Mad Dogs An Englishwoman:

Mad Dogs and an Englishwoman Polly Evans, 2009-01-27 Polly Evans had a mission to learn everything possible about the howling tail wagging world of sled dogs. Fool's errand. Or the adventure of a lifetime. The intrepid world traveler was about to find out. In the dead of winter, Polly Evans ventured to Canada's far northwest where temperatures plunge to minus forty and the sun rises for just a few hours each day. But though she was prepared for the cold, she never anticipated how profoundly she'd be affected by that blissful and austere place. In a pristine landscape patrolled by wolves and caribou, the wannabe musher was soon learning the ropes of arctic dogsledding, careening across the silent tundra with her own team of yapping, leaping canines. Shivering but undaunted, Polly follows the tracks of the legendary Yukon Quest, a dogsledding race more arduous than the Iditarod. Witnessing a life and death spectacle, she'll never forget. Along the way, she makes a stop at the Santa Clause house in North Pole, Alaska, where the post office delivers unstamped mail and witnesses the astonishing northern lights weaving green and red across the sky. And before the snows melt in spring, Polly will have discovered a deep affection for the loving mischievous huskies whose courage and enthusiasm escort her through the delights and dangers of living life at the extreme in one of the most forbidding places on earth. **Mad Dogs and an Englishwoman** Polly Evans, 2008-03-01

Mad Dogs and an English Girl Caroline Waterman, 2007 This is a story of Spanish life at the time of Franco as seen through the eyes of a naive young girl. Based on the author's personal experience, it is often amusing, sometimes tragic, but always surprising, painting a picture of a way of life that has now gone for ever. **Mad Dogs and an Englishwoman** Crystal Rogers, 2000 I shut my eyes and see the little girl I knew myself to be eighty years ago, racing barefoot down a slope after a bunch of colourful fluttering butterflies. Not to catch them. Not to break their wings. Not to preserve them in a jar to show off to friends. I know now that the girl was chasing after them to share their freedom. **Mad Dogs and an Englishwoman** is the remarkable autobiography of Crystal Rogers, who dedicated her life to the welfare of stray, uncared-for animals in India and founded CUPA Compassion Unlimited Plus Action in Bangalore. It tells how Rogers, who was born in India, returned to Delhi from England in 1958 and was horrified by the barbarous methods by which animals are slaughtered for consumption, the cruelty involved in the transport of domestic animals, the distress and terror of animals kept in captivity for medical research, and the agony of sick and crippled animals who are prodded on to work or abandoned because they no longer serve any useful purpose. Her deep sympathy for their plight resulted in her opening an animal shelter called The Animals Friend in Mehrauli. Soon she also started taking care of the homeless, diseased, and dying people she found on Delhi's streets. The book is full of memorable anecdotes, some touching, some hilarious, about the animals and people Rogers encountered over the next twenty years. Written in the best traditions of James Herriot and Gerald Durrell, this is at once a delightful account of quirky human and animal behaviour and a powerful argument for animal activism in India.

up in the wild beauty of Tanganyika's Central Region After graduating from university in England she decides to return to Africa to rediscover the land that has haunted her dreams She also seeks to fulfil her destiny as a woman and put behind her years of frustration and shame She meets Michael a young architect and embarks with him on an affair which will bring joy and disabling pain Set in East Africa in the turbulent years just after independence this is a story of longing of passionate engagement and of harsh disillusion Africa comes vibrantly alive in these pages A love story with the complexity of the real An exotic feminist road movie Jonathan Bower was born and educated in Ireland He has worked in Africa and in the Arab world in radio television films and as a journalist He currently divides his time between Ireland Provence and North Africa African Aftermath is his second novel

Changing European Identities Glynis Marie Breakwell, Evanthia Lyons, 1996 The political structure of Europe has changed and continues to do so The changing allegiances of the populations of Europe pose problems and challenges for social psychological theory Changing European Identities explores these issues using social identity theory and alternative models such as alienation theory and representational identity theory It provides a highly topical and relevant context for exploring the validity and limits of current theories Providing a valuable new perspective on people's reactions to change in Europe it will be useful for advanced scholars in psychology and other social and political sciences

Christine's Ark Christine Townend, John Little, 2012-05-01 The extraordinary story of Christine Townend and an Indian animal shelter Christine Townend is an extraordinary person who has dedicated her life to helping the most vulnerable creatures in our society the animals that we rely on for food labour or just companionship In the 1970s she founded Animal Liberation in an attempt to prevent cruel farming practices It made her a highly controversial figure yet Christine never turned away from her mission to lessen animal suffering While Animal Liberation did enormous good Christine's real lifework was still ahead of her A visit to India in 1990 offered her the opportunity to take over a decrepit animal shelter just outside the city of Jaipur called Help in Suffering When she first arrived it contained little more than a few stray dogs and the odd goat Yet from that small beginning Christine has had an immense impact across the length and breadth of the country transforming the lives of thousands of animals and the people who rely on them for their livelihood During this remarkable journey she has had to constantly balance her determination to make a difference with her loyalty to her husband and two sons Christine's Ark is an inspiring and poignant story of India its animals and its people and of one woman's unwavering struggle to change the world for the better

Indifference Naisargi N. Davé, 2023-06-30 In Indifference Naisargi N Dav examines the complex worlds of animalists and animalism in India Through ethnographic fieldwork with animal healers animal activists farmers laborers transporters and animals themselves and moving across animal shelters and dairy farms to city streets and abattoirs Dav shows how human animal relations often manifest through care and violence More surprisingly what Dav also finds animating interspecies relationality in India is an ethic of indifference that is an orientation of mutual regard rather than curiosity love desire or animus For Dav indifference is a

respect for others in their otherness that allows human and nonhuman animals to flourish in immanent encounters Indifference then becomes the basis for an interspecies ethics and a method of care and practice in everyday life With indifference Dav describes both a mode of relationality in the world and a scholarly approach seeking what is possible when we approach ethico political concepts with indifference rather than commitment or antagonism Moments of indifference Dav contends offer the promise of otherwise worlds

Yukon Polly Evans, 2010 Canada's Yukon is one the world's last great wildernesses where bears moose and caribou roam It's a place where hikers paddlers skiers and mushers can travel for days without seeing another human soul where the northern lights dance green and red across starry skies and where glaciers tumble mountain peaks soar and tundra shrubs scream scarlet as summer turns to fall Bradt's Yukon is the only guidebook dedicated to this natural and historical wonderland Offering practical advice on everything from where to pan for gold to how to avoid being eaten by a bear alongside quirky anecdotes such as the story behind the sourtoe cocktail a shot of whisky garnished with a severed human toe it's the perfect companion for highway drivers cruise ship passengers and outdoors enthusiasts alike
