Butler's Lives of the Saints Alban Butler, Paul Burns, 2003 This is indeed true if the saints and blessed collected here share one overarching characteristic it is to have put their love of God to work for their fellow men and women as they saw fit through austerity of life contemplative prayer or myriad embodiments of what we would now call social work They are holy examples to us because they lived and died for others for us BOOK JACKET

From the Salon to the Schoolroom Rebecca Rogers, 2010-11-01 How a nation educates its children tells us much about the values of its people From the Salon to the Schoolroom examines the emerging secondary school system for girls in nineteenth century France and uncovers how that system contributed to the fashioning of the French bourgeois woman Rebecca Rogers explores the variety of schools religious and lay that existed for girls and paints portraits of the women who ran them and the girls who attended them Drawing upon a wide array of public and private sources school programs prescriptive literature inspection reports diaries and letters she reveals the complexity of the female educational experience as the schoolroom gradually replaced the salon as the site of French women's special source of influence From the Salon to the Schoolroom also shows how France as part of its civilizing mission transplanted its educational vision to other settings the colonies in Africa as well as throughout the Western world including England and the United States Historians are aware of the widespread ramifications of Jesuit education but Rogers shows how French education for girls played into the cross cultural interactions

of modern society producing an image of the Frenchwoman that continues to tantalize and fascinate the Western world today
