# Madame Sex

**Alfred Lawrence Hall-Quest**

## **Madame Sex:**

*Unmaking Sex* Anne E. Linton, 2022-03-09 During the nineteenth century words like intersex and trans had not yet been invented to describe individuals whose bodies or senses of self conflicted with binary sex But that does not mean that such people did not exist In nineteenth century France case studies filled medical journals high profile trials captured headlines and doctors staked their reputations on sex determinations only to have them later reversed by colleagues While medical experts fought over what separated a man from a woman novelists began to explore debates about binary sex and describe the experiences of gender ambiguous characters Anne Linton discusses over 200 newly uncovered case studies while offering fresh readings of literature by several famous writers of the period as well as long overlooked popular fiction This landmark contribution to the history of sexuality is the first book to examine intersex in both medicine and literature sensitively relating historical hermaphroditism to contemporary intersex activism and scholarship

**Madame Claude** William Stadiem, 2018-05-15 Traces the remarkable life of the head of post World War II Paris most exclusive finishing school tracing her origins as an impoverished Jewish girl from the city of Angers and discussing the controversies that made her one of the world's most wanted women

**Sex, Social Purity, and Sarah Grand: Journalistic writings and contemporary reception** Sarah Grand, Sarah Grand was one of the most prominent New Women of the 1890s and a notable social purity feminist and suffragist This collection offers important insights into the full range of her journalistic output and lesser known fictional writings It also makes available biographical and autobiographical material and previously unpublished manuscript sources The first volume reproduces Grand's articles and the contemporary critical reception of her work The letters in volume two written mostly in the 1920s and 1930s shed light on Grand's genesis as a writer and her interaction with 1890s artistic and feminist circles The third and fourth volumes contain a selection of short stories from three collections published at and after the turn of the century These comment on some of the explosive issues of that time feminism decadence eugenics class race and war They also reflect Grand's exploration of the interplay between gender and genre

**Transatlantic Feminisms in the Age of Revolutions** Lisa L. Moore, Joanna Brooks, Caroline Wigginton, 2012-05-31 This volume brings together an unprecedented gathering of women and men from the Atlantic World during the Age of Revolutions Featuring hard to find writings from colonists and colonized citizens and slaves religious visionaries and scandal dogged actresses these wide ranging selections present a panorama of the diverse vibrant world facing women during the seventeenth and eighteenth centuries An expansive introduction along with rich contextual headnotes makes this an indispensable text for students and scholars of literature history and women's and gender studies With writings from figures like Aphra Behn Phillis Wheatley Thomas Jefferson Mary Wollstonecraft and Toussaint L. Overture to name just a few Transatlantic Feminisms in the Age of Revolutions recovers the revolutionary moment in which women stepped into a globalizing world and imagined themselves free

Observations on the Feeling of the Beautiful and Sublime Immanuel Kant, 2003 Small beautiful classic of

philosophy with new cover      *The Sexuality of History* Susan S. Lanser, 2014-12-05 The period of reform revolution and reaction that characterized seventeenth and eighteenth century Europe also witnessed an intensified interest in lesbians In scientific treatises and orientalist travelogues in French court gossip and Dutch court records in passionate verse in the rising novel and in cross dressed flirtations on the English and Spanish stage poets playwrights philosophers and physicians were placing sapphic relations before the public eye In *The Sexuality of History* Susan S Lanser shows how intimacies between women became harbingers of the modern bringing the sapphic into the mainstream of some of the most significant events in Western Europe Ideas about female same sex relations became a focal point for intellectual and cultural contests between authority and liberty power and difference desire and duty mobility and change order and governance Lanser explores the ways in which a historically specific interest in lesbians intersected with and stimulated systemic concerns that would seem to have little to do with sexuality Departing from the prevailing trend of queer reading whereby scholars ferret out hidden content in closeted texts Lanser situates overtly erotic representations within wider spheres of interest *The Sexuality of History* shows that just as we can understand sexuality by studying the past so too can we understand the past by studying sexuality      *Women's Rights And the French Revolution* Sophie Mousset, 2007 Sent to the guillotine for publishing her Declaration of the Rights of Woman and of the Female Citizen in 1791 Olympe de Gouges advocated rights for women that foreshadowed western societal concerns by 150 years Sophie Mousset's is the first biography of this astonishing little known woman visionary      *The Human Rights Reader* Micheline R. Ishay, 2022-11-01 The third edition of *The Human Rights Reader* presents a variety of new primary documents and readings and elaborates the exploration of rights in the areas of race gender refugees climate Artificial Intelligence drones and cyber security and nationalism and Internationalism In the wake of the Covid 19 crisis it addresses human rights challenges reflected in and posed by global health inequities Each part of the reader corresponds to five historical phases in the history of human rights and explores the arguments debates and issues of inclusiveness central to those eras This edition is the most comprehensive and up to date collection of essays speeches and documents from historical and contemporary sources all of which are placed in context with Micheline Ishay's substantial introduction to the Reader as a whole and context setting introductions to each part and chapter New to the Third Edition 60 new readings and documents cover subjects ranging from human rights in the age of globalization and populism debates of the rights of citizens versus those of refugees and immigrants transgender rights the new Jim Crow and the future of human rights as they relate to digital surveillance the pandemic and bioengineering Part I has been reorganized into three chapters the Secular Tradition Asian and African Religions and Traditions and the Monotheistic Religions Part V has been significantly updated and expanded with the addition of an entirely new chapter Debating the Future of Human Rights Each of the six parts in the book is preceded by an editorial introduction and in four of the parts a separate selection providing the reader with a general background on the history and themes represented in the readings that follow Each part

and several chapters conclude with new Questions for Discussion authored by the volume editor An extensive new online resource includes 62 key human rights documents ranging from the Magna Carta to the United Nations Glasgow Climate Pact

*Bookleggers and Smuthounds* Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics *Bookleggers and Smuthounds* vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America

**Lives of Shakespearian Actors, Part IV, Volume 2** Gail Marshall, Tetsuo Kishi, Christy Desmet, Janice Norwood, 2024-05-17 Features three female actors who were significant in their development of new and innovative ways of performing Shakespeare

*Finding You* by Alyson Belle *Bright and Bubbly* by Alyson Belle *Becoming Hers* by Alyson Belle

**Between the Queen and the Cabby** John Richard Cole, 2011 In *Between the Queen and the Cabby* John Cole provides the first full translation of de Gouges's *Rights of Woman* and the first systematic commentary on its declaration its attempt to envision a non marital partnership agreement and its support for persons of colour Cole compares and contrasts de Gouges's two texts explaining how the original text was both her model and her foil By adding a proposed marriage contract to her pamphlet she sought to turn the ideas of the French Revolution into a concrete way of life for women Further examination of her work as a playwright suggests that she supported equality not only for women but for slaves as well Cole highlights the historical context of de Gouges's writing

going beyond the inherent sexism and misogyny of the time in exploring why her work did not receive the reaction or achieve the influential status she had hoped for. Read in isolation in the gender conscious twenty first century de Gouges's Rights of Woman may seem ordinary. However none of her contemporaries neither the Marquis de Condorcet nor Mary Wollstonecraft published more widely on current affairs so boldly attempted to extend democratic principles to women or so clearly related the public and private spheres. Read in light of her eventual condemnation by the Revolutionary Tribunal her words become tragically foresighted. Woman has the right to mount the Scaffold she must also have that of mounting the Rostrum.

*Abortion, Execution, and the Consequences of Taking Life* James D. Slack, 2017-09-08. This book focuses on the relationship between public morality and personal action in the American political community. It emphasizes the responsibilities of citizens and government to find and confirm truth looking to specific sources: religious scripture and empirical events. Recognizing that we have a natural preference for distraction and distance from both sources of truth, Slack uses qualitative open ended interviews and direct observation to uncover the intimate consequences of life taking in open societies. Abortion and murder capital punishment are instances in which there is a sequence of events that result in life taking. The act of murder denies the sanctity of life of someone else. Abortion and capital punishment also deny the sanctity of the lives of others. The intimacy of life taking is not typically acknowledged or remains hidden. This makes it difficult to assess the consequences for victims survivors and the political community as a whole. As a result there is only a tenuous link between public actions that question the sanctity of human life and the moral compass professed by the American democracy. The volume presumes a theocentric foundation envisioned by the American Founders. It explores the model's first source of truth: biblical scripture as it applies to the public actions of murder abortion and capital punishment. Then it investigates the intimate reality of these acts. These realities are examined in a variety of settings resulting in a mosaic pattern of public action about capital punishment and abortion. Slack underscores the importance of government's role of providing outward justice as well as the citizen's responsibility to be supportive of government tasks in order to reconcile the reality of life taking with the moral compass professed in the American political community.

*Exploring Sexuality and Spirituality*, 2020-10-20. The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today. Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment. This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others. Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge. **Prostitution**

James Elias,1998 How did whoring and hustling begin Can one enjoy the work Why do people pay for sex What is prostitution like in other countries What is the future of prostitution This collection breaks new ground on a sensitive topic by bringing scholars therapists and sex workers together to study not only the profession but those who seek such services Illustrated

*It's Not Our Fault* Alfred Lawrence Hall-Quest,1929 [Female Sexuality and Cultural Degradation in Enlightenment France](#) Mary McAlpin,2016-04-15 In her study of eighteenth century literature and medical treatises Mary McAlpin takes up the widespread belief among cultural philosophers of the French Enlightenment that society was gravely endangered by the effects of hyper civilization McAlpin s study explores a strong thread in this rhetoric of decline the belief that premature puberty in young urban girls supposedly brought on by their exposure to lascivious images titillating novels and lewd conversations was the source of an increasing moral and physical degeneration In how to hygiene books intended for parents the medical community declared that the only cure for this obviously involuntary departure from the natural path of sexual development was the increased surveillance of young girls As these treatises by vitalist and vitalist inspired physiologists became increasingly common in the 1760s McAlpin shows so too did the presence of young vulnerable and virginal heroines in the era s novels Analyzing novels by among others Jean Jacques Rousseau Denis Diderot and Choderlos de Laclos she offers physiologically based readings of many of the period s most famous heroines within the context of an eighteenth century discourse on women and heterosexual desire that broke with earlier periods in recasting female and male desire as qualitatively distinct Her study persuasively argues that the Western view of women s sexuality as a mysterious nebulous force Freud s dark continent has its secular origins in the mid eighteenth century **Eclectic Magazine of Foreign Literature** ,1881 *International Index to Periodicals* ,1929 An author and subject index to publications in fields of anthropology archaeology and classical studies economics folklore geography history language and literature music philosophy political science religion and theology sociology and theatre arts **Conduct Literature for Women, Part II, 1640-1710 vol 5** William St Clair,Irmgard Maassen,2024-10-28 This collection aims to give a chronological insight into the evolution of conduct literature from its early roots in the Renaissance period through to the dramatically different role that women played at the emergence of the 20th century

As recognized, adventure as skillfully as experience more or less lesson, amusement, as skillfully as contract can be gotten by just checking out a ebook **Madame Sex** along with it is not directly done, you could undertake even more in the region of this life, almost the world.

We pay for you this proper as without difficulty as simple showing off to acquire those all. We meet the expense of Madame Sex and numerous ebook collections from fictions to scientific research in any way. in the course of them is this Madame Sex that can be your partner.
