*Ghost Train Through the Andes* Michael Jacobs, 2006 It was not until long after his grandmother Sophie had died that Michael Jacobs was eventually permitted to read the lengthy and passionate letters that his grandfather Bethel had written her from nine thousand miles away In these letters Jacobs discovered a remarkable story of hardship deprivation and enduring love His grandfather's work on the railway through the Andes was

exhausting and desperately lonely He had little in common with his fellow workers and became consumed by a mounting despondency from which only his love for Sophie could save him But as the months and years of separation passed the world in which Sophie was blossoming appeared more and more remote from his own Michael Jacobs journey back through time takes him from a rain swept Hull churchyard to desolate Antofagasta in Chile and to the former silver capital of Potos Climbing through ghostly lunar like scenery towards the snow capped summits of the Andes he follows the route of his grandfather s railway across giant rocky plateaux through terrifyingly steep gorges and valleys of tropical lushness and past grim mining townships buffeted by winds rain and snow to reveal an extraordinary love story     *Arts & Humanities Citation Index* ,1996     *De beste vriend* Chris Carter,2024-07-02 De beste vriend is de nieuwe serial killer thriller van ThrillZone Award winnaar Chris Carter een bloedstollende pageturner met profiler Robert Hunter in de hoofdrol Na een bizar auto ongeluk op het platteland van Wyoming doet de politie een gruwelijke vondst in een kofferbak De bestuurder zwijgt in alle talen totdat hij uiteindelijk n naam noemt die van Robert Hunter De zaak wordt overgedragen aan de FBI die de hulp inroept van rechercheur Robert Hunter Wanneer Hunter de verdachte verhoort komen er al snel geheimen boven water Langzaam maar zeker wordt de ware identiteit van een meedogenloze moordenaar onthuld iemand die zo ongrijpbaar is dat niemand ook maar enig idee had dat hij bestond Tot nu Carter is cum laude geslaagd Karakters dialogen plot tempo sfeer geloofwaardigheid het klopt allemaal als een zwerende vinger Vrij Nederland over Een voor een     *In the Shadow of King Saul* Jerome Charyn,2018-08-28 Jerome Charyn is one of the most important writers in American literature Michael Chabon Whatever milieu Charyn chooses to inhabit his sentences are pure vernacular music his voice unmistakable Jonathan Lethem With his customary linguistic verve and pulsing imagination Charyn serves up here some of the tastiest essay writing available He knows and loves New York past and present and he draws on a lifetime of raucous experience and dedicated reading for a rich heady satisfying brew Phillip Lopate In the New York Review of Books Joyce Carol Oates expressed her admiration for an equally prolific contemporary Among Charyn s writerly gifts is a dazzling energy He is an exuberant chronicler of the mythos of American life the Los Angeles Times described him as absolutely unique among American writers In these ten essays Charyn shares personal stories about places steeped in history and myth including his beloved New York and larger than life personalities from the Bible and from the worlds of film literature politics sports and the author s own family Together writes Charyn these essays create my own lyrical autobiography Several of the selections are about other writers some celebrated some forgotten All of whom scalped me in some way left their mark Jerome Charyn is the author of more than fifty works of fiction and nonfiction Among other honors Charyn has been named a Commander of Arts and Letters by the French Minister of Culture and received the Rosenthal Family Foundation Award for Fiction from the American Academy of Arts and Letters     *Jamie Vs Norris Nurgin and the Nurgites* Stanleigh Nash,2008-09 A thrilling fantasy novel full of bizarre characters and action packed adventure     *Savage Shorthand* Jerome Charyn,2007-12-18 Hailed as the first

great Soviet writer Isaac Babel was at once a product and a victim of violent revolution In tales of Cossack marauders and flashy Odessa gangsters he perfectly captured the raw edgy mood of the first years of the Russian Revolution Masked reckless impassioned charismatic Babel himself was as fascinating as the characters he created At last in renowned author Jerome Charyn Babel has a portraitist worthy of his quicksilver genius Though it traces the arc of Babel s charmed life and mysterious death *Savage Shorthand* bursts the confines of straight biography to become a meditation on the pleasures torments and meanings of Babel s art Even in childhood Babel seemed destined to leave a mark But it was only when his mentor Maxim Gorky ordered him to go out into the world of revolutionary Russia that Babel found his true voice and subject His tales of the bandit king Benya Krik and the brutal raids of the Red Cavalry electrified Moscow Overnight Babel was a celebrity with throngs of admirers and a train of lovers But with the rise of Stalin Babel became a living ghost Charyn brilliantly evokes the paranoid shadowland of the first wave of Stalin s terror when agents of the Cheka snuffed out artists like candle flames Charyn s chilling account of the circumstances of Babel s death hidden and lied about for decades by Stalin s agents finally sets the record straight For Jerome Charyn Babel is the writer who epitomizes the vibrancy violence and tragedy of literature in the twentieth century In *Savage Shorthand* Charyn has turned his own lifelong obsession with Babel into a dazzling and original literary work **Kalliope** ,1992 Mosaic ,1970 *Out of the Woods* Lyn

Gardner,2011-08-09 The fun fair is in town With its clouds of pink candy floss and whirling big wheel what child could resist such temptation Little do the Eden sisters know that they are being lured into a wicked witch s lair Belladonna wants Aurora s heart and Storm s all powerful musical pipe and she will stop at nothing to get them Driven by vanity and greed she makes a truly formidable adversary After escaping from a deadly game of hide and seek in the enchanted fair our three heroines flee through the woods with several ravenous wolves and a sweet toothed lion hot on their heels Now they face their biggest challenge yet a treacherous journey into the Underworld For only when the pipe has been safely returned to the land of the dead will the Eden sisters truly be out of the woods *Proust Was a Neuroscientist* Jonah Lehrer,2008-09-01 The New York Times bestselling author provides an entertaining look at how artists enlighten us about the workings of the brain New York magazine In this book the author of *How We Decide* and *Imagine How Creativity Works* writes skillfully and coherently about both art and science and about the connections between the two Entertainment Weekly In this technology driven age it s tempting to believe that science can solve every mystery After all it s cured countless diseases and sent humans into space But as Jonah Lehrer explains science is not the only path to knowledge In fact when it comes to understanding the brain art got there first Taking a group of artists a painter a poet a chef a composer and a handful of novelists Lehrer shows how each one discovered an essential truth about the mind that science is only now rediscovering We learn for example how Proust first revealed the fallibility of memory how George Eliot discovered the brain s malleability how the French chef Escoffier discovered umami the fifth taste how C zanne worked out the subtleties of vision and how Gertrude Stein exposed the deep

structure of language a full half century before the work of Noam Chomsky and other linguists More broadly Lehrer shows that there s a cost to reducing everything to atoms and acronyms and genes Measurement is not the same as understanding and art knows this better than science does An ingenious blend of biography criticism and first rate science writing Proust Was a Neuroscientist urges science and art to listen more closely to each other for willing minds can combine the best of both to brilliant effect His book marks the arrival of an important new thinker Wise and fresh Los Angeles Times
