Leyden, 2013-12-30 Over the past few years as I have worked with teens and young adults I have witnessed an increasing sense of restlessness and despair in young people in today's world They feel rejected by a world that many of them view as cold sterile uncaring and void of love Physical activity as a form of recreation is being replaced by thumbs tapping on keypads True friends are being replaced by media acquaintances Teens find themselves trapped in a world where morals are eroding and electronic bullying is the standard Music movies YouTube and social media celebrate sex violence and evil The family unit is becoming a thing of the past The world as they see it is spiraling out of control and there is nowhere for them to turn for moral guidance and love More and more teens tell me they are disillusioned by the world they live in and many have lost hope Increasingly high school students are considering suicide Because of the violence and corruption done in the name of religion today many young people reject God as an answer to their hopelessness They want no part of a God who would create a world like the one they live in today *Mad At God* is about one such teenager It is my hope that this book will help teenagers discover the truth about God This book gives honest and straightforward answers to the questions teens are asking about God today They are challenging and frank questions that demand answers It has been my experience that once their questions are answered teens begin to look at God in a different light Many teens today are uncertain and fearful about the future They are bombarded with images of a world coming to an end I have included a section in this book that outlines the future for the world as set out in the Bible in a manner that is logical and easy for young people to understand Once presented with this

information many teens discover their need for God The purpose of this book is to help teens find faith in God If they are mad at God perhaps they won't be after reading this book      **God Is Not Mad at You** Joyce Meyer, 2013-09-03 When bestselling author Joyce Meyer posted God's not mad at you on Facebook she didn't anticipate that her words would trigger thousands of responses of gratitude and relief Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge In **GOD IS NOT MAD AT YOU** Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval She explores the source of this confusion so His genuine character can be better understood and His love can be experienced on an entirely new level Chapter titles include Perfectionism and Approval The Pain of Rejection Guilt and Shame Developing Your Potential Run to God Not from Him Getting Comfortable with God It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us If you feel guilty right now and are afraid that God is mad at you then you are miserable But your misery can be immediately changed to peace and joy by simply believing God's Word Believe that God loves you and that He is ready to show you mercy and forgive you completely Believe that God has a good plan for your life Believe that God is not mad at you Joyce Meyer      *The Sheriff's Irresistible Love* SJ McCoy, 2022-08-26 The Sheriff's Irresistible Love is the third book in the sweet n steamy MacFarland Ranch Western Romance series It's the first in the series to feature an older couple in their fifties Deacon Wallis family history goes back seven generations in Paradise Valley Montana Six of those generations were the black sheep the crooks and the lowlifes Deacon's determined to change the family history He might have been born on the wrong side of the tracks and raised by the town drunk but now he's a respected member of the community After a stint in the military he came home and started working in law enforcement These days he's the Sheriff but he's probably prouder of the fact that his younger brother has followed in his footsteps and is one of his deputies He claims that his work is enough He's dedicated his life to repairing the family name he can't afford to think about children he might pass that name on to He was married once but she left and took the kids with her They're grown now with lives of their own lives that don't include him His chance for love and family slipped through his fingers many years ago and there's no way he's looking to try again at his age Even though he's not looking he can't help seeing Candy every time he turns around She's come to help out in the bakery where he gets his coffee every morning Somehow and he has no idea how it happened she's ended up renting his upstairs apartment And even though he tells himself that he can still avoid her his damned cat keeps going up to visit with her She seems to be as sweet as her name suggests and soon it seems that he's not going to be able to resist her charms any more than can avoid her She's bubbly and outgoing and everything that usually drives him nuts yet he's constantly drawn to her But nothing's ever come easy for Deacon Trouble's always had him in its sights and it turns out that trouble is tracking Candy's every step If he can't resist falling for her he'll have to risk everything to save her MacFarland Ranch Book 1 The Cowboy's Unexpected Love Wade and Sierra Book 2 The Cowgirl's Unmistakable Love Janey and Rocket Book 3 The Sheriff's Irresistible Love
