**The Relevance of Bernard Lonergan's Notion of Self-appropriation to a Mystical-political Theology** Ian B. Bell, 2008 In The Relevance of Bernard Lonergan's Notion of Self Appropriation to a Mystical Political Theology Ian Bell takes on the issue of the separation of the interior and exterior lives that has come to dominate mystical theology over the years The mystical life he claims is necessarily involved in the establishment of social structures and institutions that govern human living and the work of Bernard Lonergan on the human subject provides a means by which the connection between the interior and exterior lives may be established Because human persons operate in a consistent pattern regardless of a given moment's particularities mystical experience is no longer relegated to so called spiritual matters and the insights of mystics may be applied to the Christian call to live as agents of

Ward, 2009 In this study of Madame Guyon and her defender Francois de Fénelon the Archbishop of Cambrai Patricia Ward demonstrates how the ideas of these seventeenth century Catholics were transmitted into an ongoing tradition of Protestant devotional literature one that continues to influence American evangelicals and charismatic Christians today Down a winding and fascinating historical path Ward traces how the lives and writings of these two somewhat obscure Catholic believers in Quietism came to such prominence in American spirituality offering in part a fascinating glance at the role of women in the history of devotional writing
