Olivet Prophecies:

From the Ascension to the Kingdom David C. Westcott, 2010-10-18 Beginning with some background information on the Mount of Olives the temples of Jerusalem the Passover week and the mindset of Jesus disciples this book employs this author's composite of the Olivet Discourse passage found in Matthew Mark and Luke to expound upon the prophecies presented by Jesus to His closest disciples After hearing His disciples inquire Jesus delineated details of events which would take place after His departure into heaven up and through the time of His return to establish His Earthly Kingdom The disciples were anticipating an immediate arrival of Jesus Kingdom but Jesus knowing this gave them an accounting of events which must take place prior to the establishment of that Kingdom He began by giving a direct warning to the disciples followed by an explanation of trials that they would personally encounter Jesus then told these disciples about the demise of Jerusalem which would take place in 70 A D Following that He spoke of the coldness of heart which will permeate the society in the end times He gave them the Abomination of Desolation as a sign of the approach of the end of the age Jesus detailed the events which will surround His return to set up His Earthly Kingdom Moreover through parables Jesus taught His disciples and those who will His discourse the importance of being prepared for His return In the final scene of this discourse Jesus presents a picture of a judgment which will take place in preparation for the establishment of His Kingdom There are many lessons to be learned through Jesus presentation of the Olivet Discourse This writer hopes that his readers will take to heart the lessons of this most prophetic disclosure on the end of the age *When?* Stan Way, 2019-04-26 The Olivet prophecy focuses on one of the most important events of divine history the destruction of Jerusalem and the Temple in AD 70 This was a judgment event that fulfilled Old Testament messianic prophecy particularly prophecies found in Daniel Zechariah Joel and Malachi With the destruction of the Temple the practice of the Old Testament sacrificial system was brought to an end never to reestablish As twenty first century Christians we live with the expectation of Christ's second coming an event defined by resurrection and the end of history This is the blessed hope and the final event of the present age **Olivet Prophecies** E. Raymond, E. Raymond Capt, 2002-01-01 **The Church in End-Time Prophecy** Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and

we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through **The Complete**

Christ's Return and Today's Global Geopolitical Bombshells Dr. David Liang,2019-05-14 Many people are eager to embrace Nostradamus and the Mayans while dismissing the Holy Bible s prophecies Yet the Bible in Revelation chapter 4 promises Come up here and I will show you what must take place after this Inspired by that promise this principal author has gleaned decades of insight regarding global geopolitical events and what might take place toward the end of this world as we know it In 1989 he predicted in a Chinese magazine the possibility of German unification as an expression of the mixed iron and clay kingdom foreseen in Daniel chapter 2 The same prophecy suggests the intermingling of China with Taiwan and North and South Korea Back in 1989 this principal author also predicted that the U S would withdraw from Europe because the Bible speaks little of the U S s role during Earth s final hour Chapter 1 of this book deals with doomsday end of the world bombshells with reference to notable scientists such as Stephen Hawking Martin Rees Frank Fenne and Isaac Newton Chapters 2 and 3 address the startling role reversal between the U S a former superpower now in retreat from the global scene and a resurgent Russia and the incredible role played by Vladimir Putin in both Russia and the U S Chapter 4 deals with the miraculous rebirth of Israel and the path toward a rebuilt Third Temple Chapter 5 deals with Middle East bombshells particularly the rise of radical Islamic based entities and the Bible s portrait of Babylon Chapter 6 applies the aforementioned iron and clay mixture analogy to the possible unification of China with Taiwan and North and South Korea including bombshell overtures between U S President Trump and North Korean leader Kim Chapter 7 deals with China s ascent and applies a prophecy in Isaiah chapter 49 to the increasing number of Chinese Christians despite communism Chapter 8 situates Brexit Britain exiting the European Union which this principal author foresaw within the Biblical context of a future ten kings coalition and the emergence of the antichrist Finally chapter 9 deals with Christ s own statements of what geopolitical bombshells must take place leading up to his return to Earth The Bible s accuracy in predicting geopolitical events gives us reason to believe in its supernatural authority and thus to believe its ultimate promise that Jesus Christ will return to this world

What on Earth Is Happening Ray C. Stedman,2015-01-27 The Olivet Discourse sounds a bit stodgy to some too scholarly for other people Well imagine if you had a private tutor who also happened to be a best selling author who would sit down with you over a cup of coffee and explain Christ s words in everyday language That s exactly what Ray Stedman has done bringing the mysterious realm of end times

theology down to earth In 13 chapters you ll explore the prophetic words of Matthew 24 and 25 in a whole new way **The Day of the Lord, the Key to Understanding End-Time Prophecy** Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy
