 Thoroughly updated stripped of technical detail where possible extensively illustrated with well chosen photographs
 enlivened with new applications features that focus on issues at play in today's world responsive to the suggestions of
 reviewers and users and seamlessly integrated with MyEconLab These are the hallmarks of this eleventh edition of
 Macroeconomics Parkin brings critical issues to the forefront Each chapter begins with one of today's key issues and
 additional issues appear throughout the chapter to show the real world applications of the theory being discussed When the
 chapter concludes readers read between the lines to think critically about a news article relating to the issue demonstrating

how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events Readers will begin to think about issues the way real economists do and learn how to explore difficult policy problems and make more informed decisions in their own economic lives Parkin is so committed to currency that he uploads news articles almost daily to MyEconLab the online assessment and tutorial system that accompanies the text Assessment questions based on the Economics in the News articles are uploaded periodically so that instructors can assign recent articles within MyEconLab
