Madonna Christopher Ciccone,Wendy Leigh,2009-03-03 Ciccone s extraordinary memoir is based on his 47 years of growing up with working with and understanding one of the most famous and controversial woman of our time **Madonna** J. Randy Taraborrelli,2001-09-27 Madonna Megastar Lover Mother Opportunist Chameleon Role model She s all of these things and more Yet who is she really In Madonna An Intimate Biography author J Randy Taraborrelli s scrupulously researched and completely balanced unauthorized biography of one of the world s most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that Madonna An Intimate Biography is the first such book written about the star in over a decade because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material Madonna An Intimate Biography is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother s reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli s latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirringly told **MADONNA: Unstoppable! Madonna is perhaps one of the most consistently transgressive and self transforming artists of the late 20th and early 21st

centuries The recent release of two critically acclaimed and best selling albums and a sold out world tour have renewed media and academic interest in the artist Madonna presents a set of strikingly new challenges to cultural analysis and new developments in Gender Queer and Ethnic studies have shed more light on her entire oeuvre Whilst the contributors do refer to classic cultural theorists such as Baudrillard Zizek Foucault and Barthes new theoretical approaches to Madonna s work feature prominently In view of this the present volume offers new perspectives on Madonna s work to date addressing her configurations of race gender and sexuality and with special emphasis on her resurrection after the Sex backlash in the early 1990s The collection focuses on new Madonna related topics such as Hinduism Judaism Japanese culture All American culture Queer culture Motherhood and her influence on newer girl acts such as the Spice Girls and Britney Spears The book explores the themes of gender sexuality ethnicity and celebrity consumption through the lens of Madonna s songs videos and shows An international array of scholars portrays Madonna s popularisation of the notion that identity is not fixed and can be continuously rearranged and revamped The book should have wide appeal for all those concerned with gender studies cultural studies ethnic studies lesbian and gay musicology as well as popular music studies Madonna Mary Gabriel,2023-10-10 New York Times Editors Choice One of NPR s Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy s store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person s right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna s story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time *Madonna as Postmodern Myth* Georges-Claude Guilbert,2015-10-02 Madonna has long been accepted as a pop culture icon but this text postulates a greater cultural importance by analyzing her as a postmodern myth This work examines how Madonna methodically discovered and constructed herself often rewriting her past the nature and extent of her ambition and the means she used to reach her goals It also details the way in which she organized her own cult borrowing from the gay community devised her artistic output and cunningly targeted different audiences It also studies the fundamental

contradiction virgin or vamp saint or prostitute that fuels Madonna's career and describes how Madonna reflects today's society its contradictions and its attitudes toward sexuality and religion **The Morse Code: Decoding the Career of Iconic Lighting Designer Peter Morse** Vickie Claiborne, Peter Morse, 2025-05-15 The Morse Code Decoding the Career of Iconic Lighting Designer Peter Morse explores key developments and evolving techniques processes and technology within contemporary theatrical lighting design through the career and impact of US lighting designer Peter Morse Peter Morse's career as a lighting designer spans over 50 years He has worked with most of entertainment's biggest artists including Michael Jackson Barbra Streisand Madonna Prince and many more This book documents his firsthand perspective of how the entertainment industry has changed and it features his unique perspective on how the evolution of the lighting industry resulted in an evolution of his design and practice More than a simple biography this book explores the history of contemporary lighting design through Peter's eyes and experience tracing the evolution of technology and trends and how one designer's creativity impacted an industry Each chapter explores the work of a decade and is illustrated with personal interest stories from his collaborations with iconic artists and production photography The Morse Code is a valuable resource for new and experienced lighting designers students of lighting design and those interested in the history of technical theatre

Madonna Mark Bego,2000-07-18 Perhaps the most important female entertainer of the last two decades Madonna Louise Ciccone has led a fascinating life This is her story *Madonna* Andrew Morton,2001 The explosive New York Times bestseller written by the biographer of Princess Diana chronicles the life of one of the most remarkable women of the century This unauthorized biography spans two decades of Madonna's life and ranges from the scandalous to the transcendent revealing the private woman behind the public image of photos Martin's Press May Copyright Libri GmbH All rights reserved

Madonna's Erotica Michael Dango,2023-09-07 Everyone wanted Madonna's 1992 album *Erotica* to be a scandal In the midst of a culture war conservatives wanted it to be proof of the decline of family values The target of conservative loathing gay men reeling from the AIDS epidemic wanted it to be a celebration of a sexual culture that had rapidly slipped away And Madonna herself wanted to sell scandal which is why she released *Erotica* in the same season as her erotic thriller *Body of Evidence* and her pornographic coffee table book simply titled *Sex* But *Erotica* is more sentimental than pornographic This ambivalence over sex is what makes the album crucial both for understanding its time and for navigating culture a generation later As queer politics were transitioning from sexual liberation to civil rights like same sex marriage Madonna tried to do both Her songs proved formative for works of queer theory which emerged in the academy at the same time as the album And *Erotica* was and is central to a developing consciousness about cultural appropriation In this book Michael Dango considers *Erotica* and its legacy by drawing both on the intellectual traditions at the center of today's hysteria over critical race theory and don't say gay and on his own experiences as a gay man too young to know the original carnage of AIDS and too old to grow up assuming he could get married Madonna offered up *Erotica* as a key entry in the 1990s culture wars Her album speaks all the more urgently to the culture wars of today **Variety and Daily Variety Television Reviews,**
