Rebecca from Clarksville to Orange Hill thereby leaving her twin brother Carter behind. As Charlie moved in with her aunt Rebecca, her aunt takes up her sister's responsibilities in being the mother figure in Charlie's life. Since her sister Munchy couldn't be a good influence in Charlie's life, the main reason Munchy hates Charlie is because she reminded her of her husband she arranged to murder and she reminded her of herself when she was growing up. Charlie then faces changes and challenges in her once little almost perfect life but then her world comes crumbling down slowly. One day she accidentally crosses paths with her father whom she had loved the most. The man she had believed died in a car crash and had left her completely. Why did Munchy want William, her husband, dead so badly? How on earth is William not dead after Munchy arranged his death? How does Charlie feel inside after hearing that her father was dead? What did Munchy say or do to make Charlie move to her aunt's house? Read to find out what happens to Charlie and to know the answers to the questions above.
