Madeleine Takes Command Ethel C. Brill,2016-11-11 WORKING with feverish haste Madeleine selected muskets pistols powder and bullets The sight of a man s hat an old one that had belonged to her father lying on a powder cask gave her an idea She pulled off her linen cap and put on the hat It was not too large over her heavy hair and seen above the pickets it would deceive the Indians She was adjusting powder horn and bullet pouch when Louis and Alexandre ran in with Lavolette at their heels Arm yourselves quickly Madeleine ordered What is your plan Ma m selle the old soldier inquired To defend the seigneury to the last The little children must stay in the blockhouse and their mothers with them That leaves only six of us to guard the palisades We must try to make the Mohawks believe that we have a strong garrison If they attack we can only do our best We are fighting for our people what there are left of them for our country and our faith Let us fight to the death if need be AND SO MADELEINE and her small force begin their harrowing vigil hoping against all hope that help will come in time **Madeleine Takes Command, Etc** Ethel Claire BRILL,1948 **Madeleine Takes Command ...**
