The Madonnas of Leningrad Debra Dean, 2006-03-14 In this sublime debut novel set amid the horrors of the siege of Leningrad in World War II a gifted writer explores the power of memory to save and betray The Mirrored World Debra Dean, 2012-08-28 The critically acclaimed author of The Madonnas of Leningrad Elegant and poetic the rare kind of book that you want to keep but you have to share Isabel Allende Debra Dean returns with The Mirrored World a breathtaking novel of love and madness set in 18th century Russia Transporting readers to St Petersburg during the reign of Catherine the Great Dean brilliantly reconstructs and reimagines the life of St Xenia one of Russia's most revered and mysterious holy figures in a richly told and thought provoking work of historical fiction that recounts the unlikely transformation of a young girl a child of privilege into a saint beloved by the poor **Lost Souls of Leningrad** Suzanne Parry, 2025-07-30 From the tyranny of Stalin through the desperation of World War II this is a story of struggle and survival of devotion duty and family and of love lost and sometimes found again June 1941 Hitler's armies race toward vulnerable Leningrad In a matter of weeks the Nazis surround the city cut off the food supply and launch a vicious bombardment Widowed violinist Sofya Karavayeva and her teenage granddaughter Yelena are cornered in the crumbling city On Leningrad's outskirts Admiral Vasili Antonov defends his homeland and fights for a future with Sofya Meanwhile Yelena's soldier fianc transports food across the Ice Road part of the desperate effort to save Leningrad With their help the two women inch toward survival but the war still exacts a steep personal price even as Sofya's reckoning with a family secret threatens to finish what Hitler started Equal parts war epic family saga and love story Lost Souls of Leningrad brings to vivid life this little known chapter of World War II in a tale of two remarkable women grandmother and granddaughter separated by years and experience but of one heart in their devotion to each other and the men they love Neither the oppression of Stalin nor the brutality of Hitler can destroy their courage compassion or will in this testament to resilience **The Book of Old Ladies** Ruth O. Saxton, 2025-07-30 This is a book that champions older women s stories and challenges the limiting outcomes we seem to hold for them The Book of Old Ladies introduces readers to thirty stories featuring fictional women of a certain age who increasingly become their truest selves Their stories will entertain and provide insight into the stories we tell ourselves about the limits and opportunities of aging A celebration of women who push back against the limiting stereotypes regarding older women s possibility The Book of Old Ladies is a book lover s guide to approaching old age and dealing with its losses while still embracing beauty creativity connection and wonder My Name Is Mary Sutter Robin Oliveira, 2010-05-13 An enthralling historical novel about a young woman's struggle to become a doctor during the Civil War In this stunning first novel Mary Sutter is a brilliant head strong midwife from Albany New York who dreams of becoming a surgeon Determined to overcome the prejudices against women in medicine and eager to run away from her recent heartbreak Mary leaves home and travels to Washington D C to help tend the legions of Civil War wounded Under the guidance of William Stipp and James Blevens two surgeons who fall

unwittingly in love with Mary's courage will and stubbornness in the face of suffering and resisting her mother's pleas to return home to help with the birth of her twin sister s baby Mary pursues her medical career in the desperately overwhelmed hospitals of the capital Like Charles Frazier's Cold Mountain and Robert Hicks's The Widow of the South My Name Is Mary Sutter powerfully evokes the atmosphere of the period Rich with historical detail including marvelous depictions of Lincoln Dorothea Dix General McClellan and John Hay among others and full of the tragedies and challenges of wartime My Name Is Mary Sutter is an exceptional novel And in Mary herself Robin Oliveira has created a truly unforgettable heroine whose unwavering determination and vulnerability will resonate with readers everywhere The Readers' Advisory Guide to Historical Fiction Jennifer S. Baker, 2015 Whether set in ancient Egypt Feudal Japan the Victorian Age or Civil War era America historical fiction places readers squarely at the center of fascinating times and places making it one of the most popular genres in contemporary publishing The definitive resource for librarians and other book professionals this quideProvides an overview of historical fiction s roots highlighting foundational classics and explores the genre in terms of its scope and styleCovers the latest and most popular authors and titlesDiscusses appeal characteristics and shows how librarians can use a reader s favorite qualities to make suggestions Includes lists of recommendations with a compendium of print and web based resourcesOffers marketing tips for getting the word out to readersEmphasizing an appreciation of historical fiction in its many forms and focusing on what fans enjoy this guide provides a fresh take on a durable genre

Toward the Geopolitical Novel Caren Irr,2013-12-17 Caren Irr s survey of more than 125 novels outlines the dramatic resurgence of the American political novel in the twenty first century She explores the writings of Chris Abani Susan Choi Edwidge Danticat Junot D az Dave Eggers Jeffrey Eugenides Aleksandar Hemon Hari Kunzru Dinaw Mengestu Norman Rush Gary Shteyngart and others as they rethink stories of migration the Peace Corps nationalism and neoliberalism revolution and the expatriate experience Taken together these innovations define a new literary form the geopolitical novel More cosmopolitan and socially critical than domestic realism the geopolitical novel provides new ways of understanding crucial political concepts to meet the needs of a new century The Politics of Dementia Irmela Marei Krüger-Fürhoff, Nina Schmidt, Sue Vice, 2021-11-22 Memory loss is not always viewed purely as a contingent neurobiological process present in an ageing population rather it is frequently related to larger societal issues and political debates This edited volume examines how different media and genres novels auto biographical writings documentary as well as fictional films and graphic memoirs represent dementia for the sake of critical explorations of memory trauma and contested truths In ten analytical chapters and one piece of graphic art the contributors examine the ways in which what might seem to be the individual ahistorical diseases of dementia are used in contemporary cultural texts to represent and respond to violent historical and political events ranging from the Holocaust to postcolonial conditions all of which can prove difficult to remember Combining approaches from literary studies with insights from memory studies trauma studies anthropology the critical medical

humanities and media film and comics studies this volume explores the politics of dementia and incites new debates on cultures of remembrance while remaining attentive to the lived reality of dementia After Memory Matthias Schwartz, Nina Weller, Heike Winkel, 2021-06-08 Even seventy five years after the end of World War II the commemorative cultures surrounding the War and the Holocaust in Central Eastern and South Eastern Europe are anything but fixed The fierce debates on how to deal with the past among the newly constituted nation states in these regions have already received much attention by scholars in cultural and memory studies The present volume posits that literature as a medium can help us understand the shifting attitudes towards World War II and the Holocaust in post Communist Europe in recent years These shifts point to new commemorative cultures shaping up after memory Contemporary literary representations of World War II and the Holocaust in Eastern Europe do not merely extend or replace older practices of remembrance and testimony but reflect on these now defunct or superseded narratives New narratives of remembrance are conditioned by a fundamentally new social and political context one that emerged from the devaluation of socialist commemorative rituals and as a response to the loss of private and family memory narratives The volume offers insights into the diverse literatures of Eastern Europe and their ways of depicting the area's contested heritage **The Author Event Primer** Chapple Langemack, 2007-01-30 Author events are a great way to build excitement and interest in books and reading Now you can successfully plan and host author visits This guide covers every step from why you should hold author events and how your organization can benefit to such logistics as selecting an author choosing the type of event and venue publicity set up escorting crowd control and managing the autograph line Filled with practical tips proven techniques and anecdotes this book will inspire you and get you through your author events with flying colors Author events are a great way to build excitement and interest in books and reading With this guide in hand you can easily and successfully plan and host author visits The primer covers every step It begins by explaining why you should hold author events and how your organization can benefit It then goes on to such logistics as selecting an author choosing the type of event and venue publicity setup escorting crowd control and managing the autograph line Filled with practical tips proven techniques and engaging anecdotes this book will inspire you and get you through your author events with flying colors **Fictions of Dementia** Susanne Katharina Christ, 2022-09-20 Taking its cues from both classical and post classical narratologies this study explores both forms and functions of the representation of dementia in Anglophone fictions Initially dementia is conceptualised as a narrative epistemological paradox The more those affected know what it is like to have dementia the less they can tell about it Narrative fiction is the only discourse that provides an imaginative glimpse at the subjective experience of dementia in language The narratological modelling of four narrative modes elaborates how the paradox becomes productive in fiction Depending on the narrative perspective taken but also on the type of narration the technique for representing consciousness and the epistemic strategy of narrating dementia the respective narrative modes come with different prerequisites and possibilities for narrating dementia The analysis of four

contemporary Anglophone dementia fictions based on the developed model reveals their potential functions Fiction allows readers to learn about the challenges of dementia grants them perspective taking it trains cognitive flexibility and explores the meaning of memory knowledge narrative and imagination and thus also offers trajectories of a cultural coping with Voices of World War II Priscilla Roberts, 2012-08-22 Drawing together a wide variety of primary source documents from across the United States Europe and Asia this book illuminates the events and experiences of World War II the most devastating war in human history World War II was the most destructive and disruptive war ever a global conflict that in one way or another affected the lives of people across the planet Voices of World War II Contemporary Accounts of Daily Life coalesces a wide variety of primary source documents drawn from across the United States Europe and Asia Supplemented by interpretive material that enables readers to analyze them assess their impact and significance and place them in context to comparable situations today the documents provide rare insights into World War II Expert commentaries and additional information on these texts enable a greater understanding of the background to these documents providing valuable training in learning to interpret assess and evaluate historical sources Intended primarily for upper level high school and undergraduate level history students general readers will also appreciate the variegated array of primary material from World War II which depicts numerous aspects of the conflict often in extremely personal terms When Paris Went Dark Ronald C. Rosbottom, 2024-09-24 The spellbinding and revealing chronicle of the Nazi occupation of Paris during World War II When Paris Went Dark The City of Light Under German Occupation 1940 1944 resonated eerily with 2017 America This book is a compelling sobering warning about the dangers of complacency in the face of intolerance Celeste Ng Wall Street Journal On June fourteen 1940 German tanks entered a silent and nearly deserted Paris Eight days later France accepted a humiliating defeat and foreign occupation Subsequently an eerie sense of normalcy settled over the City of Light Many Parisians keenly adapted themselves to the situation even allied themselves with their Nazi overlords At the same time amidst this darkening gloom of German ruthlessness shortages and curfews a resistance arose Parisians of all stripes Jews immigrants adolescents communists rightists cultural icons such as Colette de Beauvoir Camus and Sartre as well as police officers teachers students and store owners rallied around a little known French military officer Charles de Gaulle When Paris Went Dark evokes with stunning precision the detail of daily life in a city under occupation and the brave people who fought against the darkness Relying on a range of resources memoirs diaries letters archives interviews personal histories flyers and posters fiction photographs film and historical studies Rosbottom has forged a groundbreaking book that will forever influence how we understand those dark years in the City of Light A riveting account of one of the most resonant hostage takings in history An intimate sweeping narrative astute in its insight and chilling in its rich detail Stacy Schiff author of Cleopatra Rigorously researched and deeply compelling Rosbottom strikes a perfect tone that is neither too scholarly nor too familiar and produces a chronicle that edifies as it entertains Malcom Forbes Minneapolis StarTribune

Paper Hearts Debrah Williamson, 2007-08-07 From the acclaimed author of Singing With the Top Down comes a poignant tale about makeshift families and the healing power of friendship Fifteen year old runaway Chancy Deel arrives in the picture perfect town of Wenonah Oklahoma needing a helping hand It's just her luck to get it from a cranky old man named Max Boyle who is hardly the answer to her dreams After losing his beloved wife Max has only his dog Alfie and his home of fifty years to hang on to and now Adult Protective Services is convinced he can t manage on his own Max would rather end it all than resort to assisted living So when he finds a throwaway kid sleeping in his garage Max seizes one last chance for both of them Giving Chancy a home just might prevent him from losing his In securing a place to live these two solitary souls will discover something much rarer a place to belong and a heart to care Debrah Williamson creates characters who are spunky flawed courageous loveable and above all real Lisa Wingate author of Tending Roses The Miracles of Prato Laurie Albanese, Laura Morowitz, 2009-01-27 A gorgeously imagined tale of a brilliant and tortured artist and a young nun The Miracles of Prato is a breathtaking story of undying devotion both spiritual and sensual set at the height of the Italian Ruins Odai Johnson, 2018-10-10 Much of the theater of antiquity is marked by erasures missing origins Renaissance broken genres fragments of plays ruins of architecture absented gods remains of older practices imperfectly buried and ghosting through the civic productions that replaced them Ruins Classical Theater and Broken Memory traces the remains the remembering and the forgetting of performance traditions of classical theater. The book argues that it is only when we look back over the accumulation of small evidence over a thousand year sweep of classical theater that the remarkable and unequaled endurance of the tradition emerges In the absence of more evidence Odai Johnson turns instead to the absence itself pressing its most legible gaps into a narrative about scars vanishings erasures and silence all the breakages that constitute the ruins of antiquity In ten wide ranging case studies theater history and performance theory are brought together to examine the texts artifacts and icons left behind reading them in fresh ways to offer an elegantly written extended meditation on how the aesthetic of ruins offered a model for an ideal that dislodged and ultimately stood in for the historic Alzheimer's Disease in Contemporary U.S. Fiction Cristina Garrigós, 2021-07-28 This volume seeks to bring readers to a deeper understanding of contemporary cultural and social configurations of Alzheimer's disease by analyzing 21st century U S novels in which the disease plays a key narrative role Via analysis of selected works Garrig s considers how the erasure of memory in a person with Alzheimer's affects our idea of the identity of that person and their sense of belonging to a group Starting out from three different types of memory individual social and cultural the study focuses on the narrative strategies that authors use to configure how the disease is perceived and represented This study is significant not only because of what the texts reveal about those with Alzheimer's but also for what they say about us about the authors and readers who are producing and consuming these texts about how we see this disease and what our attitudes to it say about contemporary U S society **Cultural Conceptualizations in Translation and Language Applications** Barbara

Lewandowska-Tomaszczyk, 2020-04-08 The book comprises a selection of 14 papers concerning the general theme of cultural conceptualizations in communication and translation as well as in various applications of language Ten papers in first part Translation and Culture cover the topics of a cognitive approach to conceptualizations of Source Language versus Target Language texts in translation derived from general language media texts and literature The second part Applied Cultural Models comprises four papers discussing cultural conceptualizations of language in the educational context particularly of Foreign Language Teaching in online communication and communication in deaf communities The Diseased Brain and the Failing Mind Martina Zimmermann, 2020-06-25 This book is available as open access through the Bloomsbury Open programme and is available on www bloomsburycollections com It is funded by The Wellcome Trust The Diseased Brain and the Failing Mind charts changing cultural understandings of dementia and alzheimer s disease in scientific and cultural texts across the 20th Century Reading a range of texts from the US UK Europe and Japan the book examines how the language of dementia regarding the loss of identity loss of agency loss of self and life is rooted in scientific discourse and expressed in popular and literary texts Following changing scientific understandings of dementia the book also demonstrates how cultural expressions of the experience and dementia have fed back into the way medical institutions have treated dementia patients The book includes a glossary of scientific terms for non specialist readers **Grabbed** Richard Blanco, 2020-10-06 A gender inclusive anthology of poetry and prose that addresses the physical and psychological act of being grabbed or in any way assaulted The MeToo movement the infamous Access Hollywood tape and the depraved and hypocritical actions of celebrities politicians CEOs and other powerful people have caused people all over the nation to speak out in outrage to express allegiance for the victims of these assaults and to raise their voices against a culture that has allowed this behavior to continue for too long The editors asked writers and poets to add to the conversation about what being grabbed means to them in their own experience or in whatever way the word grabbed inspired them What they received are often searing heart rending works ranging in topic from sexual misconduct to racial injustice from an unwanted caress to rape expressed in powerful beautifully crafted prose and poetry The writers represented here some very well known such as Rita Dove Jericho Brown Eileen Miles Ana Menendez and Sapphire as well as some newer voices not yet fully discovered have mined their collective experiences to reveal their most vulnerable moments and in some cases to narrate moments that they have had previously been unwilling or unable to speak of What results is a collection of emotional hard hitting pieces that speak to the aftermath of violation whether mental emotional or physical
