However no one looked beyond the preface and deeper into smundsson s story In 2014 literary researcher Hans de Roos dove into the full text of Makt Myrkranna only to discover that smundsson hadn t merely translated Dracula but had penned an entirely new version of the story with all new characters and a totally re worked plot The resulting narrative is one that is shorter punchier more erotic and perhaps even more suspenseful than Stoker s Dracula Incredibly Makt Myrkranna has never been translated or even read outside of Iceland until now Powers of Darkness presents the first ever translation into English of Stoker and smundsson s Makt Myrkranna With marginal annotations by de Roos providing readers with fascinating historical cultural and literary context a foreword by Dacre Stoker Bram Stoker s great grandnephew and bestselling author and an afterword by Dracula scholar John Edgar Browning Powers of Darkness will amaze and entertain legions of fans of Gothic literature horror and vampire fiction
