

Magia Rojared Magic

Jim Pieper

Magia Rojared Magic:

Singing to the Plants Stephan V. Beyer, 2010-06-30 In the Upper Amazon mestizos are the Spanish speaking descendants of Hispanic colonizers and the indigenous peoples of the jungle Some mestizos have migrated to Amazon towns and cities such as Iquitos and Pucallpa most remain in small villages They have retained features of a folk Catholicism and traditional Hispanic medicine and have incorporated much of the religious tradition of the Amazon especially its healing sorcery shamanism and the use of potent plant hallucinogens including ayahuasca The result is a uniquely eclectic shamanist culture that continues to fascinate outsiders with its brilliant visionary art Ayahuasca shamanism is now part of global culture Once the terrain of anthropologists it is now the subject of novels and spiritual memoirs while ayahuasca shamans perform their healing rituals in Ontario and Wisconsin Singing to the Plants sets forth just what this shamanism is about what happens at an ayahuasca healing ceremony how the apprentice shaman forms a spiritual relationship with the healing plant spirits how sorcerers inflict the harm that the shaman heals and the ways that plants are used in healing love magic and sorcery

Guatemala's Folk Saints Jim Pieper, 2002 The icons documented in this handsome volume appear in many physical forms ranging from life size to half an inch tall They reflect a belief system deeply rooted in the ancient Mayan religion of Guatemala and influenced by centuries of superimposed Christianity The objects whose photographs appear here are collected as ethnographic folk art by aficionados but they and the saints they represent are a living part of Guatemalan culture Guatemala's Folk Saints is a rich mélange of observation interviews and photographs that combine to give a vivid and intimate portrait of this particular variety of syncretic Christianity Including extensive information on altars prayers and the pantheon of the saints themselves the book focuses on an entity known both as Maximón and San Simón a spiritual representative to whom any kind of request can be made Although petitioners are usually encouraged to pray only for good causes San Simón can also be enlisted to get rid of evil spells or even to cast one San Simón may be a bundle of woven textile topped with a hat or a life size figure with his face hidden behind a mask and designer sunglasses He may wear cowboy boots or be covered in petitioners offerings of silk scarves Clouded in incense and addressed in indigenous dialects he is Mayan Addressed in Spanish his Christian veneer becomes clear Other chapters address Rey Pascual a skeletal deity the Ajitz Judas Lucifer Don Diego and San Gregorio The book includes a glossary and bibliography This unique documentation of modern Mayan culture will be of interest to scholars collectors and travelers
