Mademoiselle Maupin:

Encyclopedia of the Romantic Era, 1760-1850 Christopher John Murray, 2004 Review Written to stress the crosscurrent of ideas this cultural encyclopedia provides clearly written and authoritative articles Thoughts themes people and nations that define the Romantic Era as well as some frequently overlooked topics receive their first encyclopedic treatments in 850 signed articles with bibliographies and coverage of historical antecedents and lingering influences of romanticism Even casual browsers will discover much to enjoy here The Top 20 Reference Titles of the Year American Libraries May 2004 *Mademoiselle de Maupin* Theophile Gautier, 2013-01-01 Theophile Gautier s masterpiece Mademoiselle de Maupin might be better known for its lengthy preface than the actual novel itself It is there in which the author discusses art for art s sake arguing that everything useful is ugly The novel itself is a historical romance based on the life of French opera star Julie d Aubigny better known as Mademoiselle Maupin The subject of gossip and many colorful stories during her time Mademoiselle Maupin was known as a first rate swordswoman who often disguised herself as a man In Mademoiselle de Maupin we find a love triangle between Chevalier d Albert a young French Gentleman who struggles with finding a woman that meets his idealistic expectations Rosette whom he engages in an affair with to ease his boredom and the dashing young Theodore who is actually Maupin disguised as a man Mademoiselle de Maupin is an excellent example of the French historical romance which in its time was considered somewhat controversial for its sexually orientated themes by today s standards however it would be considered quite tame The Literature of Lesbianism Terry Castle, 2003 Since the Renaissance countless writers have been magnetized by the notion of love between women This anthology registers that fact in as encompassing and enlightening a way as possible Castle explores the emergence and transformation of the idea of lesbianism **The Irish Metropolitan Magazine** ,1858 **Studies in the Psychology of Sex** Havelock Ellis, 2018-09-21 Reproduction of the original Studies in the Psychology of Sex by Havelock Ellis Mademoiselle de Maupin Théophile Gautier, 19?? **Memoirs of cardinal Dubois [by P. Lacroix] tr. by E. Dowson** P. L. Jacob, Paul Lacroix, 1899 *Studies in the Psychology of Sex (Vol. 1-6)* Havelock Ellis, 2020-07-14 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a

spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained _x000D_ _x000D_ _x000D_
