Mafia In Havana:

The Mafia in Havana Enrique Cirules, 2004 Dramatic account of the pre revolution era in Cuba describing the culture of casinos cabarets and drugs on an island frequented by Hollywood celebrities and infamous Mafia bosses Mafia in Cuba is a tale of corruption and organised crime where politicians are sold to the highest bidder and where real power lies with the Mafia and other US interests Enrique Cirules uses both Cuban and US sources to document the intertwined relationships between Washington the Mafia and the pre revolution governments in Cuba **Havana Nocturne** T. J. English, 2009-10-13 In modern day Havana the remnants of the glamorous past are everywhere old hotel casinos vintage American cars flickering neon signs speak of a bygone era that is widely familiar often romanticized but little understood In Havana Nocturne T J English offers a multifaceted true tale of organized crime political corruption roaring nightlife revolution international conflict that interweaves the dual stories of the Mob in Havana the event that would overshadow it the Cuban Revolution As the Cuban people labored under a violently repressive regime throughout the 50s Mob leaders Meyer Lansky Charles Lucky Luciano turned their eye to Havana To them Cuba was the ultimate dream the greatest hope for the future of the US Mob in the post Prohibition years of intensified government crackdowns But when it came time to make their move it was Lansky the brilliant Jewish mobster who reigned supreme Having cultivated strong ties with the Cuban government in particular the brutal dictator Fulgencio Batista Lansky brought key mobsters to Havana to put his ambitious business plans in motion Before long the Mob with Batista s corrupt government in its pocket owned the biggest luxury hotels casinos in Havana launching an unprecedented tourism boom complete with the most lavish entertainment the world s biggest celebrities the most beautiful women gambling galore But their dreams collided with those of Fidel Castro Che Guevara others who would lead the country s disenfranchised to overthrow their corrupt government its foreign partners an epic cultural battle that English captures in all its sexy decadent ugly glory Bringing together long buried historical information with English s own research in Havana including interviews with the era s key survivors Havana Nocturne takes readers back to Cuba in the years when it was a veritable devil s playground for mob leaders English deftly weaves together the parallel stories of the Havana Mob featuring notorious criminals such as Santo Trafficante Jr Albert Anastasia Castro s 26th of July Movement in a riveting up close look at how the Mob nearly attained its biggest dream in Havana how Fidel Castro trumped it all with the revolution **The Havana Mob** T. J. English, 2008-09-04 Throughout the 1950s as the Cuban people laboured under a violently repressive regime the Mob financed revelry in Havana never stopped Tourists from around the world flooded in to gamble go to the racetrack see an elaborate floorshow at the Tropicana hear some of the hottest music around and perhaps partake in the sexual activities that flourished on the fringe of the most colourful nightlife scene of the twentieth century It may have seemed like fun and games but for the Havana Mob it was a serious business Led by Meyer Lansky and Lucky Luciano and with the full compliance of President Fulgencio Batista the Mob set out to create a financial empire that would

rival the glory days of Prohibition in the US For a time the plan seemed to be a runaway success but they were sowing the seeds of their own demise Behind the scenes Fidel Castro was building opposition to what he portrayed as the debauchery and corruption of capitalism run amok in Havana the result was revolution The Havana Mob captures a unique and exotic chapter not only in the history of organised crime but also in the history of the United States and for the first time the story is told through interviews and the first hand accounts of those who were actually there **The Mafia of Havana** Luis Grave de Peralta Morell,2003-01-06 Young Paulter adores the Grand Court Wizard Galdar and in secrecy serves as his apprentice When Galdar is poisoned the stage is set for a race against time in which Paulter must be ordained by the source of magic the Heart This is an imperative and time honored procedure that will allow him to become the next Grand Court Wizard Evil Ronar pulls out all the stops in an effort to stop Paulter from reaching his lofty goal Ronar feels that the timing is perfect to make his attempt at overtaking their world while Galdar is no longer there to protect them He creates a massive army that threatens the very existence of the Faerie world and will eventually annihilate all the other races one at a time With the help of some unlikely friends Paulter struggles to reach the Heart and put an end to the senseless carnage that Ronar is willing to inflict on anyone standing in his way However there are still other issues that Paulter must deal with including the search to find the murderer of his friend and mentor Galdar This is a story of the struggle between good and evil but also the emergence of a man who is destined to play a powerful role in the care of the races that comprise his world The friends who help him all have different roles to play and both collectively and individually help Paulter to realize how important friends can be **Mafia in Havana** Enrique Cirules,2007-08-01 A vibrant picture of the Mafia s Caribbean empire when Havana was the playground of the rich infamous With a novelistic eye for detail drama prize winning author Cirules presents a shockingly glamorous fantastically seedy picture of the world of Sinatra the showgirls mambo marijuana Lucky Luciano Meyer Lansky This book provides an extensive investigation into the Cuban underworld uncovering the close ties between the Mafia U S bus intelligence agencies their often brutal reign over Cuban politics The book won the Casa de las Americas Prize for Latin American literature the Casa de las Americas Critics Prize It features stunning photos of the legendary personalities of the era Translated from the Spanish lang ed **Gun Smuggling, Castro's Cuba and the Pittsburgh Mafia** Richard Gazarik,2025-01-07 A Thrilling Lost Chapter of Mob Rule Western Pennsylvania s New Kensington was in the grips of Mafia control throughout the 1950s with a bevy of bookie joints gambling casinos and brothels An outgrowth of the Pittsburgh mob New Kensington s Costa Nostra ordered a group of Mafiosi to break into a National Guard station in Ohio and steal a shipment of weapons The guns were destined for Fidel Castro who was waging guerrilla war in Cuba The Pittsburgh Mafia was hoping to get on Castro s good side if he won the war to secure the reopening of gambling casinos From a daring heist in Canada to Swiss bank accounts and CIA informants this infamous gunrunning scheme was a high speed saga of international intrigue Join author Richard Gazarik as he presents a harrowing historical narrative of the

criminal underworld of Western Pennsylvania **The Havana Mob** T. J. Seldom if ever has a writer been given access to a former major drug dealer in the Mafia underworld and three generations of family members that followed After nearly two years of interviews and subsequent research it has been discovered that a close relative of the family was one of the most powerful figures in the Mafia from the 1940s to the mid 1990s yet his identity until now has never been revealed He was the consigliere for all of the American Mafia The book tells in detail the life and times of a family who escaped the threat of Fascism in Sicily at the turn of the century and the rise of one of the children to a major figure in the Mob Another sibling returned from a tragic life in an orphanage only to become an adept criminal He ultimately spent twenty years off and on in prison with the Who s Who of the Mafia men who became friends and had secret stories to tell After prison he became one of the pioneers of Off Off Broadway in NYC and later was responsible for the regeneration of Little Italy in the Lower East Side of NYC The book details the influence and protection afforded later generations of the family to this day It offers a unique insight into the real life of people during this 100 year period Myths about the Mob are disclosed

and inaccuracies in the history of the Mafia are corrected It is a very compelling epic true story It is a book you will not be able to put down Look on www.mafiasecretjudge.com for further details Investigation of the Assassination of President John F. The Corporation T. J. English, 2018-03-20 A mob saga that has it all brotherhood and betrayal swaggering power and glittering success and a Godfather whose reach seems utterly unrivaled What a relentless irresistible read Don Winslow New York Times bestselling author of *The Border* A fascinating cinematic multigenerational history of the Cuban mob in the US from America's top chronicler of organized crime and New York Times bestselling author of *Havana Nocturne* By the mid 1980s the criminal underworld in the United States had become an ethnic polyglot one of the most powerful illicit organizations was none other than the Cuban mob Known on both sides of the law as the Corporation the Cuban mob's power stemmed from a criminal culture embedded in south Florida's exile community those who had been chased from the island by Castro's revolution and planned to overthrow the Marxist dictator and reclaim their nation An epic story of gangsters drugs violence sex and murder rooted in the streets The Corporation reveals how an entire generation of political exiles refugees racketeers corrupt cops hitmen and their wives and girlfriends became caught up in an American saga of desperation and empire building T J English interweaves the voices of insiders speaking openly for the first time with a trove of investigative material he has gathered over many decades to tell the story of this successful criminal enterprise setting it against the larger backdrop of revolution exile and ethnicity that makes it one of the great American gangster stories that has been overlooked until now Drawing on the detailed reporting and impressive volume of evidence that drive his bestselling works English offers a riveting in depth look at this powerful and sordid crime organization and its hold in the US *Gangsterismo* Jack Colhoun, 2013-04-01 *Gangsterismo* is an extraordinary accomplishment the most comprehensive history yet of the clash of epic forces over several decades in Cuba It is a chronicle that touches upon deep and ongoing themes in the history of the Americas and more specifically of the United States government Cuba before and after the revolution and the criminal networks known as the Mafia The result of 18 years research at national archives and presidential libraries in Kansas Maryland Texas and Massachusetts here is the story of the making and unmaking of a gangster state in Cuba In the early 1930s mobster Meyer Lansky sowed the seeds of gangsterismo when he won Cuban strongman Fulgencio Batista's support for a mutually beneficial arrangement the North American Mafia were to share the profits from a future colony of casinos hotels and nightclubs with Batista his inner circle and senior Cuban Army and police officers In return Cuban authorities allowed the Mafia to operate its establishments without interference Over the next twenty five years a gangster state took root in Cuba as Batista other corrupt Cuban politicians and senior Cuban army and police officers got rich All was going swimmingly until a handful of revolutionaries upended the neat arrangement and the CIA Cuban counterrevolutionaries and the Mafia joined forces to attempt the overthrow of Castro *Gangsterismo* is unique in the literature on Cuba and establishes

for the first time the integral extensive role of mobsters in the Cuban exile movement The narrative unfolds against a broader historical backdrop of which it was a part the confrontation between the United States and the Cuban revolution which turned Cuba into one of the most perilous battlegrounds of the Cold War The anti communist hysteria generated by the Cold War frequently unhinged the policy judgments of US government officials in many areas but nowhere so completely as in our relations with Cuba This conclusion is inescapable as Gangsterismo brilliantly unravels the bizarre tale of the Mafia army the Kennedy brothers recruited in their manic determination to rid Cuba of Castro that vexing seemingly indomitable Communist Martin J Sherwin co winner of the Pulitzer Prize together with Kai Bird for American Prometheus The Triumph and Tragedy of J Robert Oppenheimer What is shocking is not what is new but how much that is old already on the record in presidential and other archives CIA and FBI files memoirs and histories in Jack Colhoun s Gangsterismo Drawing on the National Security Archives papers and books public and private he damningly documents the pathetic incompetent and sometimes comic but always inappropriate and anti democratic attempts by the CIA and or its confederates working in tandem with members of the mob to assassinate Castro and overthrow the Cuban revolution Victor S Navasky publisher emeritus The Nation professor Columbia University Graduate School of Journalism Gangsterismo is an invaluable addition to our background knowledge about that small island nation that has incurred so much devotion and ire from U S Americans Books about Cuba abound but this one lays bare an often forgotten pre revolutionary history of U S based organized crime and subsequent hidden U S government covert action Colhoun has done his homework This is a must read Margaret Randall author of To Change the World My Years in Cuba Few aspects of Cuba U S relations have so doggedly resisted serious inquiry as the subject of organized crime in Cuba Much of what we know has reached us by way of popular culture principally through film and fiction to which the subject of the underworld in the tropics so aptly lends itself Colhoun represents a breakthrough serious scholarship on a serious subject He casts light upon one of the darkest recesses of a dark history calling attention to the convergence of interests between the underworld of criminal activity and nether world of covert operations and reveals in the process that film and fiction have actually only scratched the surface of a sordid story Louis A Prez Jr editor Cuba Journal professor of history University of North Carolina at Chapel Hill
