Langdon Hammer

Poetry Of Hart Crane A Critical Study:

The Poetry of Hart Crane Richard Warrington Baldwin Lewis (biograaf, editor),1967 **The Poetry of Hart Crane** Richard Warrington Baldwin Lewis,2015-12-08 One of the leading critics of our time R W B Lewis charts the career of Hart Crane s imagination of his vision his rhetoric and his craft Crane who has heretofore been assigned a relatively minor place in American letters emerges from this rich dense book as one of the finest poets in our language Mr Lewis traces the development of the theme which runs through all of Crane s poetry the need for the visionary and loving transfiguration of the actual world and claims that it is this theme which gives Crane s poetry its extraordinary consistency Mr Lewis also relates Crane s development as poet to the Anglo American Romantic tradition and argues that Blake Wordsworth Keats and Emerson are vital to an understanding of Crane s work Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Poetry of Hart Crane. A Critical Study Richard Warrington Baldwin LEWIS,1967 **Hart Crane** Brom Weber,1969 A Critical Study of the Poetry of Hart Crane R. W. Butterfield,1965 A Study Guide for Hart Crane's "Voyages (I)" Gale, Cengage Learning,2016 **Hart Crane, a Re-introduction** Warner Berthoff,1989 Hart Crane was first published in 1989 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions More than half a century after his death the work of Hart Crane 1899 1932 remains central to our understanding of twentieth century American poetry During his short life Crane s contemporaries had difficulty seeing past the roaring boy who drank too much and hurled typewriters from windows in recent years he has come to be seen as a kind of last poet whose only theme is self destruction and who himself exemplifies the breakdown of poetry in the modern age Taking as a point of departure Robert Lowell s 1961 valuation of Crane and his power to speak from the center of things Warner Berthoff in this book reappraises the essential character and force of Crane s still problematic achievement Though he takes into account the substantial body of commentary on Crane s work his primary intent is to look afresh at the poems themselves and at the poet s clear eyed and brilliant letters This approach enables Berthoff first to track the emergence and development of Crane s lyric style an art that recreates in compact form the turbulence of the modern city He then explores the background and historical community that nourished Crane s creative imagination and he evaluates Crane s conception of the ideal modern poetic a poetry of ecstasy created with architectural craft His final chapter is devoted to The Bridge the ambitious lyric suite that proved to be the climax and terminus of Crane s work Berthoff s emphasis throughout is on the beauty and power of individual poems and on the sanity

shrewdness and sense of purpose that informed Crane's working intelligence *The Oxford Encyclopedia of American Literature* Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as *Moby Dick* *Song of Myself* *Walden* *The Great Gatsby* *The Waste Land* *Their Eyes Were Watching God* *Death of a Salesman* and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study [Hart Crane \[electronic resource\]](#). Monroe K. Spears, 1965 Hart Crane *American Writers* 47 was first published in 1965 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The University of Minnesota Pamphlets on American Writers series provides concise stimulating introductions to American writers of all periods The pamphlet authors are critics and writers recognized for their competence in their particular fields Each pamphlet devoted to a single writer contains biographical information a discussion and critical evaluation of his work and a selected bibliography Teachers of American literature both in the United States and abroad in colleges universities and secondary schools find the pamphlets ideal for their students use For general readers and librarians they are equally useful and interesting **Hart Crane** Warner Berthoff, **Hart Crane and Allen Tate** Langdon Hammer, 2017-03-14 Focusing on the vexed friendship between Hart Crane and Allen Tate this book examines twentieth century American poetry's progress toward institutional sanction and professional organization a process in which sexual identities poetic traditions and literary occupations were in question and at stake Langdon Hammer combines biography and formalist analysis to argue that American modernism was a Janus faced phenomenon at once emancipatory and elitist which simultaneously attacked traditional cultural authority and reconstructed it in new forms Hammer shows how Crane and Tate working in relation to each other and to T S Eliot created for themselves the competing roles of genius and poet critic Crane embraced the self authorizing powers of the individual talent at the cost of standing outside the emerging consensus of high modernist literary culture an aesthetic isolation which converged with his social isolation as a gay man Tate turning against Crane linked the modernist defense of tradition to an

embattled heterosexual masculinity while he adapted Eliot's stance to a career sustained by criticism and teaching. Ending his book with a discussion of Robert Lowell's career, Hammer maintains that Lowell's confessional poetry recapitulates the conflict enacted by Crane and Tate. Originally published in 1993, *The Princeton Legacy Library* uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. **The**

Cambridge Companion to American Poets Mark Richardson, 2015-10-15. This Companion brings together essays on some fifty-four American poets from Anne Bradstreet to contemporary performance poetry. This book also examines such movements in American poetry as modernism, the Harlem or New Negro Renaissance, confessional poetry, the Black Mountain School, the New York School, the Beats, and L A N G U A G E poetry. Hart Crane, an Introduction Clarence B. Lindsay, 1979.

The Columbia History of American Poetry Jay Parini, 1993-12-23. *New York Times Book Review*. **Hart Crane's Queer Modernist Aesthetic** N. Munro, 2015-03-30. Hart Crane's *Queer Modernist Aesthetic* argues that the aspects of experience which modernists sought to interrogate—time, space, and material things—were challenged further by Crane's queer poetics. Reading Crane alongside contemporary queer theory shows how he creates an alternative form of modernism.

American Poetry of the Twentieth Century Richard Gray, 1976-06-10. **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson, 2014-01-21. *The Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries, which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. **American & European Literary Imagination**, Western culture is composed of a subtle and complex mixture of influences: religious, philosophical, linguistic, political, social, and sociological. American culture is a particular strain, but unless European antecedents and contemporary leanings are duly noted, any resulting history is predestined to provincialism and distortion. In his account of American literature during the period 1919 to 1932, McCormick deals with the extraordinary work of artists who wrested imaginative order from a world in which the abyss was never out of sight. McCormick's volume is intended as a critical rather than encyclopedic history of literature on both sides of the Atlantic, between the end of World War I and the political and social crises that arose in the 1930s. Although he emphasizes American writers, the emergence of a vital and distinctly modern American literature is located in the cultural encounter with Europe and the rejection of national

bias by the major figures of the period McCormick deals with Gertrude Stein and the mythology of the lost generation the tensions and ambivalences of traditionalism and modernity in the work of Sherwood Anderson and F Scott Fitzgerald the effect and qualities of Hemingway s style as compared to that of Henry de Montherlant and the provincial iconoclasm of Sinclair Lewis juxtaposed with the more telling satire of Italo Svevo The formal innovations in the work of John Dos Passos E E Cummings and William Faulkner the poetic revolution against cultural parochialism and genteel romanticism is given extensive consideration with regard to the work of T S Eliot Ezra Pound Wallace Stevens William Carlos Williams and Marianne Moore are also discussed The concluding chapters discuss literary and social criticism and assess the influence of psychoanalysis philosophical pragmatism and radical historiography on the intellectual climate of the period Teachers and students in English and American Literature American History and Comparative Literature and the general reader interested in the writing of the period may gain new insights from these valuations devaluations and re evaluations John McCormick is professor emeritus of comparative literature at Rutgers University and Honorary Fellow of English and Literature at the University of York He is author of many books including Catastrophe and Imagination Fiction as Knowledge and George Santayana A Biography **Hart Crane** Hart Crane,1996-11 Collection of manuscript leaves written by a psychic medium purported to be the words and poetry of Crane spoken to his mother after his death Contains the records of over 40 spirit interviews dating from June 28 1940 to May 17 1942 includes transcripts **Hart Crane** Harold Bloom,2009 Provides insight into five of Hart Crane s most influential works along with a short biography of the poet
