Message To Hadrian:

Message to Hadrian Geoffrey Trease, 1955 Historical novel about the Roman Emperor Hadrian and how a young boy risked life and limb to bring him an important message from England *Message to Hadrian* Geoffrey Trease, 1955

Hadrian Thorsten Opper, 2008 Hadrian a Roman emperor the builder of Hadrian's Wall in the north of England a restless and ambitious man who was interested in architecture and was passionate about Greece and Greek culture Is this the common image today of the ruler of one of the greatest powers of the ancient world Published to complement a major exhibition at the British Museum this wide ranging book rediscovers Hadrian The sharp contradictions in his personality are examined previous concepts are questioned and myths that surround him are exploded Book Jacket **Hadrian's Trader** Richard Yeo, 2013-06-28 Lucius is a young Centurion in the time of Hadrian serving at Trimontium modern day Melrose in southern Scotland Trista is a Roman patrician girl living in Gaul She is orphaned and becomes a vagrant when her parents are killed by traitors plotting to overthrow the emperor Following the death of his wife Lucius becomes an imperial agent operating beyond the borders of the Empire as a trader seeking signs of invasion He meets Trista who is under threat of assassination The story follows their flight across Gaul pursued by evil forces to the German forests in a race to avert invasion and the death of the emperor **Hadrian and the Christians** Marco Rizzi, 2010-09-22 The Second Century occupies a central place in the development of ancient Christianity The aim of the book is to examine how in the cultural social and religious efflorescence of the Second Century to be witnessed in phenomena such as the Second Sophistic Christianity found a peculiar way of integrating into the more general transformation of the Empire and how this allowed the emerging religion to establish and flourish in Graeco Roman society Hadrian's reign was the starting point of that process and opened new possibilities of self definition and external self presentation to Christianity as well as to other social and religious agencies Differently from Judaism however Christianity fully seized the opportunity thus gaining an increasing place in Graeco Roman society which ultimately led to the first Christian peace under the Severan emperors The point at issue is examined from a multi disciplinary perspective including archaeology cultural religious and political history to challenge well established but no longer satisfactory historical and hermeneutical paradigms The contributors aim to examine institutional issues and sociocultural processes in their different aspects as they were made possible on Hadrian's initiative and resulted in the merge of early Christianity into the Roman Empire *The Tales of the Sages in Late Midrash* Sivan Nir, 2025-06-26 How should we read tales about rabbinic sages unique to post Talmudic works What theological poetic and social changes do they hide Who could have authored them *The Tales of the Sages in Late Midrash* reveals these narratives hypertextuality Their characters phrasings and themes only invert expand and mimic other tales In their own words they are mosaics of cherished stories set into new narrative tapestries What Acher thought of R Akiva's death How was Akiva buried Who was Resh Laqish before he met R Yochanan Analyzing twenty little known such stories from fourteen compositions and discussing many others

Sivan Nir shows how medieval scholars use their stories to explore tensions between rabbis and laypersons men and women God and history medieval culture and the Talmudic past **Hadrian's Wall** Jessie Mothersole,1923 Hadrian's Wall Kyle Higgins,Alec Siegel,2017-09-27 When an astronaut on Hadrian s Wall is murdered pill popping detective Simon Moore is dispatched to investigate the ship s crew including his own ex wife But if Simon s not careful what he finds could make the interstellar Cold War go red hot From the creative team behind the critically acclaimed series C O W L comes a gripping locked room murder mystery where the secrets of everyone involved are as dark as the space that surrounds them Collects HADRIAN S WALL 1 8 **Managing, Using, and Interpreting Hadrian's Wall as World Heritage** Peter G. Stone,David Brough,2013-11-13 Hadrian s Wall was inscribed as a World Heritage Site WHS in 1987 and with the German Limes became one of the first two parts of the transnational Frontiers of the Roman Empire FRE WHS in 2005 The World Heritage Site of Hadrian s Wall is unusual although not unique among World Heritage sites in its scale and linear nature stretching from Ravenglass on the west coast of England to Newcastle upon Tyne on the east coast over 150 miles Along its length it passes through two major urban centres and a variety of rural landscapes and its remains vary from substantial upstanding architectural features to invisible below ground archaeology Traditionally many of the constituent parts of Hadrian s Wall forts etc have been managed as separate entities by different State and private organisations These and other issues make it an extremely complex WHS to manage This book not only chronicles the past management of the Wall but also looks towards the future as more countries aspire to have their Roman frontiers added to the FRE The experience gained over the last two decades illustrates developments in the management of large scale complex heritage sites that will be of value as a detailed case study to those involved in and affected by heritage management as well as academics and students Many of the issues raised will find resonance in those faced by many other large World heritage sites *Carolingian Connections* Joanna Story,2017-05-15 The Anglo Saxon influence on the Carolingian world has long been recognised by historians of the early medieval period Wilhelm Levison in particular has drawn attention to the importance of the Anglo Saxon contribution to the cultural and ecclesiastical development of Carolingian Francia in the central decades of the eighth century What is much less familiar is the reverse process by which Francia and Carolingian concepts came to influence contemporary Anglo Saxon culture In this book Dr Story offers a major contribution to the subject of medieval cultural exchanges focusing on the degree to which Frankish ideas and concepts were adopted by Anglo Saxon rulers Furthermore by concentrating on the secular context and concepts of secular government as opposed to the more familiar ecclesiastical and missionary focus of Levison s work this book offers a counterweight to the prevailing scholarship providing a much more balanced overview of the subject Through this reassessment based on a close analysis of contemporary manuscripts particularly the Northumbrian sources Dr Story offers a fresh insight into the world of early medieval Europe **Definitely Deadly** A.C. Miller,2010-11-16 After a quiet night on the town Dev Xander and Kaz Shade suddenly find themselves surrounded by a flock of vampires Mistaking

the two men for humans and easy prey the vampires move in for the kill But the vampires have made a deadly mistake Dev and Kaz arent human they are Deadliesthe Seven Deadly SinsEnforcers who execute the supernatural bad guys Dev and Kaz deal with the vampires in typical Enforcer fashion But killing Snake the leader is only the beginning A sovereign vampire controls this merry little band of bloodsuckers and the Enforcers must determine who it is and execute him before the human death toll rises too high During their search the Enforcers perform a few executions rescue a few gnomes and still find time to fall in love Half daemon half human and all trouble Dev struggles with his strong attraction to Maia Severn a werewolf who is their liaison with all things gruesome Two women from another Enforcers past reappear and they both have designs on him NO ONE SAID THIS MISSION WAS GOING TO BE EASY

Hadrian's Wall Patricia Southern,2016-02-15 The building military use and descent into ruin of the most important Roman frontier ever built

Prophecy and Politics in the Early Carolingian World Andrew Sorber,2024-04-16 Prophetic and apocalyptic rhetoric play critical roles in the development and articulation of political authority in the reigns of Charlemagne d 814 and Louis the Pious d 840 The rhetorical authority derived from claims of receiving revelation interpreting divine communication speaking for God and foreseeing calamities became a competitive medium through which individuals legitimized political behaviour debated their long and short term aspirations and struggled for political supremacy Ranging from claims of revelations dreams and visions to the adoption of rhetorical voices based on biblical prophets to the interpretation of signs and portents prophetic rhetoric enjoyed extensive experimentation and varied application throughout early medieval political discourse Prophecy and Politics in the Early Carolingian World argues that claims of divine revelation resistant to any attempts to monopolize them provided a powerful means of speaking with authority for all participants in Frankish political discourse This authority proved instrumental in the articulation and dismantling of effective Carolingian royal authority from 768 to 840 The volume introduces and reinterprets early Carolingian political discourse and intellectual activity as well as the centrality of apocalypticism in the Carolingian period by emphasizing prophecy or revelation and authority rather than prediction and calamity Early Carolingian political discourse was a dialogue that took place across royal proclamations legal statements historical texts visions scriptural commentaries and manifestations of the natural world and in this dialogue the ability to interpret God s will was as powerful as it was problematic

Charlemagne and Rome Joanna Story,2023 Using a vast range of sources and methods from art history epigraphy palaeography geology archaeology and architectural history to close reading of contemporary texts in prose and verse this book presents a detailed object biography contextualising Hadrian s epitaph in its historical and physical setting at St Peter s over 800 years

Hadrian's Wall Richard

Hingley,2012-10-04 In *Hadrian's Wall: A Life* Richard Hingley addresses the post Roman history of this world famous ancient monument. Constructed on the orders of the emperor Hadrian during the 120s AD the Wall was maintained for almost three centuries before ceasing to operate as a Roman frontier during the fifth century. The scale and complexity of Hadrian's Wall makes it one of the most important ancient monuments in the British Isles. It is the most well preserved of the frontier works that once defined the Roman Empire. While the Wall is famous as a Roman construct its monumental physical structure did not suddenly cease to exist in the fifth century. This volume explores the after life of Hadrian's Wall and considers the ways it has been imagined, represented and researched from the sixth century to the internet. The sixteen chapters, illustrated with over 100 images, show the changing manner in which the Wall has been conceived and the significant role it has played in imagining the identity of the English, including its appropriation as a symbolic boundary between England and Scotland. Hingley discusses the transforming political, cultural and religious significance of the Wall during this entire period and addresses the ways in which scholars and artists have been inspired by the monument over the years.

Addresses and Letters of Travel Stephen Girard Nye,1908 *A Popular History of Germany* Wilhelm Zimmermann,1878 **Time Is of the Essence** Gail Logan, Logan Gail Logan,2009-09 It was half past midnight when Harry Amelia and Natasha stood in the midst of an empty circus arena. Vorelis began going through his famous light show routine. On ordinary occasions, midway through such a routine, people would have been brought to their feet with cheers and applause. Now there was no audience. Vorelis stepped beyond what he ordinarily did during a show. The light performance quickly became something else. Suddenly the arena disappeared. Harry Amelia and Natasha found themselves standing in a field. It was daylight and in the distance cows were grazing.
