Linda Castillo, 2016-05-16 Re read Book 2 in the romantic suspense series Operation Midnight by New York Times bestselling author Linda Castillo Special Agent Jake Vanderpol swore he'd buried all tender feelings for Leigh Michaels Until he learned that the arms dealer she'd testified against six years ago had escaped Suddenly the memories were back memories of urgent kisses in hiding But after what happened would she trust him to save her Danger just exploded from her past with the same raw male power that first drew Leigh to her former agent protector Then Jake used her as bait to get his man and she'd fled into witness protection Now a killer wants revenge But who will shield her heart from the only man she'd ever let touch her body and soul Originally published in 2005 **Andalusian in Jerusalem** MOIS BENARROCH, 2018-01-15 Mois Benarroch is

an intriguing and unique writer A writer must follow his books his readers his words Otherwise he's unforgivable That's why I wandered about the streets of Jerusalem as if my book were leading me somewhere as if I had no choice but to follow my words I followed my words and my words chased me The words I spoke in class when I was eight lacking much sense without clearly understanding why in the school in Lucena at the end of the world I'm a Jew just as I said it to my best friend in secret a secret which lasted half a morning before the whole class knew it and one day longer before it was on everybody's lips from students to headmaster My intimate friend I think his name was Raul said to me I knew it Which I couldn't understand how could he know it if I had invented it But everybody knew it the very same day that is everybody told me they knew I was an odd guy

As their caring for each other grew to mutual love court rulings and a surprise confession of guilt freed up the couple to plan marriage and the serving of the people on the Horse Creek Reservation Then tragedy struck The lawyer who obtained a reversal of the sham rape conviction against the innocent Charlie and helped fight the murder charge when hanging around Charlie Red Tail s neck was himself a victim of the prejudice and hate of some in Indian Mound County who again took their sense of justice into their own hands The young couple vowed to be as strong as their love and pursue dreams of better life than the past had been for each of them and those who stood by their sides during the hardships suffered Escape James R. The 15 contributions in the present collection can be divided roughly into three groups 1 Papers directly following up functional stylistics and the theory of language culture elaborated in the classical period of the Prague Linguistic School 2 Papers concerning the problems of style in a wider communicative arena These contributions are closely related to contemporary text linguistics and also deal with problems involving psycholinguistics sociolinguistics and semiotics 3 Papers having at least in some part a pronounced historiographic character These contributions reflect the fact that contemporary Czech linguistic research is firmly anchored in the Prague linguistic tradition Although the authors' frame of reference is mainly Czech and the current language situation in the Czech Republic the majority of contributions were intended to have a more general linguistic character and general linguistic validity **Escape from Vichy** Eric T.
