## On The Go Rainbows:

**A Shine of Rainbows** Lillian Beckwith, 2001 Thomas is a frail orphan boy who goes to live with foster parents Mairi and Sandy. They are a contented couple despite their lack of children. However, when Mairi brings Thomas back with her, Sandy is threatened by Mairi's affection for him. *Where Rainbows Rest* Evelyn Everett-Green, 1922 *Into the Rainbow* Fumiko Hosokawa, 2002-10 Humor is an important element in good health. We take ourselves too seriously sometimes. This book of common sense is multi-dimensional. It is a collection of thoughts for all ages: children, teens, and adults from all walks of life. It is written to help us think before we act or react too quickly. There are sketches to enhance the ideas shared. The thoughts can be taken literally or if thought about a deeper meaning can be read between the lines. Some are humorous and some are more serious. *Common Sense to Contemplate* is a book to sit down and relax with or share with someone else. Some of the thoughts may sound familiar because you or someone has said them. Remember the book is just common sense. The reader can also have the opportunity to share some of his/her common sense in the second book of the series *Common Sense Too*. See information at the end of the book. Common sense is just those things that are sometimes apparent but we are in such a hurry we don't do them. This book helps to remind us of those ideas and actions. *Geocache of the Rainbow Bull* Ozmioz Mak, 2006-09 The Rainbow Bull reminds me of the management scoundrels of the Colorado Fuel Iron Company. I love how Eve matures and finally confronts him. Mother Jones. Eve is a new age hero in the tradition of the old west. Shane. When I started this geocache I never expected to get a college degree. Listening to faculty argue amongst themselves sure beats getting an online degree with the University of Phoenix. Eve Tillman. Eve is a new age feminist who is respectful and just gets things done. However, what was with all of H. L. Mencken's adolescent rantings? Any man who lives his entire life in his parent's house has no right spouting off like that. Susan B. Anthony. It's about time someone reinvented fascism for the 21st century. Move over Mussolini, move over Archie Bunker. The Rainbow Bull is a character we can all relate to. Tokyo Rose. When is someone going to write a story where I'm the main character? And Susan B. you know you love me. H. L. Mencken. It's refreshing to find a young lady succeed by listening to the advice of her elders, although I found the part about end of the world cults a bit disturbing. Reverend John Nelson Darby. Oh, grow up, most people are losers. All great leaders know nothing would get accomplished without a little bull sprinkled in here and there. Rainbow Bull. What's more American than rebelling against bull? Just like the Wizard of Oz was the master of humbug of the 20th century, the Rainbow Bull is the master of bull in the 21st and strangely enough both characters were outwitted by a young lady. Mark Twain. *Stories of Rainbow and Lucky* Jacob Abbott, 1860 **The Amazing Adventures of Rainbow Rabbit** Judeth Fenton, 2024-07-19 Rainbow Rabbit wakes up one morning to find his colourful patches gone, leaving him pure white from head to toe. Seeking a solution, he turns to his Great Uncle Corduroy Rabbit, who takes him to the wise Belvedere Owl. To receive Belvedere's help, Rainbow must reveal a secret he's been keeping from Corduroy, risking hurting his uncle's feelings. Upon hearing Rainbow's confession, Belvedere

sends him on a quest to a bleak cold land in the North Pole to find what he has lost With no guarantee of success Rainbow arrives in the snowy settlement of Aurora B unsure of where to turn Following his instincts he encounters fascinating characters along the way including a sweet Polar Bear cub named Velvet whom he rescues He also helps a Wolf gain confidence and assists a Badger family torn apart by harsh words As Rainbow navigates this unfamiliar landscape and lends a helping hand to those in need he wonders if his efforts will be rewarded Join him on this enchanting journey to find out if he can regain his lost colours

*The Rainbow* D. H. Lawrence, 2021-05-07 Spanning over a period of sixty five years from the 1840s to 1905 *The Rainbow* by D H Lawrence follows three generations of the Brangwen family mapping the change in their romantic relationships amid the industrialization of Great Britain Their story begins when Tom Brangwen meets a Polish widow named Lydia The two soon fall in love and get married though they find that their cultural differences cause more issues than they imagined Due to a cultural and language barrier Lydia and Tom find it difficult to connect to one another but they stay persistent and remain together regardless Since Lydia had a child with her late husband Tom adopted her daughter Anna as one of his own When Anna gets married she and her husband Will shift the focus to their romance which begins as an innocent and happy affair During the early phases of their relationship and marriage Anna and Will were wrapped up into each other unaware of anything else except for their love But this romantic daze cannot last for forever Anna soon returns to reality much quicker than Will which causes a rift in their relationship especially when they have children Their youngest daughter Ursula is able to live more freely than any of the other Brangwen s Though she feels the societal pressure that is forced upon her as a woman Ursula is more concerned with being independent and happy She is passionate and sensual seeking out many romantic relationships including one with her female schoolteacher But as she grows older she meets a sweet British soldier named Anton The two remain in an extended and happy relationship but as the possibility of marriage grows near Ursula must decide if she feels ready to make such a commitment or if she ever even wants to be a married woman Presented in sensual and emotional prose D H Lawrence s *The Rainbow* effortlessly tackles taboo topics and complex protagonists With themes of feminism family love homosexuality and religious rebellion *The Rainbow* has invited controversy since the first year it was published leading it to be banned in Great Britain Modern readers can now enjoy what the original audience was scandalized by divulging in a rich storyline of complicated love affairs This edition of *The Rainbow* by D H Lawrence features a new eye catching cover design and is printed in a font that is both readable and modern
