Merchant-Ivory Laurence Raw, 2012-03-27 Merchant Ivory Interviews gathers together for the first time interviews made over a span of fifty years with director James Ivory b 1928 producer Ismail Merchant 1936 2005 and screenwriter Ruth Prawer Jhabvala 1927 2013 Beginning with their earliest work in India and ending with James Ivory s last film The City of Your Final Destination 2009 the book traces their career while offering valuable insights into their creative filmmaking process The volume serves as a corrective to the prevailing critical orthodoxy attached to Merchant Ivory s work which tends to regard them as being solely concerned with historically accurate costumes and settings As independent filmmakers they have developed an idiosyncratic approach that resists facile classification Merchant Ivory have insisted on maintaining their independence More importantly this book shows how Merchant Ivory have always taken considerable care in casting their films as well as treating actors with respect This is a deliberate policy designed to bring out one of the triumvirate s principal thematic concerns running throughout their work the impact of the clash of cultures on individuals Partly this has been inspired by their collective experiences of living and working in different cultures They do not offer any answers to this issue

rather they believe that their task is simply to raise awareness to make filmgoers conscious of the importance of cultural sensitivities that assume paramount significance in any exchange whether verbal or nonverbal
