Rinker, 2009-06-08 The popularity of horse racing in Chicago has yet to be rivaled in any other metropolitan area Since the 1800s the Windy Citys enthusiasm for both harness and Thoroughbred racing led to 10 major racetracks being built in the Chicago area Four of those raceways Balmoral Maywood Hawthorne and Arlington are still racing and thriving today From Washington Park Lincoln Fields and Worth Raceway on the citys South Side to the Near West Side venues of Hawthorne Race Course and Sportsmans Park to Arlington Parks northwest locale and Aurora Downs to the west Chicagos racing community has enjoyed a long and sometimes scandalous history Chicagos Horse Racing Venues provides insight into Chicagos rich racing history and a behind the scenes look at the people and horses involved The Will of the Creator Sammy Levitt, 2021-03-21 The Will of the Creator is the story of a serial killer in Philadelphia in the early 1980s Charley a Vietnam veteran who was sent home from the war after sustaining a gunshot wound to his head is a main character Charley back in the States receives brain surgery and is saved Unfortunately during his operation Charley had a stroke He opens a luncheonette along with his wife The business fails and Charley loses his mind He blames homeless people for his failure and goes on a murderous rampage The main character of the novel is Augie He is a Philadelphia area boxer who had his promising career obstructed by alcohol and drugs Augie based on a real boxer made an unlikely and remarkable comeback in his thirties going to the top of the charts Augie got his chance at the title but lost it at the Philadelphia Spectrum He fought once more and won a narrow decision but didn't look good He retired and worked selling soft pretzels and water ice from a wooden cart in west Philadelphia just as his Greek immigrant father had He was in his mid 30 s and worked out at a local gym One day while sparring with a younger boxer he was hit in the head with a jarring left hook He collapsed unconscious in the ring Then he was rushed by ambulance to the hospital It was determined that a major blood vessel near his brain had been ruptured A major surgery was performed and he was saved However a severe stroke occurred during the operation and Augie came out of it unable to walk or even communicate Augie learn to walk again first with a cane then independently He reads listens to a lot of talk radio plays the horses and seriously follows baseball He pursues his dream of being a baseball writer and even begins to write a book about his life and remarkable career Augie learns from his best friend about a series of murders in the city The victims are vagrants who are all stabbed in a unique way

There are four victims when Augie learns of them Charley like Augie listens to a lot of local talk radio Augie hears Charley inadvertently say things that link him to the murders And by the condition of the bodies which rise to the number of ten over three years Augie determines that Charley is the killer The book also tells the story of local and international R B singer Teddy Pendergrass who has a car accident and is paralyzed His story post accident fits into this theme of faith rehabilitation and hope

Northfield Park Keith L. Gisser, 2004 From Al Capone and dog racing to midget car and harness racing the history of Northfield Park is one of the most colorful in the standardbred sport A half mile track located mid way between Cleveland and Akron Ohio it has hosted the greatest drivers and horses in harness racing since its founding in 1957 From modest beginnings the track now races 220 live race cards every year providing a consistent racing schedule for patrons on site and across North America via simulcast This book details in both words and pictures the history of the storied oval known as The Flying Turns
