Made In Britain:

100 Places That Made Britain Dave Musgrove, 2011-06-24 In 100 carefully selected places BBC History Magazine editor Dave Musgrove takes us on an unforgettable historical tour through British history from the Roman invasion to 1960s Liverpool Musgrove has asked foremost British historians such as Dominic Sandbrook to nominate the sites they believe to be the most important in our history and has travelled to each place to provide a visitor's point of view alongside the captivating stories that make each one great Covering the length and breadth of the British mainland and two thousand of years of history 100 Places that Made Britain visits renowned sites such as the Tower of London and Runnymede as well as less well known places like Rushton Triangular Lodge in Northamptonshire a three sided three themed house built during the Reformation and designed to represent the Holy Trinity and Jarrow home of the first chronicler of Anglo Saxon Britain The Venerable Bede Each essay adds another layer to our understanding of Britain's story whether it be an advance in politics religion law or culture Bringing the vast history of this small island to life 100 Places that Made Britain is a captivating historical compendium that will have every reader criss crossing the country to explore its myriad treasures [The Computers That Made Britain](#) Tim Danton, 2021-05-28 The home computer boom of the 1980s brought with it now iconic machines such as the ZX Spectrum BBC Micro and Commodore 64 Those machines would inspire a generation and foster the creation of a booming British software industry that continues to this day With the help of hefty government discounts computers worked their way into primary and secondary schools around the country Millions more computers appeared in living rooms and bedrooms around the country For once Britain was ahead of the world helping to create a golden generation of British programmers The Computers That Made Britain tells the story of 19 of those computers and what happened behind the scenes This book is as much a story about each computer's creation as it is about the people that created them Through dozens of interviews with the people who were there discover the tales of missed deadlines technical faults business interference and the unheralded geniuses who brought to the UK everything from the Dragon 32 and ZX81 to the Amstrad CPC 464 and Commodore Amiga This book closes with the story of the Acorn Archimedes which introduced the revolutionary ARM processor that powers smart watches laptops routers mobile phones and the Raspberry Pi to this day [The Naval History of Great Britain](#) William James, 1902 **Britain and Morocco During the Embassy of John Drummond Hay** Khalid Ben-Srhir, 2004-03 Focusing on the life and work of the British representative in Tangier John Drummond Hay this book provides fascinating insights into a critical period in Moroccan history and Moroccan British relations during the nineteenth century *British Foreign Policy 1874-1914* Sneha Mahajan, 2003-08-27 A challenging analysis of British Foreign Policy is provided at a time when Britain possessed the biggest Empire that humankind has ever known In this Empire India had a unique position comprising 97 per cent of Britain's Asiatic Empire All British statesmen deemed it essential to maintain their hold over India whatever the risk or cost of doing so This work focuses on aspects that have been hitherto marginalized

It also contributes to debates surrounding the origins of the First World War the multipolar diplomacy of the late nineteenth century and the nature of imperial connections

Explorations Oranee Jansz, 2006-02-04 The book presents the learners of English with a unique blend of reading speech and thinking activities that encourage them not only to read and speak in English but also to think and write in the language

The Palestinian-Israeli Conflict Martin Bunton, 2013-08-29 The conflict between Palestine and Israel is one of the most highly publicized and bitter struggles in history In this accessible and stimulating Very Short Introduction Martin Bunton clearly explains the history of the problem reducing it to its very essence a modern territorial contest between two nations and one geographical territory Adopting a fresh and original approach each section covers a twenty year span to highlight the historical complexity of the conflict throughout successive decades Each chapter starts with an examination of the relationships among people and events that marked particular years as historical moments in the evolution of the conflict including the 1897 Basle Congress the 1917 Balfour Declaration and British occupation of Palestine and the 1947 UN Partition Plan and the war for Palestine Providing a clear and fair exploration of the main issues Bunton explores not only the historical basis of the conflict but also looks at how and why partition has been so difficult and how efforts to restore peace continue today

The British Empire: Teach Yourself Michael Lynch, 2012-07-27 The teach yourself history series offers a refreshing alternative to dense academic historical books its content being extensive yet written in an accessible and engaging style All titles in this series are informative and compelling Assuming no prior knowledge and full of anecdotes and fascinating details these books will keep the reader hooked from beginning to end At its greatest extent the British Empire covered one quarter of the globe and contained one sixth of the world s population This book considers the fascinating and unique history of the British Empire from its origins and development to its demise and legacy Michael Lynch considers the countries motives and individuals involved with engaging objectivity He pays particular attention to India the Jewel in the Crown and the Scramble for Africa before shifting the focus to the people of the Empire He offers an original and fascinating insight into the lives of the adventurers missionaries settlers and administrators as well as the colonised themselves

[A History of Malta During the Period of the French and British Occupations, 1798-1815](#) William Hardman (of Valetta.), 1909 A collection of English and foreign documents referring to events in the history of Malta during the years from 1792 to 1815

[Compound Containment](#) Dong Jung Kim, 2022-03-07 When does a reigning great power of the international system supplement military containment of a challenging power by restricting its economic exchanges with that state Scholars of great power politics have traditionally focused on examining a reigning power s military containment of a challenging power In direct contrast Compound Containment demonstrates that these conventional studies are flawed without a sound understanding of the multilayered aspects of containment strategy in great power politics Since economic capacity and military power are intimately linked to one another countering a challenging power requires addressing both economic and military dimensions Nonetheless this nexus of security and economy in a reigning power s response to a challenging power cannot be explained by traditional theories that dominate research in international security Author Dong Jung Kim fills a gap in the scholarship on great power competition by investigating when a reigning power will make its military containment of a challenging power compound by simultaneously employing restrictive economic measures Its main theoretical claims are corroborated by an analysis of key historical cases of reigning power challenging power competition This book also offers policy prescriptions for the United States by examining whether the United States is in a position to complement military containment of China with restrictive economic measures

The Story of British Animation Jez Stewart, 2021-08-26 A Sight Sound Book of the Year Jez Stewart charts the course of this extraordinarily fertile area of British film from early experiments with stop motion and the flourishing of animated drawings during WWI He reveals how the rockier interwar period set the shape of the industry in enduring ways and how creatives like Len Lye and Lotte Reiniger brought art to advertising and sponsored films building a foundation for such distinctive talents as Bob Godfrey Alison De Vere and George Dunning to unleash their independent visions in the age of commercial TV Stewart highlights the integral role of women in the industry the crucial boost delivered

by the arrival of Channel 4 the emergence of online animation and much more The book features close up analyses of key animators such as Lancelot Speed and Richard Williams as well as more thematic takes on art politics and music It builds a framework for better appreciating Britain s landmark contributions to the art of animation including Halas and Batchelor s *Animal Farm* 1954 Dunning s *Yellow Submarine* 1968 and the creations of Aardman Animations *Liquidation of Empire* R. Douglas,2002-07-16 In 1945 Britain emerged as one of the Big Three victors of the Second World War Most people in Britain and elsewhere seem to have assumed that the British Empire would endure for a very long time to come Yet within twenty years British power and influence had been enormously reduced This book studies the causes and course of the process

The First World War Hew Strachan,2003-02-06 This is the first truly definitive history of the First World War the war that has done most to shape the twentieth century The first generation of its historians had access to only a limited range of sources and their focus was primarily on military events More recent approaches have embraced cultural diplomatic economic and social history In Hew Strachan s authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative The result is an account that breaks the bounds of national preoccupations to become both global and comparative To Arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it It provides full and pioneering accounts of the war s finances of the war in Africa and of the Central Powers bid to widen the war outside Europe
