## **Magic An Occult Primer:**

**Magic** David Conway, 2016-03 David Conway's *Magic An Occult Primer* is a seminal work that brought magical training to the every magician in the early 70s. David is an articulate writer presenting the mysteries in a very workable manner for the serious student. Along with the updated texts on philosophy and practical magic is a plethora of graphics that have all been redrawn, promising to be another collector's edition published by The Witches Almanac. The book is divided into two sections: Magical Theory and Magical Practice. Magical Theory presents a very concise accounting of the philosophy behind magic. Conway begins with an exposé of magic within the confines of natural law, taking the time to meticulously find corollary for the basis of magic. He then takes us into an exposition of the Kabbalah and broader cosmological concerns. Conway drills down into daily practice and further explores the basic training necessary for a magician in this day and age. Magical Practice begins with the preparations necessary for the practice of magic. Conway begins this section with several tables of correspondences that will prove helpful to even the advanced magician. He continues with an examination of the timing of rituals as well as the place and ritual equipment necessary for rites. Conway then provides master rituals presented for both Kabbalistic and Egyptian approaches. He also presents detail on astral projection, talismanic magic, and prophecy. *Magic An Occult Primer* ends with appendices that present detailed magical recipes, an examination of magical alphabets, and an extensive occult Who's Who.

**Magic: An Occult Primer: 50 Year Anniversary Edition** David Conway, 2022-04-11 David Conway's *Magic An Occult Primer* is a seminal work that brought magical training to the every magician in the early 1970s. Along with the updated texts on philosophy and practical magic, this anniversary edition includes redrawn graphics. *Magic An Occult Primer* is divided into two sections: Magical Theory and Magical Practice. Also included is a substantial set of Appendices. In the Magical Theory section, David Conway presents a very concise accounting of the philosophy behind magic. He then takes us into an exposition of the Kabbalah and broader cosmological concerns. Conway begins this section with several tables of correspondences that will prove helpful to even the advanced magician. He continues with an examination of timing of rituals as well as the place and ritual equipment necessary for rites. Conway then provides master rituals presented for both Kabbalistic and Egyptian approaches. He also presents detail on Astral Project, Talismanic Magic, and Prophecy. *Magic An Occult Primer* concludes with a deep set of Appendices presenting detailed magical recipes and examination of magical alphabets, and an extensive Occult Who's Who. Nowadays there are countless books on Magic. This one is different. As different as when it first appeared in 1972. What makes it different is that it tells the reader, expert or beginner, sceptic or believer, what Magic is, why Magic works, and most importantly, how Magic can be worked. Few books do all three, certainly.

not with so much style scholarship and humour This new edition enlarged and updated by the author is certain to delight old friends and win over countless new ones I highly recommend it Maxine Sanders This edition replaces 978 1 881098 37 9
