Magda Goebbels:

Magda Goebbels Anja Klabunde, 2003 During the past twenty years innumerable books about the Third Reich have been published but little attention has been paid to the women who lived alongside the Nazi leaders Magda Goebbels 1901 1945 is arguably the most contradictory and the most intriguing among them What made a beautiful and intelligent woman go from being deeply in love with the ardent Zionist leader Victor Chaim Arlosoroff to marrying Joseph Goebbels Hitler's minister of propaganda and a ferocious anti Semite Indeed in the eyes of many people she was the First Lady of the Reich owing to Hitler's lifelong attachment to her How could the devoted mother of six the poster child of family values during the Third Reich turn into Medea and poison these six children Anja Klabunde's thoroughly researched and remarkable biography for the first time brings together these stunning facts

Hitler's Theology Rainer Bucher, 2011-06-30 Hitler's Theology investigates the use of theological motifs in Adolf Hitler's public speeches and writings and offers an answer to the question of why Hitler and his theological ideology were so attractive and successful presenting an alternative to the discontents of modernity The book gives a systematic reconstruction of Hitler's use of theological concepts like providence belief in the almighty God Rainer Bucher argues that Hitler's abuse of theological ideas is one of the main reasons why and how Hitler gained so much acquiescence and support for his diabolic enterprise This fascinating study concludes by contextualizing Hitler's theology in terms of a wider theory of modernity and in particular by analyzing the churches struggle with modernity Finally the author evaluates the use of theology from a practical theological perspective This book will be of interest to students of Religious Studies Theology Holocaust Studies Jewish Studies Religion and Politics and German History

Görtemaker, 2022-01-12 This revelatory history examines the loyal inner circle that followed and enabled Hitler s rise to power and continued on after WWII Hitler was not a lonely aloof dictator Throughout his rise in the NSDAP he gathered a loyal circle around him and was surrounded by people who celebrated flattered and intrigued him Who belonged to this inner circle around Hitler What function did this court fulfill And how did it influence the perception of history after 1945 Using previously unknown sources Heike G rtemaker explores Hitler s private environment and shows how this inner circle made him who he was Hitler s inner circle the Berghof Society was his private retreat But the court was more than that It provided him with the support he needed to take on the role of F hrer at all while at the same time allowing him to use its members as political front men Most of all it represented a conspiratorial community whose lowest common denominator was anti Semitism In this book Heike G rtemaker asks new questions about the truth behind Hitler s inner circle and for the first time also examines the circle without leaders the networking of the inner circle after 1945 [The Lost Life of Eva Braun](#) Angela Lambert, 2014-09-02 Eva Braun is one of history s most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The F hrer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian

mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man s woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the F hrer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life s ambition by becoming Hitler s wife Next day they both swallowed cyanide and died instantly She was young healthy and thirty three years old Based on detailed new research this is an authoritative biography only the second life of Eva written in English *Rommel's Lieutenants* Samuel W.
