Canadian Foreign Policy and International Economic Regimes A. Claire Cutler, 2011-11-01 As the world economy is becoming increasingly global in nature the future of Canada's welfare will directly depend on the country's response and reaction to a wide range of economic regimes which govern the international economy This volume is an important and timely analysis of past and current Canadian policies toward both the formal and less formal arrangements which regulate such areas as international trade and financial transactions international service industries fisheries resources and the environment Often influenced by domestic political concerns and its relations with the United States Canada has as the authors point out exhibited a high degree of variation in its responses to these regimes Canadian Foreign Policy and International Economic Regimes addresses a broad range of foreign economic policies not generally considered in the foreign policy literature Interdisciplinary in its approach it will be of interest to those in political science and public policy economics and law as well

as to those involved in international business **Macroeconomic Policy, Credibility and Politics** T. Persson, G. Tabellini, 2012-11-12 Uses a game theoretic approach to explore which economic policies are credible and politically feasible questions that had eluded traditional macroeconomic approaches **Macroeconomic Policy in the European Monetary Union** Francesco Farina, Roberto Tamborini, 2007-11-08 Providing readers with a multi faceted assessment of the implementation of fiscal policies in the euro zone and their macroeconomic effects five years after the inception of the euro this book international in perspective and scope is the first reliable reference source for discussions in this area for both academics and policy makers Comprising contributions from distinguished researchers from different European countries and institutions the issues addressed include the monetary and fiscal policy mix evolution and control of fiscal aggregates over the business cycle and their implications for the SGP rules accountability of debt evolution financial spill over of national fiscal policies measurement and assessment of automatic stabilizers Based on empirical evidence as well as being firmly rooted in theoretical analyses and giving particular emphasis to the constraint of the Stability and Growth Pact on the one hand and the presence of a single monetary policy on the other this book is an invaluable tool students and researchers engaged with macroeconomic stabilization and monetary and fiscal policy interactions as well as professionals in the public sector and the financial institutions of the EU **Macroeconomic Policy** Robert J. Barro, 1990 This is a collection of 13 papers by a leading proponent of new classical macroeconomics published between 1981 and 1989 The papers are classified into three topical groups The five papers in the first section Rules versus Discretion provide an overview of the models and ideas that have been deployed in this policy debate The next three papers investigate the impact of changes in the money supply on business cycles The third category contains five papers that address various issues in fiscal policy Of particular note is Barro s 1989 paper on the resuscitation of the Ricardian equivalence theorem ISBN 0 674 54080 8 37 50

Macroeconomics: Canadian Edition Study Guide N. Gregory Mankiw, William M. Scarth, 2007-03-23 The guide offers various ways for students to learn the material in the text and assess their understanding **The Goals of Macroeconomic Policy** Martin Prachowny, 2012-11-12 Politicians win elections by promising Jobs Jobs Jobs but in practice these promises quickly fall by the wayside The Goals of Macroeconomic Policy asks why It begins with the observation that there is no convincing economic argument that full employment should be the primary objective of economic policy in all circumstances In the light of this it examines whcy policy has failed so consistantly It explains this by a theory of the labour market which shows why most workers are happy to operate in a way which militates against full employment It then proceeds to analyse the rather dire consequences of this for the budget deficit Canadian Macroeconomics Brian Lyons, 1998 Canadian Political Economy Heather Whiteside, 2020-11-19 Engaging with themes of conflict change and crisis this book re invigorates the distinct interdisciplinary field of Canadian political economy Why Has Canada's Economy Performed So Poorly? Affairs, Dalhousie University. Centre for African Studies, 1978 **Canada Since 1945** Robert Bothwell, Ian M. Drummond, John English, 1989-01-01 Reviews Canada's post war history and recounts how Canadians strove for prosperity international respectability and a more vigorous national culture Handbook of International Economics Ronald Winthrop Jones, 1984 Textbook research papers on international economic theory economic policy and practice includes a literature survey of theoretical studies in trade relations covers evolution of economic models explaining the determinants of trade structure capital flow labour mobility trade in natural resources etc examines macroeconomics aspects of balance of payments exchange rate international monetary system economic relations and dependence etc Bibliography graphs statistical tables **Capital Transfers and Economic Policy: Canada, 1951-1962** Richard E. Caves, Grant L. Reuber, 1971 Between 1951 and 1962 nearly ten billion dollars in long term capital both direct investment and purchase of securities flowed into Canada This massive amount represented one third of all long term capital moving among industrial nations Its transfer marked the first time since before World War I that the world witnessed such a large scale international movement of capital motivated primarily by a prospect of higher rates of return In *Capital Transfers and Economic Policy* the authors test the theory of the causes and effects of international capital movements against the evidence drawn from Canada's experience They explore Canada's adjustment to capital flows and show how the operation of her economic policy is affected by the sensitivity of capital flows to the country's interest rates and foreign exchange rate Their brilliant analysis is particularly valuable in light of current trends in capital flows among industrial nations and the June 1970 return of the Canadian dollar to a flexible exchange rate which put the economy in a working situation similar to that of the fifties
