*The Madwoman's Underclothes* Germaine Greer, 1994-01-10 Always strong and fearless Germaine Greer strikes right at the heart of the matter be it John F Kennedy and vaginal deodorants rape and artificial insemination cosmetic surgery the death of Jimi Hendrix or the famine in Ethiopia This collection represents a mosaic of essays long and short some of which are appearing for the first time in print and all of which chafe the conventional and are bristling with argument From the youthful liveliness of her sixties pieces which got up everybody s nose to the depth and complexity of her later work *The Madwoman's Underclothes* is a reflection both of an era and of the changing ideas and styles of Germaine Greer The essays on Brazil Cuba and Ethiopia represent my coming of age Something like a coherent system of values is beginning to emerge after my years of wandering although I have certainly not arrived at a set of articles of faith and never will I hope Greer s opinions on social political and sexual trends and mores are tendered in her unique fashion outspoken with rapier wit and no tolerance for narrow mindedness But as explosive angry and often funny as these essays are they also reveal tenderness and sadness and that emotion that underlies all of Greer s work passionate commitment

**The Madwoman's Underclothes** Germaine Greer, 1986

**The Madwoman's Underclothes** Germaine Greer, 1990 A collection of essays on topics ranging from John F Kennedy to artificial insemination and cosmetic surgery to the famine in Ethiopia

*The Madwoman's Underclothes* Germaine Greer, 1987

**Instruments of Desire** Steve Waksman, 2001-05-02 This work ranges across the history of the electric guitar by focusing on key performers such as Charlie Christian Chet Atkins Muddy Waters Chuck Berry Jimi Hendrix Led Zeppelin who have shaped the use meaning of the instrument

**Germaine Greer, Celebrity Feminism and the Archive** Anthea Taylor, 2024-11-29 Germaine Greer Celebrity Feminism and the Archive the first scholarly book on this internationally renowned feminist draws upon Greer s largely unexplored archive to demonstrate her impact on readers and viewers since the 1970s Across many decades in the limelight and through multiple media forms the provocative Greer has worked to shape audience understandings of gender sexuality and feminism Through deep engagement with archival material Anthea Taylor offers a compelling reassessment of Greer s celebrity feminist labour and its effects over time Examining archived letters from fans anti fans and those in between this innovative volume shows how and why readers and viewers have come to affectively invest or disinvest in this iconoclastic feminist Advancing debates about the social and political function of celebrity Germaine Greer Celebrity Feminism and the Archive is essential reading for scholars in Gender Studies History Archival Studies and Media and Cultural Studies

**Germaine Greer** Maryanne Dever, Anthea Taylor, Lisa Adkins, 2020-04-28 Germaine Greer is one of the most enduring and influential figures of the second wave of the women s movement *The Female Eunuch* 1970 is one of second wave feminism s most widely recognised publications and its author has come to embody and indeed expand our understanding of second wave feminism in a way that few others have Yet while Greer s public visibility never seems to wane her writings and her politics have failed to attract the kind of sustained critical

engagement they warrant This volume represents the first collection of essays to examine Greer her politics her writing and her status as a feminist celebrity The essays in this collection cover The Female Eunuch 1970 Greer s public rivalry with Arianna Stassinopoulos her time in America her ideas and politics and her styling as feminist fashion icon Many essays include new insights drawn from previously unseen material in the recently launched Germaine Greer Archive at the University of Melbourne Australia This book was originally published as a Special Issue of Australian Feminist Studies

Communicating Gender Suzanne Romaine,1998-10-01 Taking a cross disciplinary approach Suzanne Romaine s main concern is to show how language and discourse play key roles in understanding and communicating gender and culture In addition to linguistics which provides the starting point and central focus of the book she draws on the fields of anthropology biology communication education economics history literary criticism philosophy psychology and sociology The text covers the core areas in the study of language and gender including how and where gender is indexed in language how men and women speak how children acquire gender differentiated language and sexism in language and language reform Although most of the examples are drawn primarily from English other European languages and non European languages such as Japanese are considered The text is written in an accessible way so that no prior knowledge of linguistics is necessary to understand the chapters containing linguistic analysis Each chapter is followed by exercises and discussion questions to facilitate the book s use as a classroom text The author reviews scholarly treatments of gender and then uses her own data material from the corpora of spoken and written English usage Special features include an examination of contemporary media sources such as newspapers advertising and television a discussion of women s speculative fiction a study of gender and advertising with special attention paid to the role played by language in these domains and a review of French feminist thought particularly as it relates to the issue of language reform

The Concise New Makers of Modern Culture Justin Wintle,2008-11-28 A Who s Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms

Sisters in Peace Kate Laing,2023-11-03 Is preparing for war the best means of preserving peace In Sisters in Peace Kate Laing contends that this question has never been solely the concern of politicians and strategists She maps successive generations of twentieth century women who were eager to engage in political debate even though legislative and cultural barriers worked to exclude their voices In 1915 during the First World

War the Women's International Congress at The Hague was convened after alarmed and bereaved women from both sides of the conflict insisted that their opinions on war and the pathway to peace be heard From this gathering emerged the Women's International League for Peace and Freedom WILPF which to this day campaigns against militarism and nuclear weapons In Australia the formation of a section of WILPF connected political women to a worldwide network that sustained their anti war activism throughout the last century In examining the rise of WILPF in Australia Sisters in Peace provides a gendered history of this country's engagement with the politics of internationalism This is a history of WILPF women who committed to peace activism even as Australia's national identity and military allegiances shifted over time a history that has until now been an overlooked part of the Australian peace movement

Excluded Julia Serano, 2013-10-01 While many feminist and queer movements are designed to challenge sexism they often simultaneously police gender and sexuality sometimes just as fiercely as the straight male centric mainstream does Among LGBTQ activists there is a long history of lesbians and gay men dismissing bisexuals transgender people and other gender and sexual minorities In each case exclusion is based on the premise that certain ways of being gendered or sexual are more legitimate natural or righteous than others As a trans woman bisexual and femme activist Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer LGBTQ movements In Excluded she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality These false assumptions infect theories activism organizations and communities and worse they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender sexuality and sexism that foster inclusivity rather than exclusivity

**New Makers of Modern Culture** Wintle Justin, 2013-05-13 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida Julia Kristeva with Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading

academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach *New Makers of Modern Culture* provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms *Encyclopedia of Feminist Theories* Lorraine Code,2002-06-01 The path breaking *Encyclopedia of Feminist Theories* is an accessible multidisciplinary insight into the complex field of feminist thought The *Encyclopedia* contains over 500 authoritative entries commissioned from an international team of contributors and includes clear concise and provocative explanations of key themes and ideas Each entry contains cross references and a bibliographic guide to further reading over 50 biographical entries provide readers with a sense of how the theories they encounter have developed out of the lives and situations of their authors Journalism Anna McKane,2009-01-01 Print journalism is one of the most popular career options among recent graduates But how many of them land that crucial first job and go on to build a career in print journalism This book gives you all you need to plan and build your career in journalism including sections on Analysis of the industry sectors and structures Types of print journalism newspapers national and regional magazines consumer handouts voluntary sector publishing web journalism agency work photojournalism Range of job opportunities freelance salaried in house in the field Routes into journalism getting in and getting on Training and education resources contacts **Gender Heretics** Rebecca Jane Morgan,2023-09-20 Compellingly explains the anti trans alliance of radical feminists and conservative evangelicals Intellectually rich yet accessible Pippa Catterall Professor University of Westminster and Chair of AIDS Memory UK We live in a time when anti trans politics is becoming increasingly dehumanising and dangerous Reading this illuminating book will help the open minded open hearted Christian reader hear encounter and love their trans neighbours I learned much from this book David P Gushee Distinguished University Professor of Christian Ethics Mercer University For decades conservative evangelicals and so called gender critical feminists have worked hand in hand to oppose trans liberation But how did this alliance come about What makes it tick And how can trans people and allies respond In *Gender Heretics* Rebecca Jane Morgan tackles this reactionary alliance head on With unique insight she explores how theological arguments snaked their way from anti trans feminist tracts into the everyday practices of evangelical churches today and how the unlikely alliance remains strong in spite of seemingly irreconcilable worldviews Shedding light on the roots of today's transphobic backlash she provides crucial tools to overcome it offering a hopeful way forward for Christians and advocating for a full recalibration of evangelical thought on gender identity and trans activism Rebecca Jane Morgan is a transfeminist and evangelical Christian a historian of modern Britain popular culture and queer identities **The Routledge Drama Anthology and Sourcebook** Maggie B. Gale,John F. Deeney,2012-08-06 A groundbreaking compilation of the key movements in the history of modern theatre Each of the book's parts comprises full reproductions of the plays that defined the period and key critical writings that inform and contextualise

their reading Here is an anthology of plays and criticism that all teachers of drama should take seriously The fresh angles and approaches the volume offers on topics such as naturalism the historical avant garde and breakthrough works by innovative performance artists e g Laurie Anderson SuAndi all argue in favor of this collection as required reading in courses on modern stagecraft CHOICE Feb 2011      The Sisterhood Marcia Cohen,2009 In this epic drama of personality and politics passion and ambition courage and betrayal Marcia Cohen tells the fascinating inside story of the feminist revolution through the lives of the women who made it and were sometimes unmade by it Focusing on Betty Friedan Gloria Steinem Germaine Greer and Kate Millett The Sisterhood is a revealing group portrait of the women whose ideas and actions have so profoundly transformed us all This classic account traces the women s movement from its quiet birth in the 1960s through its startling triumphs in the 1970s and its troubled legacy in the 1980s Today everything seems possible for women as they function on an equal plane with men in nearly every walk of life But the revolution was hard won Now the irreverent entertaining chronicle that reveals all the well kept secrets of feminism with a thoughtful new foreword by the author appears in a special edition that serves as a riveting social history casting light on an entire era so important for women as well as men

Feminists Who Changed America, 1963-1975 Barbara J. Love,2006-09-22 Documenting key feminists who ignited the second wave women s movement Barbara J Love s Feminists Who Changed America 1963 1975 will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women s movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott s foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements      **Sexing the Millennium** Linda Grant,1994 Joan Smith has said that Linda Grant is on the side of sex and on the side of women and Sexing the Millennium is a compellingly thorough examination of the colossal social shifts catalyzed by that brief period when sex was free from the threats of both pregnancy and disease      **Fringe to Famous** Tony Moore,Mark Gibson,Chris McAuliffe,Maura Edmond,2024-01-25 Fringe to Famous examines exchange between small scenes of cultural production and mainstream institutions and markets Drawing on Australian examples in music streetwear comedy screen and digital games it argues that there has been much greater crossover between the two than is generally recognized The book resists a tendency to represent fringe and mainstream as abstract opposites bringing a focus instead to concrete historical formations It offers an alternative both to romantic celebrations of a pure fringe discredited now by half a century of critical responses to the counterculture and to an increasingly hardened anti romantic reaction Drawing on extensive original interviews Fringe to Famous offers an overview of transformations in Australian culture since the 1980s concluding with suggestions for

cultural policy after the creative industries It proposes an idea of generative hybridity between fringe and mainstream that allows us to imagine new possibilities for arts and culture in the 2020s and beyond
