Gai Institutiones Gaius, 1925 **The Mother's Magazine and Family Circle** Abigail Goodrich Whittelsey, Darius Mead, Elizabeth Sewell, Maria C. Tracy, 1835 **Status of Bad Memories** Jonathan Butoto, 2016-03-19 His book Status of Bad Memories was written just after the tragedy that happened in Democratic Republic of Congo in 1996 until 2004. He was shocked at the way he and other people from his tribe were marginalized and was horrified that they were being killed by other tribes from Congo and Interahamwe extremist groups from the neighboring country of Rwanda. This book delivers a true account of what happened during the civil war in Congo. Many people died and Gabby survived the tragedy. With this book, he is thanking Americans and all people who contributed to the protection of his life and family from the hands of killers. He says that there is something inside his heart. The tragedy was caused by the war that happened in DRC. During that time, tears were everywhere in the country. People have been hunted as if they were wild animals. He saw this tragedy with his two eyes. He could stand in a hidden place to see what was happening. Women and children were also killed. His brothers and sisters became homeless. They are now wandering everywhere in the world. Killing a person was no longer a sin but a game to some tribes in Congo. This book is a mediator, a bridge to make Congo a holy place to live in and remind new generation that Congo deserves development instead of having killings, quarrels, and instability. Munsey's Magazine, 1897 Severing Time & Space, Volume 1 Brandon Varnell, One young boy must rise above adversity and attain the strength needed to defy fate. In a world where a cultivator's prowess determines their social status, Wu Jian endures relentless bullying by his own kin for being perceived as a coward. As the heir to his clan, he is expected to be strong and unyielding even at just 8 years old. Long before he will reach the Age of Majority when young men and women can begin to cultivate, After a brutal beating by his older half brother, Wu Jian's life is forever changed when his best friend has a prophetic vision: if he cannot grow stronger, he will die and she will be stolen. But with years before he can even begin to cultivate, how can he possibly defy a destiny where the fate of all he holds dear is at stake? Witness the rise of one young man as he faces adversity, forms bonds of love and friendship, and prepares for the moment when he can finally take control over his own destiny. The path to true strength is long and arduous, but Wu Jian vows to be ready when the time comes. Severing Time Space is a slow burn light novel series that takes a character-driven approach to the xianxia genre. Perfect for fans who want all the familiarity of a cultivation novel with a few twists. **The Mother's Promise** Sally Hepworth, 2017-02-21 A poignant and breathtaking novel from the author of The Things We Keep and The Secrets of Midwives.
