**Madonnas and Magdalens** Eric Trudgill, 1975 Surveys the sources evolution and literary and journalistic expressions of Victorian middle class attitudes toward sex nudity and woman noting gaps when they occur between attitude and actual behavior *Madonnas and Magdalens* Eric Trudgill, 1972

**Madonnas and Magdalens: the Origins and Development of Victorian Sexual Attitudes in Literature and Society** Eric Trudgill, 1976

Nostalgic Postmodernism Christian Gutleben, 2021-10-18 Why do so many contemporary British novels revert to the Victorian tradition in order to find a new source of inspiration What does it mean from an ideological point of view to build a modern form of art by resurrecting and recycling an art of the past From a formal point of view what are the aesthetic priorities established by these postmodernist novels Those are the main questions tackled by this study intended for anybody interested in the aesthetic and ideological evolution of very recent fiction What this analysis ultimately proposes is a reevaluation and a redefinition of postmodernism such as it is illustrated by the British novels which paradoxically both praise and mock honour and debunk imitate and subvert their Victorian models Unashamedly opportunistic and deliberately exploiting the spirit of the time this late form of postmodernism cannibalizes and reshapes not only Victorianism but all the other previous aesthetic movements including early postmodernism

**Histories of Sexuality** Stephen Garton, 2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have vast and diverse historical scholarship on sex and sexuality *Histories of Sexuality* highlights the key historical moments and issues pederasty and cultures of male passivity in ancient Greece and Rome the impact of early Christianity and ideals of renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson

The Sight of Sound Richard D. Leppert, 1993 Leppert's originality is immensely encouraging to those of us who are convinced that musicology is undergoing a paradigmatic change Derek B Scott author of *The Singing Bourgeois* A wonderfully stimulating book Will be of great importance to musicologists and students of culture generally Ruth Solie editor of *Musicology and Difference* *Common Prostitutes and Ordinary Citizens* J. Laite, 2011-12-02 Between 1885 and 1960 laws and policies designed to repress prostitution dramatically shaped London's commercial sex industry This book examines how laws translated into street level reality explores how women who sold sex experienced criminalization and charts the complex dimensions of the underground sexual economy in the modern metropolis

The Gentleman's Daughter Amanda

Vickery,2003-08-11 Based on a study of the letters diaries and account books of over 100 women from commercial professional and gentry families mainly in provincial England this book provides an account of the lives of genteel women in Georgian times

**Negotiating Sexual Idioms** Marie-Luise Kohlke,Luisa Orza,2008 Negotiating Sexual Idioms Image Text Performance affords new theoretical approaches and insights into the complexity of sexual discourse pervading contemporary cultures exploring sexuality s role in dominant conceptualisations of self and society in patterns of political belonging and exclusion and in societal transformations Opening with a substantial critical introduction this collection of twelve essays and creative pieces contributes to significant current debates regarding sexual rights and their violation queer theory and identity politics sexual fantasy formations and strategies of pleasure and the celebration of sexual diversity topics explored through a variety of disciplinary frameworks including gender and film studies religious philosophy neo Victorian and postcolonial literature sociology pornography and performance art The volume positions the subjects of sex and sexuality as crucial to our ethical understanding of the human both in individual and communal terms exploring how claims for sexual subjectivity and citizenship are formulated and the entitlements they entail The analytical insights offered signal important new directions for critical engagement with the socio political construction of sexuality and its strategic deployment within the cultural imaginary Designed to appeal equally to scholars students and general readers Negotiating Sexual Idioms will prove essential reading for those interested in multi disciplinary approaches to reading sex and sexuality within inter cultural contexts from the early modern period to the present day

Demographic Transition Theory John C. Caldwell,2007-09-21 This book has a strong theoretical focus and is unique in addressing both mortality and fertility over the full span of human history It examines the demographic transition in the change in the human condition from high mortality and high fertility to low mortality and low fertility It asks if fluctuating populations is a new phenomenon or if there has long been an inherent tendency in Man to maximize survival and to control family size

**Governing Morals** Alan Hunt,1999-08-13 This evocative and broad ranging book traces the history of moral regulation in Britain and the US from the late seventeenth century to the present day Specific coverage is given to movements such as the Society for the Reformation of Manners and the Vice Society the sexual abuse and anti pornography movements and contemporary self help movements Hunt argues that the main impetus for moral regulations often stems from the middle classes rather than those with institutional power but most significantly they provide classic instances of the intimate link between the governance of others and the governance of the self Using the work of Foucault this book analyses how projects of self regulation can manifest themselves into the regulation of others Concurrent with this is the rise of health discourses which play a central role in contemporary discussions of moral governance

From Sensation to Society Natalie Schroeder,Ronald A. Schroeder,2006 From Sensation to Society tracks the evolution of Mary Elizabeth Braddon s critique of Victorian marriage in the early phase of her long and prolific novel writing career The study begins with Braddon s two famous sensational novels Lady Audley s Secret 1862 and Aurora Floyd 1863 it

ends with her first novel of society *The Lady's Mile* 1865 In the novels of this period Braddon proved herself to be a relentless critic of the patriarchal powers and privileges that determined the conditions of marriage for women As she depicted in the lurid excesses of sensationalism at its worst marriage for women amounted to a sentence of cruel and unjust imprisonment in a world of insanely distorted values Subsequent novels rigorously dissect the contradictions in the Victorian ideal of middle class marriage and dramatize how the conditions of marriage undermine marital happiness and result in the compromise of marital fidelity An advocate of moderate reform Braddon offers alternative models of marriage in which companionate harmony prevails Natalie Schroeder and Ronald A Schroeder are Professors in the English department at the University of Mississippi

*George Eliot and Herbert Spencer* Nancy L. Paxton, 2014-07-14 This analysis of the writings of two major Victorian intellectuals examines the crucial place of gender in the larger Victorian debate about nature religion and evolutionary theory Demonstrating the primacy of Herbert Spencer's influence on George Eliot's thought Nancy Paxton discloses the continuous dialogue between this profoundly learned novelist and one of the most formidable and influential scientific authorities of her time Using rarely cited first editions of Spencer's published works Paxton reveals that Eliot and Spencer initially agreed in supporting several of the goals of early Victorian feminism when they met in 1851 Paxton surveys all of Spencer's writing to show when and why he repudiated his early feminism and demonstrates Eliot's determined resistance to the most conservative tendencies of evolutionary theory in her representation of female sexuality motherhood feminist ambition and desire In comparing Eliot's and Spencer's evolutionary reconstruction of gender the book draws on a wide variety of biographical literary and critical texts and on interdisciplinary scholarship about the relation between scientific and literary discourse in the nineteenth century By thus reassessing Eliot's contribution to feminist thought it presents a revolutionary reading of her novels which is informed by contemporary feminist criticism and the new historicism This is an important book because of the questions it raises the issues it covers and the illumination it brings to Eliot and Spencer and to crucial problems in the nineteenth century Paxton looks at the ways scientific data get turned into arguments about the nature of women in society about women and education about women and sexuality This work shows how truly current Eliot's novels are no matter what their setting Barry Qualls Rutgers University Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Marked Women** Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in *Pretty Woman* So did Jodie Foster in *Taxi Driver* Jane Fonda in *Klute* Anna Karina in *Vivre sa vie* Greta Garbo in *Anna Christie* and Charlize Theron who won an Academy Award for *Monster* This engaging and generously illustrated study

explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy *The Happy Hooker* for example is the liberated woman whose only goal is to give as much pleasure as she receives while the *Avenger* a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men *The Love Story* a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions

### **The Politics of Nursing**

**Knowledge** Anne Marie Rafferty, 2002-09-11 *The Politics of Nursing Knowledge* puts into context the historical factors which have shaped and sometimes limited the development of nurse education Anne Marie Rafferty makes a critical reappraisal of Florence Nightingale's vision of nursing and looks at how training and policy making have evolved from the origins of hospital reform in the 1860s to the start of the National Health Service in 1948 Highlighting the contemporary issues confronting all those in training the book questions the extent to which nursing fits into the mould of both a profession and an academic discipline Based on substantial new research *The Politics of Nursing Knowledge* is a valuable resource for nursing students at undergraduate and postgraduate levels

*Mary Magdalen* Susan Haskins, 2011-09-30 A dramatic thought provoking portrait of one of the most compelling figures in early Christianity which explores two thousand years of history art and literature to provide a close up look at Mary Magdalen and her significance in religious and cultural thought

*Elizabeth Gaskell* Patsy Stoneman, 2016-05-16 Offering a combination of psychoanalytic and political analyses of Elizabeth Gaskell's work this title also presents direct and accomplished chapters on each of the major novels as well as the major themes in Gaskell's work

*Atlantic Republic* Paul Giles, 2006-11-23 *Atlantic Republic* traces the legacy of the United States both as a place and as an idea in the work of English writers from 1776 to the present day Seeing the disputes of the Reformation as a precursor to this transatlantic divide it argues that America has operated since the Revolution as a focal point for various traditions of dissent within English culture By ranging over writers from Richard Price and Susanna Rowson in the 1790s to Angela Carter and Salman Rushdie at the turn of the twenty first century the book argues that America haunts the English literary tradition as a parallel space where ideology and aesthetics are configured differently

Consequently it suggests many of the key episodes in British history parliamentary reform in the 1830s the imperial designs

of the Victorian era the twentieth century conflict with fascism the advance of globalization since 1980 have been shaped by implicit dialogues with American cultural models Rather than simply reinforcing the benign myth of a special relationship Paul Giles considers how various English writers over the past 200 years have engaged with America for various complicated reasons its promise of political republicanism Byron Mary Shelley its emphasis on religious disestablishment Clough Gissing its prospect of pastoral regeneration Ruxton Lawrence its vision of scientific futurism Huxley Ballard The book also analyses the complex cultural relations between Britain and the United States around the time of the Second World War suggesting that writers such as Wodehouse Isherwood and Auden understood the United States and Germany to offer alternative versions of the kind of technological modernity that appeared equally hostile to traditional forms of English culture The book ends with a consideration of ways in which the canon of English literature might appear in a different light if seen from a transnational rather than a familiar national perspective

**Erotic Faith** Robert M. Polhemus, 1995-03 In this profoundly original and far reaching study Robert M Polhemus shows how novels have helped to make erotic love a matter of faith in modern life Erotic faith Polhemus argues is an emotional conviction ultimately religious in nature that meaning value hope and even the possibility of transcendence can be found in love Drawing on a wide range of disciplines Polhemus shows the reciprocity of love as subject the novel as form and faith as motive in important works by Jane Austen Walter Scott the Brontës Dickens George Eliot Trollope Thomas Hardy Joyce D H Lawrence Virginia Woolf and Samuel Beckett Throughout Polhemus relates the novelists representation of love to that of such artists as Botticelli Vermeer Claude Lorrain Redon and Klimt Juxtaposing their paintings with nineteenth and twentieth century texts both reveals the ways in which novels develop and individualize common erotic and religious themes and illustrates how the novel has influenced our perception of all art

**Culture and Adultery** Barbara Leckie, 2015-09-14 Adultery it is often assumed was not a major concern of English culture during the Victorian age and the apparent absence of adultery indeed of all explicit representations of sexuality in turn made censorship for obscene libel unnecessary Very few writers conventional wisdom has it were bold enough to defy the powerful implicit constraints imposed upon literary production If we find no English Anna Karenina or Madame Bovary Barbara Leckie nevertheless demonstrates that adultery preoccupied English culture during this period After the Matrimonial Causes Act of 1857 was passed adultery was prominently discussed in the Divorce Court Transcriptions of divorce trials were an immensely popular front page feature of almost all daily newspapers for more than fifty years At the same time as narratives of adultery stood at the center of sensation novels such as Mary Elizabeth Bradden's The Doctor's Wife literary reviews and cultural debates strongly encouraged serious novelists to avoid the topic In Culture and Adultery Leckie mines novels newspapers court and Parliamentary records to explore several related sets of issues How first did adultery become visible in the public sphere in the second half of the nineteenth century Why conversely has the discursive history of adultery been deemphasized in the English critical tradition And how is the history of the Victorian and early

twentieth century English novel revised when the culture's concern with adultery and censorship are reintroduced
