Managing For Value A Guide To Valuebased Strategic Management

BM King

Managing For Value A Guide To Valuebased Strategic Management:

Managing for Value Bernard C. Reimann,1987 Describes a process of strategic management which combines financial evaluation methods with strategic management techniques like portfolio planning and competitive strategy analysis

Reader's Guide to the Social Sciences Jonathan Michie,2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

Recent Trends in Valuation Luc Keuleneer,Willem Verhoog,2005-12-13 Conventional valuation techniques take little account of the unexpected outcomes and uncertainties of real life Real options are one method of tackling these problems in order to give a realistic view in practice rather than simply in the theoretical world Tom Copeland in his contribution considers the probability that real options will in the future become the standard method of valuation and of evaluating the financial viability of ventures This book follows past current and potential future valuation techniques and discusses current trends in this area in the light of the ever increasing desire to assess and manage risk and uncertainty *Handbook of Strategic Management, Second Edition*, Jack Rabin,Gerald J. Miller,2000-05-16 Revised and updated for the second edition the Handbook of Strategic Management provides a set of broad based bibliographic essays on strategic management It covers synoptic approaches complexity theory organizational capacity financing strategy networks and chaos theory and offers an in depth look the use of strategic management in the private public and nonprofit sectors The National Institute of Personnel Management called this book the most comprehensive single source treatment of strategic management New topics discuss the role of strategic management in political decision making uncertainty the absence of strategy productivity teamwork leadership and change Measuring Organizational Performance Robert B. Carton,Charles W. Hofer,2006-01-01 This exciting and innovative book will find its audience in researchers and scholars at many levels of academe in the fields of entrepreneurship and strategic management organizational theory and accounting and finance

Public Budgeting and Finance, Fourth Edition, Robert T. Golembiewski,1997-06-09 This incomparable Fourth Edition of a standard reference text has been thoroughly updated and enlarged offering comprehensive coverage of the field in a single source and incorporating entirely new as well as time tested material Marketing and Financial Management David Walters,Michael

Halliday,2017-10-07 This text explores in great depth marketing decisions that have implications for financial management The emphasis on the financial management side of marketing makes the book relevant to a wide variety of advanced undergraduate and postgraduate courses The book illustrates uniquely the interface between finance and management and in particular how strategic marketing decisions affect a company s financial management in terms of sales volume profitability return on investment and other indices of performance The book is innovative and of a high standard with a

strong authorial team in David Walters and Michael Halliday who are both professors at the Sydney Graduate School of Management Australia

Handbook of Worldwide Postal Reform Michael A. Crew, Paul R. Kleindorfer, James I. Campbell, 2009-01-01 The postal and delivery sector has been the subject of considerable interest in recent years This book brings together a number of contributions directed at understanding developments in the field of postal reform The authors review the experience and plans of individual countries to provide some perspective on the problems faced in the area and the varied approaches being taken to address it They also review key elements of policy and strategy that are important in this debate

Corporate Divestiture Management Jan-Hendrik Sewing, 2010-04-20 Jan Hendrik Sewing makes a significant contribution to opening the black box of current divestiture decision making He uses detailed case studies including numerous interviews with corporate executives and experts from management consulting private equity and investment banking The author develops a conceptual framework to identify remedies to behavioral pathologies and their origins The study highlights multiple techniques for pursuing divestitures proactively and formulates best practice recommendations

Management Consultancy Philip Sadler, 2001 Written to mirror the MSc in Management Consultancy beginning in January 1998 this is the first book to cover consultancy in its entirety in a practical and accessible manner Each chapter is written by an expert in their field

Planning IT David J Silk, 2014-05-12 Planning IT provides a framework for assessing and improving the practice of information management in organizations It describes the ways in which senior managers can diagnose the situation in their enterprise and generate an appropriate action plan The book thus helps the manager to make a more proactive and informed response to the opportunities of modern information technology and information systems Comprised of nine chapters this book begins with an introduction to six guidelines for information management establish an information management partnership distinguish the potential benefits of information technology and information systems think strategically about information management identify the benefits and their value manage the achievement of the benefits and prepare for the future The next six chapters address each of these guidelines in more detail and each chapter ends with a set of questions which the manager should consider in the context of himself herself and his/her enterprise This will produce a score and some action points as part of an information management audit The eighth chapter explains how to produce a consolidated action plan structured according to the time scale of the individual actions short or long term and according to whether they are personal or team actions in the enterprise The last chapter consolidates the book's main points and exhorts the manager to action This monograph is intended for both senior managers and non-specialists in information technology

Executive Defense Michael Useem, 1993 A quiet revolution came to corporate America during the late 1980s and early 1990s Large shareholders pension funds insurance companies money managers and commercial banks exercised new found muscle pressuring senior managers to improve disappointing financial results by reshaping their organizations Michael Useem reveals how those investor pressures have transformed the inside structures of many corporations better

aligning them with shareholder interests Useem draws on numerous sources including interviews with senior managers and intensive studies of seven large corporations representing a range of restructuring experiences and industries including pharmaceuticals transportation chemicals retailing and financial services He shows that organizational changes have affected many areas of corporate life headquarters staffs have been reduced authority has filtered down to operating units and compensation has become more closely tied to performance Change also extends to corporate governance where managers have fought back by seeking legal safeguards against takeovers and by staggering board terms They've also put significant resources into building more effective relations with shareholders As Useem demonstrates this revolution has reached beyond the corporation influencing American politics and law As increasing ownership concentration has caused companies to focus more attention on shareholders corporate political agendas have shifted from fighting government regulation to resisting shareholder intrusion This book will be important reading for managers economists lawyers financial analysts and all observers of American business

Service Industries Marketing Mark Gabbott, Gillian Hogg, 2014-02-25 This book covers a wide spectrum of topics service contexts and methodologies and reflects the broad range of current services research Its aim is to provide an eclectic overview of services marketing by including papers that demonstrate the breadth and depth of research in this area and it reflects the international scope and the strength of the discipline as we enter the new millennium

Value-based Management Glen Arnold, Matt Davies, 2000-06-08 The business management trend of Value Based Management VBM and the related area of Shareholder Value are attracting interest This text provides a critical look at the success and failure of VBM its development the principles on which it is based and the techniques that it involves

Strategic Management Paul W. Dobson, Ken Starkey, John Richards, 2009-02-04 This highly popular introduction to strategic management has now been revised to take account of the latest developments in the field New edition of a highly popular introduction to strategic management Provides a clear framework for understanding the issues incorporate strategy supported by current case examples Revised to take account of the latest development in the field Now features twelve new cases Includes new chapters on issues relating to the resource based view of the firm innovation learning and the new economy Includes a new concluding chapter looking at present and future issues in strategic management Continues to combine the latest management concepts with an emphasis on current business applications and implementation

Strategic Management J. David Hunger, Thomas L. Wheelen, 1996 Presenting the text section of Strategic Management and Business Policy this work provides current research and literature from the developing field of strategic management

Journal of the American Society of CLU & ChFC., 1989

Handbook of Strategic Management Jack Rabin, Gerald Miller, W. Bartley Hildreth, 1989
