J. Butler,2020-05-11 In biblical times culture was all about patriarchs A person s ancestors were identified by

the fathers marriages were arranged when girls were twelve years old and when they became women they were rarely seen They only had worth if they were married and a mother In this study you will learn how the stories of biblical women relate to us today The author highlights prostitutes a ditched daughter in law widows a few adulteresses a set of sisters and even an unwed pregnant teenage girl All of the women have one thing in common Jesus By reading their stories you will learn why as believers it is imperative to remember that God extends grace to all Each of the women also show why it is so important to internalize our beliefs and make them our own through action While this study isn t likely to answer all your questions the stories reveal the glory of God through His redemption and kindness The systematic Bible teacher John Green,1877

God Gets Everything God Wants Katie Hays,2021-09-21 A gospel of hope inclusion and defiance If God gets everything God wants and if what God wants is you can anything stand in God s way Too many Christians have been taught that core aspects of who they are their gender their sexual orientation their politics their skepticism prevent God from loving them fully For these individuals church has been a painful experience of exclusion despite the reality that Jesus was the embodiment of God s radical inclusion Katie Hays invites weary Christians former Christians and the Christ curious to take another look at God through the testimony of our biblical ancestors and to reimagine the church as a community of beautiful broken and burdened people doing their best to grow into their baptisms together Hays insists that yes God does get everything God wants and even better we re invited to want what God wants too and want it more and more and more until life feels abundant and eternal and delicious and drunken with possibility This is a message of stouthearted faith anchored in wonder not false certainty Atheists are welcome Those who feel uneasy inside a church are welcome Those still angry at other Christians are welcome Because no matter what we ve experienced the God who still adores this world is the God of hope inclusion and defiance of the powers that be And for those who are willing to collaborate in the painstaking work of examining our Christian faith and sorting it out the good stuff from the harmful stuff the stuff with integrity from the stuff we simply inherited from family or church or the cultural air we re breathing there await life giving possibilities found nowhere else

verses *Simply Christian* N. T. Wright, 2010-02-09 Why is justice fair Why are so many people pursuing spirituality Why do we crave relationship And why is beauty so beautiful N T Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us For two thousand years Christianity has claimed to answer these mysteries and this renowned biblical scholar and Anglican bishop shows that it still does today Like C S Lewis did in his classic *Mere Christianity* Wright makes the case for Christian faith from the ground up assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular His goal is to describe Christianity in as simple and accessible yet hopefully attractive and exciting a way as possible both to say to outsiders You might want to look at this further and to say to insiders You may not have quite understood this bit clearly yet
