Mafia To Mormon My Conversion Story:

Mafia to Mormon: My Conversion Story Mario Facione, 2023-02-02 I learned early that if you don't want to go to school for a career then this was the life. And there were rules. You better not drink, you better not be a big shot, and you better always stay low and keep your mouth shut. If you're going to play the game, you've got to play smart. Thus began Mario Facione's slow descent into the Mafia world. With a desire to please his father, Facione kept the rules taught him. Don't get caught, know your people, never let them have control of what you're doing, and never let anyone fully know what you're up to. So when two clean-cut young men in dark suits showed up on his doorstep, Facione's main concern was to figure out the scam they were selling. Instead, he became surprisingly relaxed as these two answered every question he had unsuccessfully asked other clergymen. He learned real truth and began a journey towards knowledge. Yes, there is a reason why we are here on earth; yes, you can remember who we are, and yes, it's true. Heavenly Father still speaks through a modern-day prophet. Marion Facione's story is one man's extraordinary journey through the darkness into the light. Reading his story will confirm again that the gospel is truly for every child of God who is willing to change, even someone who wants to go from Mafia to Mormon.

Spiritual Temples Andrew Weeks, 2008-03 It is appropriate for us Latter-day Saints to desire spiritual experiences if we want them for the right reasons. The Prophet Joseph Smith demonstrated this when at the dedication of the Kirtland Temple he prayed, "let thy house be filled with a mighty rushing wind with thy glory." Joseph specifically asked for a heavenly experience. Of course, his faith had waxed strong in the Lord, but then again, shouldn't ours? So writes Andrew S. Weeks in *Spiritual Temples: Heavenly Experiences in the Houses of God*, a thought-provoking, inspiring book that is also studiously and reverently researched. Weeks writes about the history of temple worship and its restoration in the latter days, which sparked a stream of heavenly manifestations given to prophets and other faithful saints, fulfilling the Lord's words that temples are consecrated for obtaining revelations. Present-day temple building, the future of temple work, and worthiness are also discussed. "I will appear unto my servants and speak unto them with mine own voice," the Lord promised, "if my people will keep my commandments and do not pollute this holy house." *Spiritual Temples* supports the premise that whether through inspiration or direct manifestation, heavenly experiences are available to temple visitors today.
