Alistair MacLean Arctic Chillers 4-Book Collection: Night Without End, Ice Station Zebra, Bear Island, Athabasca Alistair MacLean, 2014-02-13 Four classic tales of adventure in the frozen north from the master of action and suspense available for the first time in this e bundle Alistair MacLean's War Mark Simmons, 2022-06-02 It is no coincidence that many of Alistair MacLean's most successful novels were sea stories. In 1941 he was called up after volunteering for the Royal Navy and served as Ordinary Seaman, Able Seaman and Leading Torpedo Operator. For the majority of his service he was on HMS Royalist, a modified Dido class light cruiser, seeing action in the Arctic and operations against the German battleship Tirpitz. The ship then deployed to the Mediterranean taking part in Operation Dragoon, the invasion of the South of France, and later in operations against German-occupied Greek Islands in the Aegean. After which MacLean and Royalist were deployed to the Indian Ocean and operations against the Japanese in Malaya, Burma and Sumatra. His wartime experiences coupled with exceptional literary skill resulted in the runaway success of his first novel HMS Ulysses, 1955, followed by *The Guns of Navarone*, 1957, and *South by Java Head*, 1958. These three blockbusters cemented his position as one of the most successful and highly paid authors of the era. While not a whole life biography, Mark Simmons's book provides a fascinating insight into MacLean's war service and subsequent works which deserve enduring popularity.

The Jack Reacher Field Manual George Beahm, 2016-01-19 You don't know Jack Reacher that is. The only book of its kind, the Field Manual draws on 17 years of interviews, novels, stories, and more to demystify author Lee Child's larger-than-life name, taking quick thinking one-man avenger Child calls the Reacher novels almost entirely autobiographical. And *The Jack Reacher Field Manual* seamlessly integrates the literary creator and his creation to provide the most complete portrait of Jack Reacher available. Dive into Jack Reacher's life with a detailed dossier on Reacher and his life at West Point and in the Army's Military Police Corps. Reacher's rules of engagement including how he handles a street brawl. A full-color drifter's roadmap of the US detailing the places Reacher has visited in the novels. Reacher's philosophy for surviving under the radar. A biography on Child and an A to Z list of the key people, places, and things in his life. And more, including a glossary of US Army acronyms that appear in the series and a comprehensive reading list of Reacher novels, novellas, and stories. *The Jack Reacher Field Manual* belongs in the fatigue jacket of any fan craving more information about this internationally popular literary antihero.

Laurence and Jack McClelland, Letters Laura K. Davis, Linda M. Morra, 2018-05-18 Margaret Laurence and Jack McClelland one of Canada's most beloved writers and one of Canada's most significant publishers enjoyed an unusual rapport. In this collection of annotated letters, readers gain rare insight into the private side of these literary icons. Their correspondence reveals a professional relationship that evolved into deep friendship over a period of enormous cultural change. HUNTER KILLERS will follow the careers of four daring British submarine captains who risked their lives to keep the rest of us safe; their exploits consigned to the shadows until now. Their experiences encompass the span of the Cold War from voyages in WW2 era submarines under Arctic ice to nuclear-powered espionage missions in Soviet-dominated seas. There are dangerous encounters with Russian spy ships in UK waters, and finally as the communist facade begins to crack, they hold the line against the Kremlin's oceanic might, playing a leading role in bringing down the Berlin Wall. It is the first time they have spoken out about their covert lives in the submarine service. This is the dramatic untold story of Britain's most secret service. [TEN MOVIES AT A TIME](#) John
