Jewish nightclub proprietress tied to the American mob offers Lola a job. A transgender man, Fernando Fallon, designs her trademark floral hat and becomes her lifelong platonic companion. Lola is preyed on by the nightclub owner, then a senior government official. The notorious gangster Ben Bugsy Siegel, unaware she is trans, takes her under his wing. In Nazi Berlin, with bandleader Xavier Cugat, Lola meets the ill-fated transgender Danish woman Lili Elbe.
