political theory Something Dreadful and Grand explores the larger dimensions of this Irish Jewish unconscious underlying cultural production in America arguing for the centrality of these two diasporic groups to the development of American popular music fiction and especially drama      **The Other Munros** Anne Seth Mitchell-Munro,2023-02-16 This is a true story Following the Scottish Highland Clearances Teenage brothers John and Murdoch Munro headed south across the desolate mountainous regions Their plan was to go Lowlands and seek their fortune With the help of mysterious individuals both succeeded beyond their wildest dream However their voyage through life was not an easy one The opposing experiences of Joy and Sorrow were not strangers to them      Royal Sisters Jean Plaidy,2011-03-01 Two sisters change the course of a nation by forsaking the King their own father England is on the verge of revolution Antagonized by the Catholicism of King James II the people plot to drive him from the throne But at the heart of the plot is a deep betrayal the defection of the daughters James loves Mary and Anne Both raised Protestant according to the wishes of England the sisters support Protestant usurper William of Orange Mary's husband who lusts after the British crown Passive Queen Mary is subservient to her husband's wishes while Anne is desperate to please her childhood friend Sarah Churchill a bold and domineering woman determined to subdue Anne the queen to be and rule England herself Intrigue and political drama run high as the sisters struggle to be reconciled with each other and with the haunting memory of the father they have exiled      **The Cincinnati Lancet-clinic**,1898
